sensitivity and diversity are explored because it is recognised that these are themes that have been neglected in discussions about spiritual assessment. It provides nurses and other healthcare professionals with a valuable resource that will assist them with identifying and meeting their patients and clients' spiritual needs. The book is as previously commended by providing an overview of what is meant by spirituality; this operational definition is derived from the authors' research and experiences in teaching these subjects to a wide range of healthcare professionals. The updated and expanded text will assist readers to engage with the conceptual and theoretical challenges and developments associated with spirituality and spiritual care. The book offers very practical insights and steps for introducing and advancing spiritual assessment in a wide range of healthcare settings. The adoption of a life span approach means that concepts such as spirituality, spiritual care and assessment can be better understood by healthcare professionals working in specialist fields of practice. Each chapter will draw upon up to date evidence to demonstrate the development of both the art and science of spiritual assessment. The book will continue to challenge contemporary thinking, asking for healthcare professionals working within a diverse range of care settings, organisations, institutions, educational contexts to evaluate their practice in relation to spiritual assessment. A primary goal of this 2nd Edition is to continue to advance thinking and practice in spiritual assessment by using a lifespan approach that offers insight into the dilemmas, obstacles, deficits that inhibit or prevent nurses and other allied healthcare providers from supporting clients and patients with their spiritual needs.

The Art of Sensing Carole Obley, 2025-04-29 Simple, clear spiritual awareness techniques to conquer fear, open intuition and transcend life difficulties.

So you want to be a Medium Rose Vanden Eynden, 2025-08-05 Are you fascinated by the spirit world? Wish you could communicate with loved ones on the Other Side? According to Spiritualist minister Rose Vanden Eynden, everyone possesses innate capabilities for spirit communication. Emphasizing the principles of modern Spiritualism, *So You Want to Be a Medium* demonstrates how to enhance one's spiritual senses for working between worlds. Through exercises involving meditation, breathing, dream work, symbols and energy systems, the author teaches how to prepare one's mind and body for spiritual communication. Readers also learn about the many kinds of spirit guides and elemental energies, how to get in touch with them and how to interpret their messages. Whether you're seeking to become a professional medium or simply interested in a closer connection to Creator, this fascinating guide to the spirit world can enrich your spiritual life no matter what your religious background.
