

FOR FIVE SHILLINGS A DAY

ANZACS AND ALLIES FIGHTING IN THE SECOND WORLD WAR

DR RICHARD CAMPBELL BEGS AND DR PETER LIDDLE
FOREWORD BY DR VINCENT CHANDE

For Five Shillings A Day Experiencing War 1939 45

Sir Paul Hasluck

For Five Shillings A Day Experiencing War 1939 45:

For Five Shillings a Day Richard Campbell Begg, Peter Liddle, 2000 This selection of eyewitness accounts has been edited into chronological order to form an oral history of the British and Commonwealth forces at war **For Five Shillings**

a Day Richard Campbell Begg, Peter Liddle, 2000 This selection of eyewitness accounts has been edited into chronological order to form an oral history of the British and Commonwealth forces at war *The War of the World* Niall

Ferguson, 2012-11-06 From the bestselling author of *The Ascent of Money* and *The Square and the Tower* Even those who have read widely in 20th century history will find fresh surprising details *The Boston Globe* A fascinating read thanks to Ferguson's gifts as a writer of clear energetic narrative history *The Washington Post* Astonishing in its scope and erudition this is the magnum opus that Niall Ferguson's numerous acclaimed works have been leading up to In it he grapples with perhaps the most challenging questions of modern history Why was the twentieth century history's bloodiest by far Why did unprecedented material progress go hand in hand with total war and genocide His quest for new answers takes him from the walls of Nanjing to the bloody beaches of Normandy from the economics of ethnic cleansing to the politics of imperial decline and fall The result as brilliantly written as it is vital is a great historian's masterwork *The Abyss* Niall

Ferguson, 2012-10-23 Excerpted from Niall Ferguson's sprawling bestseller *The War of the World* *The Abyss* now stands on its own as one of the most thrilling short histories of World War I ever written This is not a conventional military history about battles and generals Rather *The Abyss* examines how World War I saw the birth of total war fought between societies as much as armies and must therefore be understood in terms of the financial crises it unleashed the multinational empires it destroyed and the hateful ideas it propagated The most remarkable thing about the war Ferguson shows us is how shockingly unexpected it was At a time when economic integration and technology seemed to be rendering war between great powers impossible World War I was the moment when that process went into reverse and the lethal forces of ethnic disintegration took over Now on the cusp of the 100th anniversary of its outbreak we can see World War I as much more than just four years of industrialized slaughter Weaving together the economics of empire and the ideology of race and featuring an original preface by the author as well a teaser from his new paperback *Civilization* *The Abyss* is world history at its finest

The British Expeditionary Force, 1939-40 E. Smalley, 2015-05-26 Between September 1939 and June 1940 the British Expeditionary Force confronted the German threat to France and Flanders with a confused mind set an uncertain skills set and an uncompetitive capability This book explores the formation's origins the scale of defeat in France and the campaign's considerable legacy [Soldiers](#) John A Haymond, 2023-06-14 A global study of how soldiers lived worked and fought and how many died spanning from the Napoleonic War to World War II No matter the war no matter the army no matter the nationality common threads run through the experiences of men at war *Soldiers* highlights these shared experiences across 150 years of warfare from the Napoleonic Wars through World War II and everything in between such as the Mexican and

Crimean Wars the American Civil War the U S Indian Wars and Britain s imperial bush wars the Boxer Rebellion the Boer War the First World War and more Haymond explores the experiences that connect soldiers across time and space and draws heavily from firsthand accounts to craft a narrative with flesh and blood immediacy Soldiers is entertaining and informative history at its best Praise for Soldiers What makes Soldiers an interesting read is Haymond s writing style and technique of comparing the common experiences of fighting men regardless of uniform and time served during the period Highly recommended for both scholars and students alike It is a must for readers interested in the experience and psychology of being a warrior during this period Military Review The Professional Journal of the United States Army *The Great War, 1914-1945 :: The peoples' experience* Peter Liddle,2001 [The Great World War, 1914-45: The peoples' experience](#) Peter Liddle,J. M. Bourne,Ian R. Whitehead,2000 [Royal Navy Handbook 1939-1945](#) David Wragg,2005-08-25 Overstretched from the start of the Second World War in 1939 the Royal Navy acquired First World War surplus destroyers from the United States Navy and embarked on a massive programme of construction building and buying aircraft carriers escort carriers and frigates and corvettes building up a powerful submarine arm and almost from scratch re creating the naval air arm taken from it in 1918 The service had to learn fast It soon became clear that the Germans would not provide an opportunity for a major battleship to battleship fleet action along the lines of Jutland but that submarine warfare and surface raiders were to be just as effective at undermining the British war effort The Royal Navy was expected to be active in the North Atlantic and in British waters and then after the Soviet Union was invaded by Germany it had to protect the Arctic convoys Meanwhile it also had to keep control of the Mediterranean alone after the fall of France supporting ground forces in North Africa and then in Greece send convoys to Malta and disrupt the Axis supply lines both in the Mediterranean and off the coast of Norway and then it had to face the Japanese in the Far East By the war s end the Royal Navy had grown from its pre war strength of 129 000 to 863 000 men Its fleet had also grown from 12 to 61 battleships and cruisers seven to 59 aircraft carriers and 100 to 846 destroyers by 1945 **La guerra del mundo** Niall Ferguson,2011-11-03 Una revolucionaria reinterpretaci n de la historia contempor nea y arroja nueva luz sobre el eterno conflicto entre este y oeste El siglo XX se abri con la promesa de los mayores avances cient ficos y tecnol gicos de la historia de la humanidad Sin embargo pronto se convirti en el m s sangriento de la historia C mo explicar la intensidad y alcance de la violencia desatada en lo que fue realmente una guerra del mundo Niall Ferguson aborda en su libro m s ambicioso hasta la fecha la respuesta a esta pregunta la paradoja fundamental de esta Edad del Odio de la historia que asol ciudades y extermin a millones de personas mientras el nivel de vida de gran parte de la poblaci n mundial mejoraba imparablemente Con su caracter stica brillantez rigor y originalidad La guerra del mundo explica cu l fue el problema de la modernidad en un viaje que le lleva de la estepa siberiana a las playas de Okinawa de las llanuras polacas a los cementerios de Guatemala y de las calles de Sarajevo a los campos de exterminio de Camboya Rese as Absorbente muy entretenida y estimulante Financial Times Un libro fascinante gracias a la

