Footprints In The Dust:

Footprints in the Dust Alice Cooper Bailey,1936 *Footprints in the Dust* C. Neil Jones,2002 *Footprints in the Dust* S. Dhammika,2023-10-06 Unlike stiff biographies of the Buddha or biographies that are replete with mystery and magic *Footprints in the Dust* enables us get to know the Buddha as a human being a deeply compassionate and wise person who not only actualized the path to enlightenment but also shared the way to accomplish that path with countless others so that they too may gain supreme peace We learn of the challenges Gotama faced many similar to our own and how he dealt with them We see his responses when praised and blamed when confronted with crises within the Order and disputes among kings and couples We see how he guided monastic and lay disciples with their diverse personalities and dispositions In getting an insider's glimpse into how his wisdom and compassion manifested when engaged in situations that we too may experience we learn how to work in a constructive way with whatever life brings us This is an inspiring and engaging book that you will read and reread many times Bhiksuni Thubten Chodron Dharma teacher author and abbess of Sravasti Abbey What was the Buddha like as a human being How did he relate to others With great care and an eye for detail Venerable Dhammika pieces together the life events we can read from very early texts The result is a truly authoritative biography It shows that as a man as well as a teacher the historical Buddha was remarkable indeed The chapter headings are refreshingly original a day in the life of his humour his debating style his background I really enjoyed thinking about Gotama Buddha simply as a person and clearly an extraordinary one as Ven Dhammika shows us I recommend this book to anyone who would like a down to earth accurate and readable appraisal of the founder of this great world religion seen through modern eyes Sarah Shaw Oxford March 2021 Footprints in the Dust Harry L.
