For A Palestinian:

For A Palestinian Bilal Hasna, Aaron Kilercioglu, 2022-09-19 An astonishingly powerful play with a mesmeric performance from Bilal Hasna He is an important young Palestinian voice who deserves a wide audience Palestine Solidarity Campaign But there s this feeling And it really is impossible to translate But if you feel it you know what it is If you re watching this and you re Palestinian you know what it is Bilal has always been obsessed with love stories Here he tells you his favourite the true story of Palestinian translator Wa el Zuaiter Join Bilal as he ventures through the orange groves of Jaffa Rome s piazzas and the Duty Free aisles of Luton Airport piecing together this untold story and asking what it means to be a Palestinian in the West After receiving standing ovations and glowing audience reviews when it appeared as a work in progress in 2021 WoLab returned to Camden People s Theatre and transferred to the Bristol Old Vic in Autumn 2022 with Bilal Hasna and Aaron Kilercioglu s acclaimed For A Palestinian The play was supported by P21 Gallery Palestine Solidarity Campaign Na amod Bristol Palestine Museum and Cultural Centre and New Diorama Theatre

Building a Palestinian State Glenn E. Robinson, 1997-03-22 an analysis that is as intricate and flawless as it is devastating Robinson s presentation is powerful and compelling and his scholarship impeccable MESA Bulletin an excellent book In just 200 pages Glenn Robinson manages to give the clearest and most concise analysis of the changing political and social structure of the West Bank and Gaza and of current political realities that I have read Digest of Middle Eastern Studies a fair and sensitive account and contains the best available assessment of the Intifada s political aftermath among Palestinians An added bonus is that the book is written in an accessible style with enough historical background and contextual explanation to make it ideal as a text for courses in Middle East politics or the politics of revolutions American Political Science Review Well researched original scholarly deserves the attention of those interested in revolutionary theory or the Israeli Palestinian conflict Choice Throughout the book is impressively researched and very well written Building a Palestinian State is a book that deserves to be widely read Journal of Palestine Studies a well informed and tightly argued analysis of the evolution of political leadership in the West Bank and Gaza from the 1980s to the spring of 1996 This book is a must read for anyone interested in the historical backdrop to current political developments in the areas under the control of the Palestinian Authority Middle East Policy carefully researched and balanced study Times Literary Supplement provides a unique analysis of the various facets of grassroots organizations and their interaction with the emerging state institutions a major and very timely contribution Anne Lesch In this well informed and accessibly written book Glenn E Robinson traces the emergence of a new political elite in the West Bank and Gaza in the 1980s and the grassroots political and social revolution it launched during the Intifada

A Palestinian State Mark Heller, 1983 The future of the West Bank and Gaza remains the single most crucial issue in the search for peace in the Middle East Heller outlines the conditions under which he believes the establishment of a Palestinian state could be the optimal solution He also discusses the economic prospects of a Palestinian state and the future of Jerusalem

A Palestinian Christian Cry for Reconciliation Naim Stifan Ateek, 2008 From the text The background is clear Jerusalem has been conquered and re conquered more than 37 times The latest conquest in 1967 was by the Israeli army After the war Israel took in not only the 5 square kilometers of Arab East Jerusalem but also 65 square kilometers of surrounding open country and villages most of which never had any municipal link to Jerusalem Overnight they became part of Israel s eternal and indivisible capital The history of Jerusalem has been written with blood The first part of this sequel to Justice and Only Justice focuses on events since the Intifada of 1987 including the violence that has come from Israel s aggression and from the use of suicide bombers by Palestinians The second part of the book draws on scripture lifting up biblical figures such as Samson Jonah Daniel and Jesus as it examines issues of ownership of the land In the final section Ateek presents a strategy to achieve peace and justice nonviolently that will promote justice for the Palestinians and security for both Israel and Palestine

BOOK JACKET *The EU and the Israeli-Palestinian Conflict 1971-2013* Anders Persson, 2014-10-21 Just peace has been much talked about in everyday life but it is less well researched by academics The rationale of this book is therefore to probe what constitutes a just peace both conceptually within the field of peacebuilding and empirically in the context of the EU as a peacebuilder in the Israeli Palestinian conflict The EU has used the term just peace in many of its most important declarations on the Israeli Palestinian conflict throughout the years Defining a just peace is about these declaratory efforts by the EU to articulate a common formula of a just peace in the conflict Securing and building a just peace are about the EU s role in implementing this formula for a just peace in the conflict through the creation of a Palestinian state As the EU enters its fifth decade of involvement in the conflict there can be little doubt that in common with the rest of the international community it has failed in its efforts to establish a just peace between Israelis and Palestinians While this is an inescapable overall conclusion from four decades of EC EU peacebuilding in the conflict it is at the same time possible to draw a number of other conclusions from this book Most importantly it argues that the EU is a major legitimizing power in the conflict and that it has kept the prospects of a two state solution alive through its support for the Palestinian statebuilding process

