Opande,2014-12-23 Dear Reader due to the utter madness and ungodliness that is so prevalent throughout the world today especially here in North America it is necessary regardless of the consequences to sound the trumpet I am a child of God and I know that we believers are commanded to honor and pray for our leader and for all that are in authority that we may lead a quiet and peaceable life in all godliness and honesty For this is good and acceptable in the sight of God our Savior The following statement is not meant to dishonor our president as I do recognize and respect his authority and office However the president who currently occupies this office has verbally endorsed same sex marriage that is absolutely contrary to God s law of marriage and reproduction It has caused an increase of absolute ungodliness that is unprecedented Not only is this most grievous sin now rampant and accepted in this nation but it is now being implemented in other nations of the world As much as I do respect the office of the president I have been commanded to preach the gospel of the Lord Jesus Christ even to the president of this nation and this gospel includes God s law According to this law there is no world leader who has the authority to alter the law of marriage that was and is ordained by the LORD GOD ALMIGHTY There are multitudes of ministers that have walked away from the truth and become enemies of the cross of Christ Whose end is destruction whose God is their belly and whose glory is in their shame who mind earthly things They have compromised the truth that has caused many precious souls to stumble and be led away from the path of life There are too many wolves in sheep s clothing who refuse to preach the full gospel of the Lord Jesus Christ They instead preach teach and hold to their own fleshly traditions and concoctions such as the Sinner s Prayer that cannot be supported by scriptures in the New Testament There are very well organized religious sects controlled by blind leaders who because of their good works and fair speeches are loved and respected around the world However they are spiritual imposters who are leading millions upon millions of spiritually blind people into the ditch of religion and eternal damnation There are buildings in abundance with steeples on top with crosses on them that are illusions of what the church truly is There are too many people that attend local assemblies on a regular basis and call themselves Christians but they live like children of the devil There are too many so called churches when in fact there is only one This is the only church that God has and it is very important that you become a member The message in this book points you to the only remedy that will enable you to become a member of this church that will put you on the path of life and this life is eternal I feel so very passionate about this because I know what will happen to all those who die in their sins The message of the only hope that God has availed to us is being stolen away by ungodly so called ministers who corrupt the word of God for their own selfish gain Therefore I feel compelled to sound the trumpet of alarm *Essentially One* JONATHAN LAMB,2020-06-18 Across the barriers of race class culture and denomination Christians are united through the transforming power of the gospel of grace Yet instead of walls dismantled and alienations

healed churches are often characterised by ugly division narrow tribalism and painful fragmentation In a world characterised by growing social division hostile identity politics and polarised cyber tribes all compounded by shrill voices on social media the author unfolds the profound biblical vision of true unity founded on the redemptive purposes of God to create a single new humanity This book provides crucial help for handling differences and overcoming division calling for attitudes and behaviour that portray Christ like character and reflect true Christian community Applying key biblical texts it addresses practical issues of handling conflict managing change using words wisely avoiding tribalism strengthening partnerships and building counter cultural community in the local church Urging us to make every effort to promote godly unity this is a thoughtful yet passionate call to remember that we are essentially one for the sake of God s honour and the credibility of our Christian witness in a fractured world
