Calvert-Koyzis, Heather Weir, 2010-08-26 While people often believe that the feminist movements in Britain and North America began in the late twentieth century this is certainly not the case Women throughout the centuries have sought to break out of the constraints that their societies deemed appropriate for them For interpreters in the Christian tradition this often meant examining biblical texts that had been understood in ways that demeaned women and using their interpretations to encourage women to break out of their culturally proscribed spheres The essays in this volume are drawn from the Recovering Female Interpreters of the Bible Consultation at the SBL Annual Meeting and from sessions on female interpreters of Scripture at the Canadian Society of Biblical Studies The essays address female interpreters of the Bible such as Eudocia and Anna Jameson whose publications have been largely ignored in the fields of the history of biblical interpretation and reception history Through their publications these women used their interpretive and theological skills to break the boundaries that previous interpretations of the Bible and their societies imposed upon them *Our Master's footsteps; or, Bible class notes for thoughtful girls* Charlotte Bickersteth Wheeler, 1883 *Until Today!* Iyanla

Centre, 196? **Liahona** , 1925 Hearing the Scriptures Eugen J. Pentiuc, 2021-10-16 Throughout the ages interpreters of the Christian scriptures have been wonderfully creative in seeking to understand and bring out the wonders of these ancient writings That creativity has often been overlooked by recent scholarship concentrated as it is in the so called critical period

In this study Eugen J Pentiuic illuminates the remarkable way in which the Byzantine hymnographers liturgists expressed their understanding of the Old Testament in their compositions an interpretive process that he terms liturgical exegesis In authorship and methodology patristic exegesis and liturgical exegesis are closely related Patristic exegesis however is primarily linear and sequential proceeding verse by verse while liturgical exegesis offers a more imaginative and eclectic mode of interpretation ranging over various parts of the Bible In this respect says Pentiuic liturgical exegesis resembles cubist art To illuminate the multi faceted creativity of liturgical exegesis Pentiuic has chosen the vast and rich hymnography of Byzantine Orthodox Holy Week as a case study offering a detailed lexical biblical and theological analysis of selected hymns His analysis reveals the many different and imaginative ways in which creative liturgists incorporated and interpreted scriptural material in these hymns By drawing attention to the way in which the bible is used by Byzantine hymnographers in the living Orthodox tradition Hearing the Scriptures makes a ground breaking contribution to the history of the reception of the scriptures
