Literature and the Rise of the Interview

Rebecca Roach, 2018-11-15 Today interviews proliferate everywhere in newspapers on television and in anthologies as a method they are a major tool of medicine the law the social sciences oral history projects and journalism and in the book trade interviews with authors are a major promotional device We live in an interview society How did this happen What is it about the interview form that we find so appealing and horrifying Are we all just gossips or is there something more to it What are the implications of our reliance on this bizarre dynamic for publicity subjectivity and democracy Literature and the Rise of the Interview addresses these questions from the perspective of literary culture The book traces the ways in which the interview form has been conceived and deployed by writers and interviewing has been understood as a literary critical practice It excavates what we might call a poetics of the interview form and practice In so doing it covers 150 years and four continents It includes a diverse rostrum of well known writers such as Henry James T S Eliot Ezra Pound Djuna Barnes William Burroughs Philip Roth J M Coetzee and Toni Morrison while reintroducing some individuals that history has forgotten such as Betty Ross Queen of Interviewers and Julian Hawthorne Nathaniel's profligate son Together these stories expose the interview's position in the literary imagination and consider what this might tell us about conceptions of literature authorship and reading communities in modernity

Hawthorne in Concord Philip McFarland, 2018-09-01

A richly textured account of the writer's three sojourns in New England illuminates Hawthorne's art and the intellectual ferment originating in that small bucolic town Publishers Weekly On his wedding day in 1842 Nathaniel Hawthorne escorted his new wife Sophia to their first home the Old Manse in Concord Massachusetts There enriched by friendships with Thoreau and Emerson he enjoyed an idyllic time But three years later unable to make enough money from his writing he returned ingloriously with his wife and infant daughter to live in his mother's home in Salem In 1853 Hawthorne moved back to Concord now the renowned author of The Scarlet Letter and The House of the Seven Gables Eager to resume writing fiction at the scene of his earlier happiness he assembled a biography of his college friend Franklin Pierce who was running for president When Pierce won the election Hawthorne was appointed the lucrative post of consul in Liverpool Coming home from Europe in 1860

Hawthorne settled down in Concord once more He tried to take up writing one last time but deteriorating health found him withdrawing into private life In Hawthorne in Concord acclaimed historian Philip McFarland paints a revealing portrait of this well loved American author during three distinct periods of his life spent in the bucolic village of Concord Massachusetts

I don't know when I have read a book as satisfying as Hawthorne in Concord David Herbert Donald

Elizabeth Manning

Hawthorne Elizabeth Manning Hawthorne, 2006 An annotated selection of unpublished letters by Nathaniel Hawthorne's sister Retrieved from seven different libraries this corpus of letters was preserved by the Manning family chiefly for their value as records of Nathaniel Hawthorne's life and work but they ironically also illuminate the life and mind of a fascinating

correspondent and citizen of New England with incisive views and commentaries on her contemporaries her role as a woman writer Boston and Salem literary culture and family life in mid 19th century America This book illuminates Elizabeth s early life the trauma caused for sister and brother by the death of their father her and her brother s education and the tensions the two children experienced when they moved in with their mother s family the wealthier Mannings instead of the poorer though socially more venerable Hawthornes following their father s death The letters portray Elizabeth s constrained relationship with Nathaniel s wife Sofia Peabody and counter Sophia s portrayal of her sister in law as a recluse oddity and queer scribbler These 118 letters also reveal Elizabeth Hawthorne s tremendous gifts as a thinker correspondent and essayist her interest in astronomy a lifelong drive toward self edification in many fields and her extraordinary relationship with Nathaniel As a sibling and a fellow author they were sometimes lovingly codependent and sometimes competitive Finally her writing reveals the larger worlds of politics war the literary landscape class family life and the freedoms and constraints of a woman s role all by a heretofore understudied figure Sophia Peabody Hawthorne Patricia Dunlavy Valenti,2015-05-26 As is often the case with spouses of celebrities Sophia Peabody Hawthorne was overshadowed by her husband While Nathaniel Hawthorne is renowned for numerous publications including *The Scarlet Letter* that staple in high school English curricula Sophia s remarkable life and career did not receive the recognition they deserve She was however a source for many of Nathaniel s stories and responsible for much that he accomplished Sophia was an artist one of the first in America to earn income from her painting and decorative arts she was also a writer and traveler to foreign countries at a time when women typically confined their activities to the home Patricia Dunlavy Valenti began to tell this story in *Sophia Peabody Hawthorne A Life Volume 1 1809 1847* 2004 This biography concludes now in a second volume which details the less examined and more surprising second half of Sophia s life Valenti s thorough research culminates in a compelling revealing account of Sophia s travels to Britain and Europe and her intense personal relationships outside her marriage with men and women among them notable figures in American history and literature As an impoverished widow Sophia dealt resourcefully with the consequences of her husband s financial carelessness as a mother her liberal practices resulted in unintended sometimes unfortunate consequences Throughout every vicissitude her relentless optimism prevailed With the publication of *Sophia Peabody Hawthorne A Life Volume 2 1848 1871* Sophia emerges forever from the shadow cast by her husband Historians and general readers alike will be drawn to this riveting account of an interesting important woman and what her life reveals about American history and culture at a moment of national conflict emerging class divisions and evolving gender roles

