The Healing Power of Your Subconscious Mind Dr. Joseph Murphy, 2019-10-22 Your thoughts and feelings create your destiny. Whatever your conscious and subconscious minds agree upon will come to pass. Think of illness and you will be ill. Think of happiness and you will be happy. You have the power to control what goes into your mind. Instead of dwelling on depressing and life-sapping thoughts, feed your subconscious with life-giving patterns and your actions and reactions will match your thoughts. In *The Healing Power of Your Subconscious Mind*, Dr. Murphy gives you the tools to reprogram your mind to change the nature of your thoughts from debilitating negativism to inspiring affirmation.

The Power of Your Subconscious Mind Joseph Murphy, 2008-08-26 The bestseller by a preeminent teacher of the New Thought movement, now revised and expanded with never before published commentary from the author. One of the bestselling self-help books of all time, *The Power of Your Subconscious Mind* has helped millions around the world achieve remarkable goals simply by changing the way they think. Dr. Murphy's mind-focusing techniques are based on a simple principle: If you believe in something without reservation and picture it in your mind, you can remove the subconscious obstacles that prevent you from achieving the results you want, and your belief can become a reality. As an advocate of what is now popularly known as the Law of Attraction, Murphy shows that anyone can unleash extraordinary mental powers to build self-confidence, to create harmonious relationships, to gain professional success, to amass wealth, to conquer fears and phobias, to banish bad habits, and even to effect physical healing and promote overall well-being and happiness.
