the same cruise is selling for 895 We give both the rack rates and the discount price for every cruise in the Caribbean This feature alone makes Frommer's Caribbean Cruises and Ports of Call by far the most valuable trip planning book among cruise guides Our author a noted cruise expert who has personally checked out every ship sailing the Caribbean offers candid and unbiased opinions on them all She's completely up to date with all the latest developments and the newest ships You'll also get complete coverage of 34 Caribbean port destinations with advice on how to spend your limited time ashore