George Moore on Parnassus George Moore,O M. Brack,1988 Through the letters and commentary in this volume the Irish writer George Moore is revealed as a man and artist far more complex and important than most works on him suggest one who played a significant role in the Irish Literary Renaissance **John L. O'Sullivan and His Times** Robert Sampson,2003 The life of nineteenth century journalist diplomat adventurer and enthusiast for lost causes John Louis O

Sullivan is usually glimpsed only in brief episodes perhaps because the components of his life are sometimes contradictory An exponent of romantic democracy O Sullivan became a defender of slavery A champion of reforms for women labor criminals and public schools he ended his life promoting spiritualism This first full length biography reveals a man possessed of the idealism and promise as well as the prejudices and follies of his age a man who sensed the revolutionary and liberating potential of radical democracy but was unable to acknowledge the racial barriers it had to cross to fulfill its promise Sure to be welcomed by scholars of the Jacksonian era and others interested in nineteenth century American history John L O Sullivan and His Times presents an in depth examination of O Sullivan s ideas as they were expressed in the Democratic Review and other newspapers and literary magazines that he edited O Sullivan was a crusader whose efforts to end capital punishment came within a hair s breadth of ending hanging in New York an editor who called down the w Encyclopedia of American Literature Manly, Inc.,2013-06 Susan Clair Imbarrato Carol Berkin Brett Barney Lisa Paddock Matthew J Brucoli George Parker Anderson Judith S **Becoming William James** Howard M. Feinstein,2021-02-23 Jointly published by Plunkett Lake Press and Cornell University Press In the early years of my psychotherapeutic practice I was struck by the pervasive uncertainty that many of my patients both young and not so young felt about their work lives I soon became dissatisfied with constructions that depended solely on internal conflict for an explanation when there was so obviously a cultural and historical dimension to the problem I decided to embark on a more extended study of the James family I found the Jameses to be vivid personalities with a gift for self scrutiny and an enviable habit of weekly letter writing and letter saving that spans American history from the close of the American Revolution to the end of the first World War They could I thought be looked upon as an avant garde with characteristics that are commonplace now but were unusual then They were urban and educated with sufficient means to have genuine choices Hoping to discover the historical and cultural context for what I heard and saw in my consultation room I set out to harvest the James family experience Howard M Feinstein Introduction to the 1999 edition of *Becoming William James* *Becoming William James* was a finalist for the Pulitzer Prize in Biography in 1985 Howard Feinstein has written a brilliant study of William s crises over idleness illness and vocation within the context of intense parental and sibling entanglement London Review of Books Dr Feinstein s book is certainly a success He has offered us a rich new vocabulary with which to describe William James Willard Gaylin The New York Times Howard M Feinstein a psychiatrist and historian has finally given us a life study equal in richness to James himself a superb developmental biography Dorothy Ross The American Historical Review *Becoming William James* is a work of painstaking scholarship written in an engaging and energetic style Feinstein is also to be commended for a playful sense of irony which prevents this psychobiographical study from degenerating as others have into a series of diagnostic vignettes an excellent study Brian Mahan The Journal of Religion The best and truest thing one could say about the richly provocative *Becoming William James* is that William while perhaps raising an eyebrow here and there would have welcomed it and praised it

