Neumann, 2019-02-07 Paramahansa Yogananda 1893 1952 a Hindu missionary to the United States wrote one of the world s most highly acclaimed spiritual classics Autobiography of a Yogi which was first published in 1946 and continues to be one of the best selling spiritual philosophy titles of all time In this critical biography David Neumann tells the story of Yogananda s fascinating life while interpreting his position in religious history transnational modernity and American culture Beginning with Yogananda s spiritual investigations in his native India Neumann tells how this early global guru emigrated to the United States in 1920 and established his headquarters the Self Realization Fellowship in Los Angeles where it continues today Preaching his message of Hindu yogic philosophy in a land that routinely sent its own evangelists to India Yogananda was fueled by a religious nationalism that led him to conclude that Hinduism could uniquely fill a spiritual void in America and Europe At the same time he embraced a growing belief that Hinduism s success outside South Asia hinged on a sincere understanding of Christian belief and practice By universalizing Hinduism Neumann argues Yogananda helped create the novel vocation of Hindu yogi evangelist generating fresh connections between religion and commercial culture in a deepening American religious pluralism *Conversations with God* Neale Donald Walsch, 1996-10-29 In a world where organized religion fails to resonate with a growing number of people Neale Donald Walsch s Conversations with God offers a refreshing and thought provoking alternative Delve into thought provoking discussions on free speech creativity and discernment as Walsch s empathetic and empowering words guide you towards a life of inner harmony and awakening Unveiling the secrets to unlocking your true potential this timeless classic explores the profound connection between humanity and the divine presence With unwavering honesty and startling clarity Walsch invites you to embrace love over fear reminding you that you hold the power to transform your reality A Beginner's Guide to the Path of Ascension Joshua David Stone, Janna Shelley

Parker,1998 Three forces must come together for a planetary healing to occur The concept of the Sacred Triangle was introduced in David Miller s first book Connecting with the Arcturians which explored the fifth dimension and our relationship to higher Extraterrestrial groups This new book explains how the Arcturian energy melds with that of the White Brother Sisterhood and the Ascended Native American Masters to bring about planetary healing David offers the reader an understanding of the soul the nature of soul evolution and how the human species is advancing towards the next evolutionary step There will be many of you in this time who will be able to complete fantastic tasks If I would declare to you what I see you would be astonished that you could possibly carry out such tasks You must think that you have the ability to do this You have the personal power I ask you to look at the Sacred Triangle and see what role you can play in this Others will be very interested when you

The Quintessential Jesus of Nazareth Allison Sledge,2011-11-03 The Quintessential Jesus of Nazareth An Astrological Interpretation of The Messiah s Natal Chart is one of the most profound metaphysical books ever written in terms of exploring all aspects of the Universe in relation to Jesus Christ The Bible omits seventeen years of His life and not much is know about Jesus as a person What were His thoughts His Moods His concept of Self How did He feel about money treasures communications family health humor service romance talent and love What were His fears His joys His inner spirituality What were His views on friendships death addiction and pain This book takes the readers through these phases that made Him who He was It is based on a natal astrological chart and the day of His birth being March 19th 7 BC Because there is no true and accurate date of His exact birth this date was chosen for many reasons especially Edgar Cayce s reading of March 19th being the day He was born Many people have their own versions and opinions based on their own understanding of Jesus yet this book was written to open the minds of limited thinking whether one agrees or disagrees with the concepts It is with that attitude of inclusiveness rather than exclusiveness that the Author anticipates great discussions arising among people of all walks of life after reading this book It is a must have for everyone s bookshelves to be sure

*Ram Krishna Paramhansa* B. R. Kishore,2005-04 Quantamplation F. A. Raffa,2012 The Power of the Mind Free Will and Will Power were all natural gifts we inherited in our creation The abilities of which have been lost in our Evolution The memory of which we find shadowed in all our World Religious Teachings Mythology it requires one s self development realization since belief dedication and Imagination The combined practice of Quantamplation provides a platform to finding the key to opening the door to a whole new reality controlled totally by YOU Opportunities in life come by creation and not by chance P Yogananda *Masonic Light from Ancient Africa* Keith Moore 32i,2018-01-30 This book explores the critical thinking that Freemasons of African descent have towards the understanding of the Bible as well as the impact of Christianity in African American culture To the Mason the Bible is the guide of faith for it gives us God s holy instructions It also has within it a secret knowledge that many of our traditional churches refused to tap into Therefore this knowledge is esoteric in nature and this is what masonry thrives on This book will examine not only the contributions by ancient Kemet

