He Shall Have Dominion A Postmillennial Eschatology

Michael L. Brown

He Shall Have Dominion A Postmillennial Eschatology:

He Shall Have Dominion Kenneth L Gentry, 2021-04-08 This book provides a thorough presentation of postmillennialism Postmillennialism is the eschatological system of Scripture that holds that the gospel of Jesus Christ will gradually win world wide sway The postmillennialist believes that one day before Christ returns the world as a system will be Christianized operating on biblical principles in all areas of life This will lead to a long period in which righteousness peace and prosperity will prevail in the earth He Shall Have Dominion argues for Christianity's dominance in world affairs by means of scores of Bible verses and numerous theological observations It provides three entire chapters answering objections to the postmillennial hope

He Shall Have Dominion Kenneth L Gentry, 2021-02-22 In this edition of this classic study of postmillennialism you will sense anew the powerful message of Psalm 72 that Christ shall have dominion from sea to sea Psalm 72:8 You will learn that God's word boldly promises that the whole earth will be filled with his glory Psalm 72:19 so that all nations will call him blessed Psalm 72:17 before Christ returns Many evangelicals today are concerned about those being Left Behind on this Late Great Planet Earth as it collapses into absolute chaos But the postmillennialist optimistically believes regarding Christ that He Shall Have Dominion throughout the earth In this book you will find the whole biblical rationale for the postmillennial hope from its incipient beginning in Genesis to its glorious conclusion in Revelation Your faith will be re invigorated as you begin to recognize that the gospel is the power of God unto salvation Romans 1:16 and that our Lord Jesus really meant it when he commanded us to go and make disciples of all the nations Matthew 28:19

He Shall Have Dominion Kenneth L. Gentry, 2009 **The End Times Controversy** Tim F. LaHaye, Thomas Ice, 2003 The author of the Left Behind series teams up with a noted prophecy expert to provide guidelines for interpreting Bible prophecy in a consistently accurate manner equipping readers with a concise understanding of what the Bible says about the future

Rethinking Eschatology Jason L. Quintern, 2025-01-23 In Rethinking Eschatology Jason L Quintern presents a compelling defense of postmillennialism a theological view that Christ's reign has already begun and is advancing throughout history Challenging popular end times scenarios of decline Quintern argues from a biblical and historical basis that the kingdom of God is progressively expanding through the global spread of the gospel Drawing on scholars like Kenneth Gentry and Keith Mathison he shows how the Scriptures depict a victorious ever growing Christian influence culminating in Christ's return and the final renewal of creation This book is ideal for students of Scripture church leaders and anyone seeking an optimistic and well reasoned perspective on God's plan for history and the future

The Last Days according to Jesus R. C. Sproul, 2015-10-06 A trusted theologian analyzes what Jesus said about his return and the last days **Three Views on the Millennium and Beyond** Zondervan, 2010-08-10 Is there biblical evidence for a thousand year earthly kingdom the Millennium ruled by Christ before the fulfillment of the new heaven and new earth Revelation chapter 20 seems to suggest so but few books of the Bible are so difficult to interpret And a discussion of the Millennium branches out into many other

theological questions about the end times eschatology Are these the last days What must happen before Jesus returns What part does the church play This Counterpoints volume compares three views of the Millennium Premillennial Christ will come again before this kingdom is established Postmillennial our present age represents that kingdom and that the church is and must move toward the fulfillment of this kingdom Amillennial a future Millennium is not a literal kingdom and when Christ returns he will usher in an immediate new heaven and new earth Robert B Strimple Kenneth L Gentry Jr and Craig A Blaising offer their perspectives giving their exegetical reasoning Each of them then responds to the views held by their peers in a respectful and informative setting making it easy for you to compare their beliefs and gain a better understanding of how this aspect of Christianity's great hope the return of Jesus is understood by the church The Counterpoints series presents a comparison and critique of scholarly views on topics important to Christians that are both fair minded and respectful of the biblical text Each volume is a one stop reference that allows readers to evaluate the different positions on a specific issue and form their own educated opinion

The Fulfillment of the Davidic Covenant Patrick W. Nasongo, 2019-01-01 The author discusses three major hermeneutical views concerning the fulfillment of the promises God made in the Davidic Covenant that is a house dynasty a kingdom realm and a throne right to rule He shows how the adherents of each view differ regarding the timing and nature of the fulfillment of each aspect He also investigates the hermeneutical methodology of each view to determine how they arrived at their conclusions and then he analyzes their conclusions from an exegetical perspective Furthermore he explains in detail and defends the view he considers to be biblical Most of all in an age where compromise on biblical interpretation has become the norm he encourages his readers to interpret the Scriptures according to the normal laws of language in order to arrive at their intended meaning I am honored to endorse this book for Patrick Nasongo His extensive research reveals why three prominent evangelical approaches differ in their interpretations of the fulfillment of the Davidic Covenant His analysis is fair and the reader will learn much about each methodology Larry A Tyler Ph D Dean Bowman School of Bible Theology Temple Baptist Seminary

The Great Tribulation--Past Or Future? Thomas Ice, Kenneth L. Gentry, This engaging book brings together the opposing viewpoints of two respected evangelicals on whether the Great Tribulation is a past present or future event This material is especially helpful in gaining an understanding of end times as the arguments are presented in a friendly debate format with responses by each author to the other's position

The Witness of Jesus, Paul and John Larry R. Helyer, 2023-07-17 This book introduces the reader to the discipline of biblical theology In part one Helyer discusses the central problem of the unity of the Bible and the various options that have been proposed He then argues for a vital connection between the testaments forming one grand story of redemptive history and one central theme the coming kingdom of God Part two takes up the theology of three major witnesses Jesus Paul and John In these three witnesses Helyer finds the center of New Testament thought He emphasizes the importance of Jesus teaching as foundational for all the other the New Testament witnesses Without overlooking the diversity and individuality of the major

witnesses he clearly demonstrates the theological unity that binds them together and provides the key to the enduring message of Scripture

Postmillennialism & the Imminent Return of Christ Travis Fentiman, 2025-06-17 A major share of the Reformation and puritan era held to post millennialism that only after the majority of the nations convert to Christianity in the Millennium Ps 22 26 31 Isa 2 2 5 Rev 20 4 etc will Christ come again It is sometimes posed as an objection to this that Christ may come back at any time therefore post millennialism is not true Yet most of Church history has recognized from Scripture that there are prophecies which must occur before Christ comes again hence Christ cannot come at any time This article demonstrates from the Scriptures that the Lord s standing at the door and coming quickly is consistent with a robust postmillennialism
