**He Talks with Me** Mildred B. Steves, Billie Steves, 1998      Private Voices: The Diaries of Elizabeth Gaskell and Sophia Holland J A V Chapple, 2019-06-01 These two diaries by the nineteenth century novelist Elizabeth Gaskell and her cousin Sophia Holland provide us with uniquely personal and revealing accounts of Victorian womanhood and motherhood This is the first critical edition of the Gaskell diary and the first ever publication of the Holland diary The Gaskells were among the first generation of parents to experience the benefits and burdens of an abundance of child care literature Both Elizaeth and Sophia reveal themselves here as anxious to be seen as conscientious and well informed mothers but as confused as contemporary parents by the conflicting advice to be found within the pages of the so called experts As a piece of social history these diaries document the challenges dilemmas and rewards of Victorian parenthood As a piece of literature there is no doubt that in cultivating the powers of observation to be found in her diary Elizabeth was laying the foundation for the wider social vision to be found in her novels Both works have been carefully edited and annotated from their original manuscripts by J A V Chapple and are accompanied by an illuminating introduction by Anita Wilson      *Be Still* Shalise Jacobsen, 2024-04-17 My story includes the history of my marriage to a man who struggles with homosexuality along with the challenges of raising two special needs foster children and my own young son It speaks of the very real pain and very real blessings that came as I persevered through a nine year marriage and the years of single parenting that followed I have no doubt that God is real it is the stillness that I struggle with Why is it so hard to be still Sometimes it is easy to forget that whatever is happening in our lives is part of God's plan We are often sent down paths that we might not choose for ourselves I am slowly learning to willingly go down whatever path heavenly Father chooses for me I know that heavenly Father has our happiness in mind at all times He knows us better than we know ourselves My hope in making this story public is that others may come to understand the challenges that many families face when homosexuality touches their lives It is a very real heartbreaking soul defining struggle It is also my hope that those who are dealing with any challenge whatever it may be will come to know that our Father and His perfect selfless Son will lift strengthen and carry us through every trial Because of our Savior we can find stillness during our darkest hours      *Joy Gets the Last Word* Carol Schreiber, 2022-05-16 Many people after their divorce don't know what their purpose is They're drifting searching but don't even know what they're searching for God has a plan and a purpose for your life When we are in the center of His will He will help you be the person He wants you to be Rest your soul in Him and you will find your peace and purpose because He doesn't want your life to just be enough He wants it to be more than enough He wants you to have the abundant life John 10:10 God will show up in your life to teach you that He is more than enough This book will help you find true joy after divorce By following the steps laid out God will give you crazy good belly laughing life transforming serving HIM joy after divorce Wait til you see how He does it      **How I Know God Answers Prayer: The Personal Testimony of One Life-Time** Rosalind Goforth, 2019-11-21 In How I Know God

Answers Prayer The Personal Testimony of One Life Time Rosalind Goforth presents a deeply introspective narrative that intertwines personal anecdotes and spiritual reflections The book is structured around poignant moments of her life illustrating how prayer served as a sustaining force through trials and triumphs Goforth s literary style is characterized by sincerity and simplicity infused with a didactic tone that beckons readers to examine their own faith journeys This work finds its context within the early 20th century evangelical thought echoing the spiritual fervor of the time while offering profound insights into the transformative power of prayer Rosalind Goforth a prominent missionary and author draws heavily from her rich experiences in China alongside her husband Jonathan Goforth Her endeavors in missionary work undoubtedly shaped her understanding of prayer revealing it as both a personal lifeline and a communal bond among believers Goforth s life and writings reflect a deep commitment to her faith illustrating the lived realities of a woman navigating both joy and hardship in the service of her beliefs This book is highly recommended for anyone seeking a deeper understanding of prayer s role in their spiritual life as well as for those interested in early 20th century missionary experiences Goforth s testimony is not just a personal chronicle but a universal invitation for readers to explore how prayer can be a source of divine connection and assurance in their own lives

**How I Know God Answers Prayer** Rosalind Goforth,1921 IT seems fitting that this little book of personal testimonies to answered prayer should have a brief introductory word as to how they came to be written The question has been asked by some who read many of these testimonies as they appeared in the pages of The Sunday School Times How could you write such personal and sacred incidents in your life I could not have written them but for a very clear God given leading The story is as follows When in Canada on our first furloughs I was frequently amazed at the incredulity expressed when definite testimony was given to an answer to prayer Sometimes this was shown by an expressive shrug of the shoulders sometimes by a sudden silence or turning of the topic of conversation and sometimes more openly by the query How do you know that it might not have happened so anyway Gradually the impression deepened If they will not believe one two or a dozen testimonies will they believe the combined testimonies of one whole life The more I thought of what it would mean to record the sacred incidents connected with answers to prayer the more I shrank from the publicity and from undertaking the task There were dozens of answers far too sacred for the public eye which were known only to a few others known only to God But if the record were to carry weight with those who did not believe in the supernatural element in prayer many personal and scarcely less sacred incidents must of necessity be made public