I Am a Palestinian Christian Mitri Raheb, 1995-01-01 In the pains and hopes of his people Raheb reveals an emerging Palestinian Christian theology

Palestinian Refugees Robert Bowker, 2003 Encompassing history politics and political culture Bowker grapples with fundamental issues of Palestinian identity in the context of the peace process

The Routledge Handbook on the Israeli-Palestinian Conflict Joel Peters, David Newman, 2013 This Handbook provides an overview of the most contentious and protracted political issue in the Middle East The editors have gathered together a range of the top experts on the Palestinian Israeli conflict They tackle a range of topics from historical background through to peace efforts domestic politics critical issues such as refugees and settler movements and the role of outside players such as the Arab states US and EU

The Israeli Palestinians Alexander Bligh, 2004-08-02 One of the most crucial issues to affect national policy in the state of Israel is that of relations between its Jewish and Arab

citizens This edited collection offers a comprehensive analysis of the most significant factors to have contributed to current conditions *Building a Successful Palestinian State* David Gompert, Kenneth Shine, Glenn Robinson, C. Richard Neu, Jerrold Green, 2001-04-22 An examination of how an independent Palestinian state if created can be made successful The authors describe options for strengthening governance security economic development access to water health and health care and education and estimate the financial resources needed for successful development over the first decade of independence

Palestinian Leadership on the West Bank (RLE Israel and Palestine) Moshe Maoz, 2015-05-22 The West Bank has for generations been the core area of the Palestinian Arab community and of its national movement Since 1967 it has become the main area of confrontation in the prolonged conflict between Palestinian Arab and Jewish Zionist nationalism The Palestinian armed organization the PLO which has undertaken to lead the nationalist struggle of their people was for long periods unable to operate on the West Bank because of strict security measures taken by the Jordanian and Israeli governments respectively Consequently the Palestinian mayors in the West Bank who under Jordanian rule 1948-1967 had served as ruling instruments of the government gradually became under Israeli control the political spokesmen of their communities This book first published in 1984 examines this remarkable change in the role of the West Bank Palestinian mayors and their transformation since the early 1970s from conservative moderate figures into radical nationalist leaders Against the background of the developing Palestinian and Israeli militant nationalism in the West Bank the study analyses the complex relations between these new leaders and the governments of Israel and Jordan as well as the PLO command until their final eviction by Israel in 1982 *The Dynamics of Israeli-Palestinian Relations* B. Soetendorp, 2007-04-02 This book

looks at Israeli Palestinian relations through three different conceptual lenses the individual decision maker domestic politics and the international system It examines key choices made by Israelis and Palestinians regarding three central issues the 1947 UN Partition Plan the Lebanon invasion in 1982 and the 1993 Oslo Agreements **Palestinians** Jim Zanotti, 2010-11 Contents 1 Historical Background and Palestinian Identity 2 Demographic and Econ Statistics 3 Issues for Congress 4 Recent Develop and Key Issues Israeli Palestinian Relations and U S Involvement Future Leadership and Direction of the PLO and Palestinian Authority PA Fatah Hamas Rivalry and the Question of Power Sharing Gaza West Bank U S and International Assistance Terrorism and Militancy The Regional Context 5 Palestine Liberation Organization PLO 6 PA 7 Fatah and Other PLO Factions Mahmoud Abbas Marwan Barghouti 8 Hamas and Other Non PLO Factions Hamas Al Aqsa TV Key Hamas Leaders Khaled Meshaal Ismail Haniyeh 9 Palestinian Refugees 10 Econ Issues and Trends Illus **The Palestinian-Arab**

Minority in Israel, 1948-2000 As'ad Ghanem, Dr As'ad Ghanem, 2001-05-24 Examines the difficulties of Palestinian Arab political life in Israel The Israel-Palestine Conflict Neil Caplan, 2011-09-19 The Israel Palestine Conflict Contested Histories provides non specialist readers with an introduction and historical overview of the issues that have characterized and defined 130 years of the still unresolved Israeli Palestinian conflict Provides a fresh attempt to break away from

polemical approaches that have undermined academic discussion and political debates Focuses on a series of core arguments that the author considers essentially unwinnable Introduces readers to the major historiographical debates sparked by the dispute Encourages readers to consider more useful ways of explaining and understanding the conflict and to go beyond trying to prove who is right and wrong This volume suggests a fresh and original interpretation to the history of the Arab Israeli conflict Caplan juggles skillfully and even handedly between the two narratives reflecting the parties own views without embracing the cause of any party Joseph Nevo University of Haifa An impressive and very valuable work One could not ask for a better short history of the conflict Caplan offers readers a study that is extremely well informed resolutely fair minded and filled with thoughtful insights Mark Tessler University of Michigan