capacidad de Ferguson de escribir historia con claridad y con br o The Washington Post *The British National Bibliography* Arthur James Wells,2001 *For Five Shillings a Day: Personal Histories of World War II* Dr. Richard Campbell-Begg,Dr. Peter Liddle,2013-12-19 An amazing collection of eyewitness accounts of the British experience in World War II First hand narratives are drawn from every rank of the army and every corner of the conflict to create a moving and illuminating story of the greatest war of this century The Great World War, 1914-45: Lightning strikes twice Peter Liddle,J. M. Bourne,Ian R. Whitehead,2000 **Alamein** Jon Latimer,2002 It also changed the way the British Army fought using concentrated artillery on a scale not seen since 1918 to break through Axis defences built in depth **BOOK JACKET** **American Book Publishing Record** ,2001 **Kent at War, 1939-1945** Mark Khan,2014-09-20 Following on from Blitz on Kent all aspects of life during the Second World War were experienced during in this embattled county From the onset of the war Kent became a key part in the front line defence of Britain Defences were built and the Home Guard formed With the threat of invasion receding the county took part in the great offensive against Nazi Germany Preparations and training took place that lead to the D Day invasion in June 1944 and ultimate victory in 1945 This book will tell the story of the story of the County from the very beginning of the war to the end and afterwards both from civil and military perspectives Subjects covered are Invasion defences Home Guard Dunkirk life during wartime D Day German Prisoners of War the Americans in Kent The Royal Navy people and life during wartime The RAF soldiers in Kent regiments training individual studies the military on the move Bren Carriers Churchill tanks Covenanter tanks artillery Matilda tanks Valentine tanks motor bikes lorries lease lend Vehicles weapons women in wartime Kent VE Day and post war Kent the legacy of the war *Australia in the War of 1939-1945* Sir Paul Hasluck,1952 **Australia in the War of 1939-1945: To Benghazi, by G.Long.-v.2. Greece, Crete and Syria, byG.Long** ,1952 *Never Surrender* Robert Kershaw,2009-09-03 In *Never Surrender* Robert Kershaw captures the authentic voices of the ordinary heroes of the Second World War from the soldiers fighting abroad to those battling on the home front and creates an extraordinary portrait of a generation fighting for survival Beginning with first hand accounts of the reaction to Chamberlain s declaration of war in 1939 Kershaw portrays the many aspects of war through the words of those who were there from the sailors of the little ships of Dunkirk to German soldiers preparing for Operation Sea Lion He takes us from the nightly horrors of the Blitz to battles in the limitless desert of North Africa and from jungle war in Burma to Lancaster bombers over Germany and the beaches of Normandy Featuring new interviews with veterans and civilians from Britain the Commonwealth and Germany as well as diaries letters and first hand accounts this is a testimony to the remarkable men and women who lived through the Second World War whose refusal to surrender changed them and Britain forever Naval Eyewitnesses James Goulty,2022-11-04 Goulty tells the story from the perspective of the ordinary sailor or officer who was there The Northern Mariner Although many books have been written about naval actions during the Second World War histories and memoirs in particular few books have attempted to

encompass the extraordinary variety of the experience of the war at sea That is why James Goulty s vivid survey is of such value Sailors in the Royal Navy and the Merchant Navy experienced a war fought on a massive scale on every ocean of the world in a diverse range of vessels from battleships aircraft carriers and submarines to merchant ships and fishing boats Their recollections are as varied as the ships they served in and they take the reader through the entire maritime war as it was perceived at the time by those who had direct personal knowledge of it Throughout the book the emphasis is on the experience of individuals their recruitment and training their expectations and the reality they encountered on active service in many different offensive and defensive roles including convoy duty and coastal de fence amphibious operations hunting U boats and surface raiders mine sweeping and manning landing and rescue craft A particularly graphic section describes in the words of the sailors themselves what action against the enemy felt like and the impact of casualties seamen who were wounded or killed on board or were lost when their ships sank A fascinating inside view of the maritime warfare emerges which may be less heroic than the image created by some post war accounts but it gives readers today a much more realistic impression of the whole gamut of wartime life at sea

Delve into the emotional tapestry woven by Emotional Journey with in **For Five Shillings A Day Experiencing War 1939 45** . This ebook, available for download in a PDF format (*), is more than just words on a page; itis a journey of connection and profound emotion.