lavishly Times Literary Supplement Feinstein offers us much new or reevaluated information about James and his family In particular he offers a series of challenges to the received views of James s life the nature of his relationship with his father and brother Henry the causes of his abandonment of a career as a painter the etiology of his various crises James Campbell CrossCurrents Feinstein s volume presents a finely nuanced reading of the internal Sturm und Drang of William James s early years he places center stage the familial conflicts over vocation Feinstein s deep penetration into the documentary sources of the James family history unearths many new insights and facts George Cotkin American Quarterly A solidly documented steadily perceptive and long overdue biography Feinstein s thesis is strong in its outline rich in its detail Feinstein sheds penetrating light into the darker regions of one of America s great families Kirkus Since its first publication in 1984 the book has been highly praised for its imaginative yet painstaking exploration of the parent child and sibling relationships of one of America s most complexly gifted families Marcus Cunliffe American Studies International Becoming William James does much to restore the intellectual respectability of psychoanalytic history Written by a historian and psychiatrist with a sensitivity to the nuances and rich subtlety of emotional phenomena the book depicts the early turmoils and ultimate triumphs of one of America s great philosophers And it does so without succumbing to the crude reductionism that plagues psychohistory in the hands of amateur psychologists a solid achievement The writing is vivid and well paced the research is thorough John Patrick Diggins Reviews in American History Becoming William James is a psychobiography of James that covers the early part of his life James begs for this sort of treatment Feinstein is well equipped to undertake such a biography He is professionally qualified as a psychiatrist but is also an indefatigable researcher and industrious historian possibly the finest work yet to appear in the genre of psychohistory On every page the author s intelligence is at work Bruce Kuklick American Journal of Education Howard M Feinstein has written a remarkable biography of William James that narrates the course of his character development up to the year he was formally appointed to Harvard s Philosophy Department as an Assistant Professor in 1880 Feinstein s work is revisionary in the best sense Feinstein argues persistently and persuasively that intergenerational battles between father and son cultural variants to be sure accounted more than anything else for William James s personal and professional development which indeed were one and the same Henry Samuel Levinson Transactions of the Charles S Peirce Society A well focused theme and inventive but rigorous scholarship mean that Howard M Feinstein s study of the first three decades in the life of William James is timely and valuable Steven Weiland The Journal of American History Feinstein s chronicle is absorbing Lawrence Willson The Sewanee Review This absorbing study of the intergenerational effects one famous family had upon its individual members remains invaluable Seana Graham Simply Charly Sherlock Holmes and the Adventure of the American Scalawag Daniel D. Victor, 2025-09-04 In 1887 on his way to prison the convicted murderer Vincent Louder Lovelace was killed in a horrific collision in London between a police wagon and an omnibus Though Lovelace never kept his date with the hangman his accidental death resulted in justice being served

Or so the authorities continued to believe until the arrival at 221B Baker Street of the American author Julian Hawthorne son of the famous writer Nathaniel Hawthorne Julian informs Sherlock Holmes that the dead man is not only alive and well but also innocent of murder As Holmes begins to uncover incriminating facts he is confronted by deadly threats from the real killer who insists such details must remain hidden In the end Holmes and Dr Watson can only hope that their wits and an erratic Julian Hawthorne will enable them to identify the true perpetrator of the grisly crime

The Gothic's Gothic (Routledge Revivals) Benjamin Franklin Fisher IV, 2016-05-05 First published in 1988 this book aims to provide keys to the study of Gothicism in British and American literature It gathers together much material that had not been cited in previous works of this kind and secondary works relevant to literary Gothicism biographies memoirs and graphic arts Part one cites items pertaining to significant authors of Gothic works and part two consists of subject headings offering information about broad topics that evolve from or that have been linked with Gothicism Three indexes are also provided to expedite searches for the contents of the entries This book will be of interest to students of literature

The Letters of Jessie Benton Frémont Jessie Benton Frémont, 1993 Bold talented and ambitious Jessie Benton Fremont was one of Victorian America's most controversial women As the daughter of powerful Senator Thomas Hart Benton of Missouri and the wife of John Charles Fremont western explorer presidential candidate and Civil War general she not only witnessed but struggled to influence many of the major events of her time Despite the restrictions she faced as a woman she managed to carve out a vital role for herself as a writer dedicated abolitionist and secretary and other self to her mercurial husband She collaborated on his best selling exploration reports served as his behind the scenes political advisor and chief Civil War aide and worked as a lobbyist for Arizona mining interests In *The Letters of Jessie Benton Fremont* Pamela Herr and Mary Lee Spence create a compelling portrait of this remarkable woman They supplement their collection of 271 fully annotated letters selected from 800 they uncovered with an elegant introduction and seven authoritative chapter essays that elucidate the significant periods of her life The correspondents range from intimate friends like Elizabeth Blair Lee to public figures like Horace Greeley Abraham Lincoln Dorothea Dix John Greenleaf Whittier Elizabeth Palmer Peabody William T Sherman and Theodore Roosevelt Readers interested in women's studies the westward movement the Civil War and the Gilded Age will find a rich source in *The Letters of Jessie Benton Fremont*