Palestinian Refugee Women from Syria to Jordan Afaf Jabiri, 2024-01-11 Based on four years of field research in Palestinian camps in Jordan including unique interviews with Palestinian refugee women aid workers and representatives of international organisations and NGOs in Jordan the book reveals the extraordinary layers of discrimination suffered by Palestinian women from Syria displaced to Jordan The women s experiences show them caught between settler colonialism militarism nationalism refugees global governance and gender regimes that subjected them to multiple forms of structural gender based violence The book argues for a feminist analysis of settler colonialism s epistemic violence of anti Palestinianism to expose the history and geopolitics of intersecting oppressive systems that work through and upon gendered bodies of Palestinian refugee women in humanitarian settings The book also highlights how local women s groups and frontline workers attempt to fill service gaps Using a rich theoretical lens to understand the experiences of women in refugee camps this book attempts to decolonise issues around migration displacement refugees and women Previous work on the Syrian refugee crisis has overlooked the very particular experiences of Palestinian refugee women which has weakened feminist analysis of gendered processes of humanitarianism and feminist transnational and intersectional solidarity This book offers a vital critique of how feminists adoption of a universality based analysis of the Syrian refugee crisis has contributed to the further marginalisation of Palestinian refugee women from Syria

Congressional Record United States. Congress, 2011 The Arab Awakening Kenneth M. Pollack, Daniel L. Byman, Akram Al-Turk, 2011-10-01 Even the most seasoned Middle East observers were taken aback by the events of early 2011 Protests born of oppression and socioeconomic frustration erupted throughout the streets public unrest provoked violent police backlash long established dictatorships fell How did this all happen What might the future look like and what are the likely ramifications for the United States and the rest of the world In The Arab Awakening experts from the Brookings Institution tackle such questions to make sense of this tumultuous region that remains at the heart of U S national interests The first portion of The Arab Awakening offers broad lessons by analyzing key aspects of the Mideast turmoil such as public opinion trends within the Arab Street the role of social media and technology socioeconomic and demographic conditions the influence of Islamists and the impact of the new political order on the Arab Israeli peace process The next section looks at the

countries themselves finding commonalities and grouping them according to the political evolutions that have or have not occurred in each country The section offers insight into the current situation and possible trajectory of each group of countries followed by individual nation studies The Arab Awakening brings the full resources of Brookings to bear on making sense of what may turn out to be the most significant geopolitical movement of this generation It is essential reading for anyone looking to understand these developments and their consequences

Contemporary Arab Thought Elizabeth Suzanne Kassab, 2025-04-29 In the last third of the twentieth century the Arab intellectual and political scene polarized between totalizing doctrines nationalist Marxist and religious and radical critique Arab thinkers were reacting to the disenchanting experience of postindependence and a widespread sense of malaise as well as to authoritarianism intolerance injustice failed development and successive defeats by Israel The foundational account of these responses Contemporary Arab Thought illuminates the relationship between cultural and political critique in the work of major Arab thinkers Elizabeth Suzanne Kassab also connects Arab debates to the postcolonial issues of Latin America and Africa revealing the shared struggles of different regions Since its first publication in 2009 this book has stood as the foremost account of contemporary Arab debates on culture philosophy modernity tradition identity and liberation It is widely used in Middle Eastern studies courses and it has become a classic in the field of Arab intellectual history Contemporary Arab Thought now features an extensive new introduction that reconsiders post 1967 Arab intellectual history in light of the 2011 uprisings and the upheavals that have occurred over the intervening years Kassab critically reflects on the book's arguments and the responses it has provoked and she surveys the new preoccupations that have emerged in Arab debates since 2011 As crises again overtake the Middle East this landmark work continues to offer indispensable insight into the richness of contemporary Arab thought

Long-Term Solutions for a Short-Term World Ronald N. Harpelle, Bruce Muirhead, 2011-06-14 Long Term Solutions for a Short Term World demonstrates the complexity of the challenges that poor countries face and introduces the readers to the concept and impact of participatory research for development Participatory research requires researchers to work with communities governments and other relevant actors to deal with common problems Finding solutions requires participants to reflect critically on the cultural economic historical political and social contexts within which the issue under investigation exists The book contains a collection of essays from development researchers and professionals each of whom is an activist who has made significant contributions to the struggles of the poor in their own societies Essays are presented as case studies and in each the contributor explains the specific development problem the paths followed to solve the problem lessons learned as a result of the research and the development challenges on the horizon in his field of research Together these essays present a fascinating picture of how some of today's most pressing development issues are being dealt with through research demonstrating how interdisciplinary and alternative approaches can be implemented in new and innovative ways
