

The background of the image is a landscape with rolling hills under a dramatic, cloudy sky. A large, dark cross stands on the right side of the image. A bright, golden light source, possibly the sun or moon, is positioned behind the cross, creating a strong lens flare and illuminating the scene. The overall color palette is warm, with shades of orange, yellow, and brown.

Healing Power What It Is What To Do With It:

The Healing Power of God Stan Jantz, 2021-01-05 Do you really believe in miracles You believe God is who he says he is but it's easy for that belief to be more theoretical than practical You have faith he can heal you know he has performed miracles and you agree he does love you yet if you're honest you don't expect him to intervene supernaturally in your life The Healing Power of God is here to shatter those limited expectations of your Creator and let you realize his ability and willingness to do the impossible Author Stan Jantz will inspire you to embrace God's supernatural nature and increase your awareness of how God can work in your daily life This book will help you understand what obstacles keep you from accepting and anticipating miracles why recognizing God's supernatural character is an integral part of your faith how you can actively experience God's restorative touch on earth You don't have to wait for heaven to witness God's wondrous abilities in action The Healing Power of God will enable you to live each day confident that your heavenly Father's readiness to perform miracles is as real as it was in the times of the Bible Includes a 30 Day Devotional Journey to a Biblical Embrace of the Supernatural Today

The Healing Power of Self Love Oscar Bamwebaze Bamuhigire, 2009-02-06 In the field of alcoholism and drug addiction treatment there have always been questions for which there were no satisfactory answers Is substance abuse a problem of discipline or a disease Why is it that most alcoholics drug addicts do not seek for or receive treatment Why is it that only 5-10% of alcoholics drug addicts respond to treatment Why do untreated addicts have a better chance at breaking the bond of addiction than addicts who get treated Why has the incidence of recovery without the help of formal treatment continued to rise Are the successes of Alcoholics Anonymous A.A. nothing more than spontaneous remission Why are some people able to quit their addiction without treatment while others only get worse after treatment Why does treatment have a negative effect Why are some treatment programs more effective than others Why has the world continued to experience a steady increase in the rate of addiction and self destruction Why is it that 1 in 2 Americans has a diagnosable mental disorder each year and 81 Americans commit suicide every day Why do non-Hispanic blacks bear a disproportionate burden of disease injury death and disability Why do the most successful treatment programs for addicts have a spiritual component Why do non-white people suffer from a high rate of substance abuse and self destruction Why does Africa have the highest rate of suicide poverty and disease in the world Why are some treatment programs more effective than others Etc In a unique blend of psychology psychiatry metaphysics medicine orient and western religions The Healing Power of Self Love provides answers to these and many more questions In making its revolutionary contribution to the scientific world it also explains how addicts can enhance their chances of recovery from addiction through the treatment programs of their choice by utilizing the ancient tools of discipline lateral thinking and insight from the life experiences of the world's greatest leaders Even though this book was initially designed to meet the needs of alcoholics and drug addicts in treatment it may be of great value to people who are struggling with other types of addiction and to those who are faced with major obstacles to
