Word and Self Estranged in English Texts, 15501660 L.E. Semler, 2016-12-05 The essays in Word and Self Estranged in English Texts 1550 1660 consider diverse historical contexts for writing about strangeness They draw on current practices of reading to present contrasts and analogies within and between various social understandings In so doing they reveal an interplay of thematic and stylistic modes that tells us a great deal about how and why certain aspects of life and thinking were estranged in sixteenth and seventeenth century thinking The collection s unique strength is that it makes specific bridges between contemporary perspectives and early modern connotations of strangeness and inhibition The subjects of these essays are strange to our ways of thinking because of their obvious distance from us in time and culture And yet curiously far from being entirely alien to these texts some of the most modern thinking about paradigms texts concepts connects with the early modern in unexpected ways Milton meets the contemporary competent reader Wittgenstein meets Robert Cawdrey Shakespeare embraces the teenager and Marvell matches wits with French mathematician Ren Thom Additionally the early modern texts posit their own others or sites of estrangement Moorishness Persian art even the human body with which they perform their own astonishing maneuvers of estrangement and alignment In reading Renaissance works from our own time and inviting them to reflect upon our own time Word and Self Estranged in English Texts 1550 1660 offers a vital reinterpretation of early modern texts The Cambridge bibliography of English literature. 3. 1800 - **1900** Frederick Wilse Bateson, 1940 English Poetry Charles Mills Gayley, Clement Calhoun Young, 1904 **Register of World Events** ,1904 Notes and Oueries ,1914 The Principles and Progress of English Poetry Charles Mills Gayley, Clement Calhoun Young, 1905 Writing and Religion in England, 1558-1689 Anthony W. Johnson, 2016-02-17 The fruit of intensive collaboration among leading international specialists on the literature religion and culture of early modern England this volume examines the relationship between writing and religion in England from 1558 the year of the Elizabethan Settlement up until the Act of Toleration of 1689 Throughout these studies religious writing is broadly taken as being communicational in the etymological sense that is as a medium which played a significant role in the creation or consolidation of communities Some texts shaped or reinforced one particular kind of religious identity whereas others fostered communities which cut across the religious borderlines which prevailed in other areas of social interaction For a number of the scholars writing here such communal differences correlate with different ways of drawing on the resources of cultural memory The denominational spectrum covered ranges from several varieties of Dissent through via media Anglicanism to Laudianism and Roman Catholicism and there are also glances towards heresy and the mid seventeenth century s new atheism With respect to the range of different genres examined the volume spans the gamut from poetry fictional prose drama court masque sermons devotional works theological treatises confessions of faith church constitutions tracts and letters to history writing and translation Arranged in roughly chronological order Writing and

Religion in England 1558 1689 presents chapters which explore religious writing within the wider contexts of culture ideas attitudes and law as well as studies which concentrate more on the texts and readerships of particular writers Several contributors embrace an inter arts orientation relating writing to liturgical ceremony painting music and architecture while others opt for a stronger sociological slant explicitly emphasizing the role of women writers and of writers from different sub cultural backgrounds The British Journal of Nursing with which is Incorporated the Nursing Record ...,1903 English Poetry: Its Principles and Progress Charles Mills Gayley, Clement Calhoun Young, 1904 gray's english poems, **Literary History of England Vol. 4** A. Baugh, Kemp Malone, 1959 The Annual Register Edmund Burke, 1904 Continuation of the reference work that originated with Robert Dodsley written and published each year which records and analyzes the year's major events developments and trends in Great Britain and throughout the world From the 1920s volumes of The Annual Register took the essential shape in which they have continued ever since opening with the history of Britain then a section on foreign history covering each country or region in turn Following these are the chronicle of events brief retrospectives on the year's cultural and economic developments a short selection of documents and obituaries of eminent persons who died in the year **English poetry for young students** Thomas William Lyster, 1904 Woolf and Poetry Emily Kopley, 2021-06-10 Virginia Woolf's career was shaped by