**Hawkwood and the Towers of Pisa** Hubert Cole,1973     *John Hawkwood* William Caferro,2006-04-24 Winner 2008 Otto Gr ndler Book Prize The Medieval Institute Winner 2008 Otto Gr ndler Book Prize The Medieval Institute Notorious for his cleverness and daring John Hawkwood was the most feared mercenary in early Renaissance Italy Born in England Hawkwood began his career in France during the Hundred Years War and crossed into Italy with the famed White Company in 1361 From that time until his death in 1394 Hawkwood fought throughout the peninsula as a captain of armies in times of war and as a commander of marauding bands during times of peace He achieved international fame and city states constantly tried to outbid each other for his services for which he received money land and in the case of Florence citizenship a most unusual honor for an Englishman When Hawkwood died the Florentines buried him with great ceremony in their cathedral an honor denied their greatest poet Dante William Caferro s ambitious account of Hawkwood is both a biography and a study of warfare and statecraft Caferro has mined more than twenty archives in Britain and Italy creating an authoritative portrait of Hawkwood as an extraordinary military leader if not always an admirable human being     Sir John Hawkwood Stephen Cooper,2008-10-30 In Florence cathedral hangs a remarkable portrait by Uccello of Sir John Hawkwood the English soldier of fortune who commanded the Florentine army at the age of 70 and earned a formidable reputation as one of the foremost mercenaries of the late middle ages His life is an amazing story He rose from modest beginnings in an Essex village fought through the French campaigns of Edward III went to Italy when he was 40 and played a leading role in ceaseless strife of the city states that dominated that country His success over so many years in such a brutal and uncertain age was founded on his exceptional skill as a soldier and commander and it is this side of his career that Stephen Cooper explores in this perceptive and highly readable study     *Voices of the Renaissance* John A. Wagner,2022-02-04 The documents in this collection trace the course of the Renaissance in Italy and northern Europe describing the emergence of a vibrant and varied intellectual and artistic culture in various states cities and kingdoms *Voices of the Renaissance* Contemporary Accounts of Daily Life contains excerpts from 52 different documents relating to the period of European history known as the Renaissance In the 14th century the rise of humanism a philosophy based on the study of the languages literature and material culture of ancient Greece and Rome led to a sense of revitalization and renewal among the city states of northern Italy The political development and economic expansion of those cities provided the ideal conditions for humanist scholarship to flourish This period of literary artistic architectural and cultural flowering is today known as the Renaissance a term taken from the French and meaning rebirth The Italian Renaissance reached its height in the 15th and early 16th centuries In the 1490s the ideals of the Italian Renaissance spread north of the Alps and gave rise to a series of national cultural rebirths in various states In many places this Northern Renaissance extended into the 17th century when war and religious discord put an end to the Renaissance era     *Transnationalism in Ancient and Medieval Societies* Michael C.

Howard,2014-01-10 While scholars have long documented the migration of people in ancient and medieval times they have paid less attention to those who traveled across borders with some regularity This study of early transnational relations explores the routine interaction of people across the boundaries of empires tribal confederacies kingdoms and city states paying particular attention to the role of long distance trade along the Silk Road and maritime trade routes It examines the obstacles voyagers faced including limited travel and communication capabilities relatively poor geographical knowledge and the dangers of a fragmented and shifting political landscape and offers profiles of better known transnational elites such as the Hellenic scholar Herodotus and the Venetian merchant Marco Polo as well lesser known servants merchants and sailors By revealing the important political economic and cultural role cross border trade and travel played in ancient society this work demonstrates that transnationalism is not unique to modern times Instructors considering this book for use in a course may request an examination copy here **The New Beacon** ,1975 The Clique ,1976 Beau Brummell Hubert Cole,1977 Beau Brummell is familiar to everyone by name but to most people he is little more than a synonym for Regency elegance and dandyism In fact behind the affectations of Narcissus was an acutely intelligent lively generous attractive personality and in the end a tragedy A cornet in the 10th Dragoons Brummell caught the eye of that other great Dandy the Prince of Wales and captivated him with his wit For more than fifteen years thereafter Brummell dominated the English social scene At receptions and balls aristocratic mothers warned their daughters to be particularly pleasant to Mr Brummell as he could make or mar their fortunes with a quip But Brummell s fall was as rapid as his rise and in 1816 he had to flee the country to save himself from a debtors prison He died destitute in a French lunatic asylum in 1840 Publisher De Bellis Antiquitatis Version 3.0 Phil Barker,Sue Laflin-Barker,2018-07-05 DBA Version 3 0 updates the highly successful De Bellis Antiquitatis wargame rules for recreating ancient and medieval battles with miniature figures The brainchild of well known wargame designer Phil Barker and his wife Sue Laflin Barker the simple DBA rule system combines fast play play with historical realism to produce a visually realistic and exciting contest *DK Eyewitness Travel Guide Florence & Tuscany* DK,2015-03-02 DK Eyewitness Travel Guide Florence Tuscany will lead you straight to the best attractions the charming city of Florence and awe inspiring Tuscany region have to offer You ll find detailed listings of the best hotels restaurants bars and shops for all budgets in this fully updated guide plus in depth coverage of all the unforgettable sights in Florence and Tuscany This uniquely visual travel guide also includes illustrated cutaways of floor plans and reconstructions of the region s stunning architecture The maps are clearly marked with sights from the guidebook includes detailed street views of all the key areas Transportation maps and information on the most useful tickets to buy for your stay help you get the most out of your trip There s even a chart showing the walking distances between major sights and attractions DK Eyewitness Travel Guide Florence Tuscany shows you what others only tell you **Kaapse bibliotekaris** ,1973 Issues for Nov 1957 include section Accessions Aanwinste Sept 1957 *Sequels: Adult books* Mandy Hicken,1982 **Books and Bookmen** ,1972
