Healing Conversations David Roberts, 2020-04-07 Brings to life the seven elements of how to have deep and fulfilling interactions so that people can connect in a world with many conversational obstacles Conversation is the way human beings connect Great friendships are defined by the way one speaks listens and flows through the joy of effortless conversation As the divisions in culture deepen due to politics generational misunderstanding the complexity of gender the struggle to be politically correct and every other possible human condition conversation is becoming more and more dangerous Most people feel an ever increasing need to be careful with their words It may be good to be thoughtful of language but this is a new kind of carefulness The anxiety of culture is leading people to communicate less and that leads to isolation and divisiveness Healing Conversations is a simple way to revolutionize communication It offers practical help to

allow readers to talk their way out of conflict and loneliness Within Healing Conversations Dave Roberts helps readers to learn gain perspective grow accomplish real work come together for a greater good but even more helps them to feel intimately connected to the people around them again through the power of conversation Roberts lead pastor of Montrose Church in Montrose Calif explores in this insightful debut a type of conversation called relational talking which is characterized by the goals of hospitality openness and an eagerness to understand others Publishers Weekly Profound and practical Healing Conversations is a chance to learn how to invite people to share their truest selves with us without our self focused agendas and any need to be right Debbie Payne Producer Director Cumulus Media Healing Conversations Nance Guilmartin,2010-05-17 Whether it s the loss of a job a marriage or a life in today s 24 7 world we re increasingly faced with uncomfortable situations where we don t know what to say yet we re called upon to quickly respond online or in person We may fumble avoid contact or simply walk away perplexed thinking we have done a bad job of responding to our friends family neighbors clients and co workers How do we pause listen and offer comfort in those hard moments Filled with touching stories this practical guide helps us step into someone else s shoes so that we can empathetically learn how to respond in times of need The revised compact edition includes a new introduction index and short reflections at the end of each chapter to help readers become more comfortable and effective when offering or accepting comfort in their demanding lives
