

A photograph of a dirt path leading through a forest. The path is light brown and leads towards a bright opening in the trees. The trees on either side have autumn-colored foliage in shades of orange, yellow, and red. Some evergreen trees are visible in the background. The overall atmosphere is peaceful and scenic.

Freedom and love go together. Love is not a reaction. If I love you because you love me, that is mere trade, a thing to be bought in the market; it is not love. To love is not to ask anything in return, not even to feel that you are giving something- and it is only such love that can know freedom.

Asbill, 2014-12-18 This volume provides an analysis of divine aseity in Karl Barth's thought and appreciates the vital role that this doctrine can play in contemporary theology Brian D Asbill begins by setting the general theological context first through a broad sketch of the development of Barth's understanding of the relationship between the life of God pro nobis pronobeity and a se aseity and secondly through the examination of the basic theological convictions that guide his approach to the divine being in *Church Dogmatics II 1* The second section *The Love and Freedom of God* turns to the dialectical pairings which guide Barth's accounts of the divine reality in his earliest dogmatic cycle *The G ttingen Dogmatics 16 7* as well as in

his most mature treatment Church Dogmatics 28 31 Particular attention is given to how these themes arise from revelation and relate to one another In the final section The Aseity of God Asbill identifies this doctrine s basic features and primary functions Divine aseity is characterized as the self demonstration and self movement of God s life a trinitarian and entirely unique reality a primarily positive and dynamic concept and the manner and readiness of God s love for creatures Divine aseity is said to indicate God s lordship in the act of self binding God s uniqueness in the act of self revelation and God s sufficiency in the act of self giving

**Quest for Love in Central Morocco** Laura Menin, 2024-04-15 Following the 2011 wave of revolutions and protests in North Africa and the Middle East new discussions of individual freedoms emerged in the Moroccan public sphere and human rights discourse A segment of the public rallied around the removal of an article in the penal code that punished sexual relationships outside of marriage As debates about personal and sexual freedom gain momentum love and intimacy remain complex issues Moving between public clandestine and online interactions *Quest for Love in Central Morocco* explores the creative ways young women navigate desire and morality Menin s ethnography focuses on young women living in the low income and lower middle class neighborhoods of a midsized town in Central Morocco far from the overt influence of city life At the heart of the book Menin draws upon ideas of love as an ethnographic object and source of theoretical examination She demonstrates that love as a complex cultural and historical phenomenon shaped through intersecting socioeconomic and political developments is crucial in thinking through generational changes and debates in Morocco and the Middle East more broadly What is at stake in the quest for love she argues is not only the making of gendered selves and intimate relationships but also the imagination of social and political life

**The University Magazine and Free Review**, 1897 **Made for Freedom** Jutta Burggraf, 2017-03-31 In a fast paced world overloaded with technology and information it can be difficult to remember who we are as God s children We are called not only to do to build and to accomplish but to be and to love in freedom Embracing that deeper call requires courage mired as we are in our own weaknesses as well as the increasing manipulation of others Yet from the beginning God offers us a life full of love and happiness with Him At the core of this gift is our freedom and we must struggle to maintain it defend it and grow continually in it In *Made for Freedom* author Jutta Burggraf offers a penetrating meditation on freedom and its importance in the life of a Christian She explains that our ultimate happiness is a result of a humble yes to God s gift of our very selves accepting both the light and the darkness of who we are From there we can go a step further to accept God s love and invite Him and only Him to fill the gaps with love and healing With this humble but honest perspective we can choose to love ourselves as God loves us and in turn to love others

Bloesch, 2002-04-15 The Christian ethic is an ethic that cannot be assimilated into the moral consensus of the wider community The way of the cross cannot be reconciled with the way of the world just as the gospel cannot be conjoined with the laws that gave stability to social order The thesis of this book is that human justice can never be a substitute for divine justification but it can be a sign and witness to the justifying grace of God in Jesus Christ Humanitarian works can never reach the heights of deeds of sacrificial love and mercy but they can point to this higher righteousness and awaken a thirst for it We must always be on guard against two perils the Scylla of legalism and rigorism and Charybdis of antinomianism An ethics of the divine commandment by uniting law and grace the imperative and the indicative shows how we can live the authentic Christian life in obedience to the highest which is not a law but a person not an ideal but the reality of the New Being the power of crucified love as we see this in Jesus Christ from Freedom for Obedience      **Rudolf Steiner's Vision of Love** Bernard Nesfield-Cookson, 1999 The author encapsulates Steiner's revelations on the meaning of love and indicates the supreme importance of the greatest of all deeds of love the Mystery of Golgotha      *Passion for Love and Happiness* Dr. AA.