**Wisdom of Sri Chinmoy** Sri Chinmoy, 2003-03-01 images involving prajna constituted a central if not the central Acts of Faith Makarand R. Paranjape, 2013-06-01 An adventure into the heart of spiritual India that could change the way you think and live Acts of Faith Journeys to Sacred India is a sensitive and enriching exploration of the essential meaning and inner dynamics of sacred India Through a series of deeply textured narratives of well known masters ashrams and sacred sites it engages with that area of contemporary India where the profane and the sacred intersect each transforming the other This unusual pilgrimage shows how the pathway to the Divine is plural and open rather than closed or restricted While there are many travel books on India few combine an inquiry into the meaning of India with actual visits to sacred sites encounters with contemporary gurus and reflections on perennial themes like faith and love Using both textual sources and actual experiences Acts of Faith tries to define what constitutes the sacred making for a highly interesting cartography of India of the spirit Ascension and Romantic Relationships Joshua David Stone, Janna Shelley

Parker, 2000-01-01 This book is a sequel to the first two It contributes an added dimension to my earlier information Sedona seems to reflect the best qualities or perhaps I should say combined qualities the essences and elements of the Great Pyramids Glastonbury Stonehenge Ayers Rock Mount Shasta the South American Pyramids Peru Tibet Nepal India Lourdes and many other power places around the world How can I make such a claim For the reason that I interact on a regular basis with individuals from virtually every corner of the Earth who have spent time in those sacred and mysterious places Through these travelers I have learned that there is simply no other place like Sedona **The Theosophical Path** Katherine

this great mystic whose leaping flame of spiritual realization continues to influence the modern spiritual search      **Krishna of Vrindavana** Chāruchandra Guhā,1927      **Storm on the Horizon** Sylvia McKelvey,2019-08-19 Is there a covert plan for humanity Are we on the brink of discovery Every day huge cumbersome radio telescopes around the world scan the farthest regions of space listening probing waiting Waiting for that one tone that one ring that one sound that would set the world ablaze with unbridled excitement never before seen on this planet We will have made contact with Extraterrestrials Some say they are already here Some say they have already made contact Some say they have a plan Is there a Mastermind behind them Could Extraterrestrials be part of the largest deception ever to take place on this Earth Some theorist say yes and this may be how they do it      *The Life of M. and Sri Sri Ramakrishna Kathamrita* DHARM PAL GUPTA,1988-01-01 The Life of M and Sri Sri Ramakrishna Kathamrita is a publication that all persons who attach importance to spiritual values and especially those whose interest in this subject has been generated through the life and teachings of Sri Ramakrishna would welcome with utmost eagerness and warmth For in this age of ours when cart loads of books are turned out by your commercialised publishing houses books which entertain bore or debase but seldom instruct and much less inspire The Life of M and Sri Ramakrishna Kathamrita comes as a refreshing shower on a parched desert Sri Ramakrishna s life has been described by Mahatma Gandhi as a life that enables us to see God face to face In making this precious heritage of the Master s life available to mankind through a faithful and realistic account of an important phase of it when the fully blossomed flower of the Master s genius was attracting large numbers of spiritual seekers like swarms of honey seeking bees Mahendra Nath Gupta under the pen name of M has done to mankind a service of a magnitude which few other authors can equal or excel from the Foreword to this book      **Nectar #6** Babaji Bob Kindler,Bruno Barnhart,Sharad Chandra,CS Shah,Arthur Osborne,Lex Hixon,Annapurna Sarada,2001-12-01 Advaita a word of wondrous Oneness is the specific topic of our Winter issue of Nectar of Nondual Truth the journal which declares a timeless message of absolute Unity based upon the indivisible and homogenous nature of all existence Why indivisible Because despite the apparent bifurcation of Ultimate Reality into two parts Shiva and Shakti the static and the dynamic and these two into a multitude of things via the inscrutable prestidigitation of the hand of Maya Reality remains both immutable and ever cohesive The acts movements and various conjurings of mind and nature involved willingly or unwillingly in the process of birth growth decay and death can never divide It Compartmentalization is for creation not for Consciousness and even creation when seen rightly is one Why homogenous Because regardless of the appearance of multiplicity that pictorial presentation of ephemeral phenomena before the enchanted mind and senses all is Consciousness all pervasive What is all pervasive cannot be invited encouraged caused forced tricked seduced or persuaded to give up Its innate continuity The preternatural cosmic laws and powers such as time space creation evolution dissolution life death transformation and projection are helpless to effect any change in the natural unique and nonpareil uniformity of Divine Reality Thus as the saints sages seers and savants all say there is but one living

substance in existence and that is pure conscious Awareness Being a spiritual verity rather than a material entity it is true it is pure it is real     Light on the Path Osho,2023-08-17 The first thing for a patient to go to the doctor you must make him realize that he is sick otherwise there is no need to go to the doctor So the people you want to encourage into meditation first you have to make them aware that they are frustrated perhaps for so long that they have forgotten that they are sad They cannot remember when they laughed from their very hearts They have become robots they do things because they have to be done but there is no joy in doing them
