Health Care And Its Costs A Challenge For The Church:

Health Care and Its Costs Walter E. Wiest, 1988 This book of essays deals with the effect of the rising cost of health care in the U S and the ethical questions raised by them The book grows out of work done by a special Task Force of the Presbyterian Church U S A but treats the issues also from the standpoint of ordinary citizens concerned about a profound and pressing social problem The first three essays present factual information about our health care situation They also express ethical concern about the fact that with rising costs insurers are putting more of the expense of treatment back upon patients more than many can afford The next section contains essays on Christian ethical principles The final section of the book contains suggestions about how the church might show greater sensitivity to issues of health and healing in its own life and ministry

Historical Dictionary of the Reformed Churches Robert Benedetto, Donald K. McKim, 2009-10-06 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation The Reformed churches consider themselves to be the Catholic Church reformed The movement originated in the reform efforts of Huldrych Zwingli 1484-1531 of Zurich and John Calvin 1509-1564 of Geneva Although the Reformed movement was dependent upon many Protestant leaders it was Calvin's tireless work as a writer preacher teacher and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew Today the Reformed churches are a multicultural multiethnic and multinational phenomenon The second edition of the *Historical Dictionary of the Reformed Churches* contains information on the major personalities events facts movements and beliefs of the Reformed churches This is done through a list of acronyms and abbreviations a chronology an introductory essay appendixes a bibliography and over 800 cross referenced dictionary entries on leaders personalities events facts movements and beliefs of the Reformed churches

Historical Dictionary of the Reformed Churches Benedetto, Guder, McKim, 1999-11-03 A historical dictionary of Reformed churches It includes a detailed chronology followed by specific entries on the geographical regions where Reformed faith has been rooted Other entries are devoted to outstanding figures who have nurtured and shaped it

Health, Healing and the Church's Mission Willard M. Swartley, 2012-08-02 Does the Christian community have the resources to develop a coherent response to today's health care challenges In a comprehensive survey covering the full scope

of the Bible and three millennia of Christian belief and practice Willard Swartley fleshes out the central place of health care in the church's mission African Traditions in the Study of Religion, Diaspora and Gendered Societies Ezra

Chitando, 2016-04-01 The historiography of African religions and religions in Africa presents a remarkable shift from the study of Africa as Object to Africa as Subject thus translating the subject from obscurity into the global community of the academic study of religion This book presents a unique multidisciplinary exploration of African Traditions in the Study of Religion Diaspora and Gendered Societies The book is structured under two main sections The first provides insights into the interface between Religion and Society The second features African Diaspora together with Youth and Gender which have not yet featured prominently in studies on religion in Africa Contributors drawn from diverse African and global contexts situate current scholarly traditions of the study of African religions within the purview of academic encounter and exchanges with non African scholars and non African contexts African scholars enrich the study of religions from their respective academic and methodological orientations Jacob Kehinde Olupona stands out as a pioneer in the socio scientific interpretation of African indigenous religion and religions in Africa and the new African Diaspora This book honours his immense contribution to an emerging field of study and research **Racism in the United States** Meyer

Weinberg, 1990-05-21 This volume represents the most comprehensive book length bibliography on the subject of racism available in the United States Compiler Meyer Weinberg has surveyed a wide ranging group of material and classified it under 87 subject headings drawing on articles books congressional hearings and reports theses and dissertations research reports and investigative journalism Historical references cover the long history of racism while the heightened awareness and activity of the recent past is also addressed in detail In addition to works that fit the narrow definition of racism as a mode of oppression or group denial of rights based on color Weinberg includes references dealing with sexism antisemitism economic exploitation and similar forms of dehumanization References are grouped under a series of subject headings that include Civil Rights Desegregation Housing Socialism and Racism Unemployment and Violence against Minorities Items which do not have self explanatory titles are annotated and virtually every section is thoroughly cross referenced Also included is one section of carefully selected references on racism in countries other than the United States Unlike the remainder of the book this section is not comprehensive but rather provides an opportunity to view racism comparatively The volume concludes with an author index This work will be a significant addition to both academic and public libraries as well as an important resource for courses in racism sociology and black history *Healthcare and the Effect of Technology:*

Developments, Challenges and Advancements Kabene, Stefane M., 2010-03-31 This book examines current developments and challenges in the incorporation of ICT in the health system from the vantage point of patients providers and researchers The authors take an objective realistic view of the shift that will result for patients providers and the healthcare industry in general from the increased use of eHealth services Provided by publisher ReEngaging ELCA Social Teaching on Health

and Health Care Kathie Bender Schwich, 2025-07-01 Pastor and health care professional Kathie Bender Schwich traces the origins dimensions and legacy of the ELCA's 2003 social statement *Caring for Health Our Shared Endeavor* From the 2009 passage of the Affordable Care Act to new understandings of adverse childhood experiences and the social determinants of health much has changed but as Bender Schwich explains the theological underpinnings of the statement remain cogent expressions of our callings as individuals congregations and communities to care for ourselves and each other Bender Schwich's accessible prose helps readers understand how *Caring for Health* provides guidance for engaging difficult issues including palliative care end of life planning and equitable access to services After highlighting emergent issues ranging from the health impacts of climate change to the societal burdens of loneliness and burnout Bender Schwich shares creative and encouraging wisdom for congregations and communities seeking to discern how they're called to care for themselves and for others With thoughtful discussion questions and a list of recommended readings *ReEngaging ELCA Social Teaching on Health and Health Care* is a useful resource for both individual and group use **Getting Through the Dark Days of Caregiving** Carol Noren Johnson, 2019-02-07 This book is biographical practical and theological It covers strategies to help Christian counselors pastors caregivers and friends minister to the needs of care receivers Behaviors of dementia care receivers and others are detailed as are strategies for caregiver stress and facing the mourning that follows **Healthcare in the District of Columbia** United States. Congress. Senate. Committee on Appropriations, 2006 *Trends in Long-term Care* United States. Congress. Senate. Special Committee on Aging. Subcommittee on Long-Term Care, 1975 Quality of sexual and reproductive health care: strengths, gaps, and challenges for midwifery care Ramon Escuriet, Lorena Binfa, Loreto Pantoja, 2025-02-18 Poor quality of sexual and reproductive care SRC persists despite countries' commitments to international conferences The challenges posed by the COVID 19 pandemic reversed trends in maternal and neonatal mortality and contraception rates increasing unmet family planning needs and gender based violence Evidence shows that midwifery care has made an essential contribution to the development of high quality services in maternal and childcare The introduction of midwifery professionals trained according to international standards and integrated into the health system can provide around 90% of primary health care for women and newborns including family planning These skilled professionals can save lives and improve the health and well being of women and newborn infants at a scale unmatched by other health interventions Evidence identified 56 outcomes improved by the full scope of midwifery The weight of sexual and reproductive health on general health and wellbeing has a greater impact on women particularly those that are neglected to receive high quality SRC Providing high quality SRC demands more humanized and integrated efficient and effective services with a greater emphasis on quality both from a technical perspective and from the user experience Despite all the efforts the quality of SRC is still a challenge globally research is needed to identify best practices addressing quality care tailored to individuals implementation of models of care that enhance both well being and safety optimization of physiological processes