her impression of the conflict between poetry and the novel a conflict she often figured as one between masculine and feminine old and new bound and free In large part for feminist reasons Woolf promoted the triumph of the novel over poetry even as she adapted some of poetry s techniques for the novel in order to portray the inner life Woolf considered poetry the rival form to the novel A monograph on Woolf's sense of genre rivalry thus offers a thorough reinterpretation of the motivations and aims of her canonical work Drawing on unpublished archival material and little known publications the book combines biography book history formal analysis genetic criticism source study and feminist literary history Woolf's attitude towards poetry is framed within contexts of wide scholarly interest the decline of the lyric poem the rise of the novel the gendered associations with these two genres elegy in prose and verse and the history of English Studies Virginia Woolf and Poetry makes three important contributions It clarifies a major prompt for Woolf's poetic prose It exposes the genre rivalry that was creatively generative to many modernist writers And it details how holding an ideology of a genre can shape literary debates and aesthetics The Roger L'Estrange and the Making of Restoration Culture Beth Lynch, 2017-03-02 Academy and Literature ,1904 Roger L Estrange 1616 1704 was one of the most remarkable significant and colourful figures in seventeenth century England Whilst there has been regular if often cursory scholarly interest in his activities as Licenser and Stuart apologist this is the first sustained book length study of the man for almost a century L Estrange's engagement on the Royalist side during the Civil war and his energetic pamphleteering for the return of the King in the months preceding the Restoration earned him a reputation as one of the most radical royalist apologists As Licenser for the Press under Charles II he was charged with

preventing the printing and publication of dissenting writings his additional role as Surveyor of the Press authorised him to search the premises of printers and booksellers on the mere suspicion of such activity. He was also a tireless pamphleteer journalist and controversialist in the conformist cause all of which made him the b te noire of Whigs and non conformists This collection of essays by leading scholars of the period highlights the instrumental role L Estrange played in the shaping of the political literary and print cultures of the Restoration period Taking an interdisciplinary approach the volume covers all the major aspects of his career as well as situating them in their broader historical and literary context By examining his career in this way the book offers insights that will prove of worth to political social religious and cultural historians as well as those interested in seventeenth century literary and book history "Aberdeen Journal" Notes and Queries ,1914 Speaker ,1904 The Complete Poetry and Essential Prose of John Milton John Milton, 2009-10-28 John Milton is next to William Shakespeare the most influential English poet a writer whose work spans an incredible breadth of forms and subject matter The Complete Poetry and Essential Prose of John Milton celebrates this author's genius in a thoughtfully assembled book that provides new modern spelling versions of Milton's texts expert commentary and a wealth of other features that will please even the most dedicated students of Milton's canon Edited by a trio of esteemed scholars this volume is the definitive Milton for our time In these pages you will find all of Milton s verse from masterpieces such as Paradise Lost widely viewed as the finest epic poem in the English language to shorter works such as the Nativity Ode Lycidas A Masque and Samson Agonistes Milton's non English language sonnets verses and elegies are accompanied by fresh translations by Gordon Braden Among the newly edited and authoritatively annotated prose selections are letters pamphlets political tracts essays such as Of Education and Areopagitica and a generous portion of his heretical Christian Doctrine These works reveal Milton's passionate advocacy of controversial positions during the English Civil War and the Commonwealth and Restoration periods With his deep learning and the sensual immediacy of his language Milton creates for us a unique bridge to the cultures of classical antiquity and medieval and Renaissance Christianity With this in mind the editors give careful attention to preserving the vibrant energy of Milton's verse and prose while making the relatively unfamiliar aspects of his writing accessible to modern readers Notes identify the old meanings and roots of English words illuminate historical contexts including classical and biblical allusions and offer concise accounts of the author's philosophical and political assumptions This edition is a consummate work of modern literary scholarship **Annual Register** Edmund Burke, 1904
