He Who Serves Hu George C. Retherford,2001-11-22 Those who have discovered and cultivate their imaginations explore endless galaxies unending dimensions and timeless travels within their conscious awareness These are those who have been chosen by the great HU to ride the waves of Light and Sound aiding in the healing of His lower worlds of creation Lord Region has passed all the tests He has learned all the disciplines He is ready to do battle with and ensnare the one that causes all the worlds to tremble But this servant of the God Kal is elusive and cunning His intellect is genius In this book is a tantalizing climax to a trilogy wherein Lord Region learns more about himself than even he wants to know Your inner senses will come alive as you live this final episode Within your mind s eye you will question Does this tale in fact actually relate to these times of terrorists and corrupted ethical concepts Or is there an even deeper and greater meaning hidden in the wellspring of the telling
