**Christian Perspectives on Politics** J. Philip Wogaman, 2000-01-01 Minister Wogaman updates his comprehensive discussions on the meaning and importance of politics the history of Christian political thought and church state relations the legislation of social morality and criminal justice issues *Religion in the Oval Office* Gary Scott Smith, 2015-02-27 In his highly praised book *Faith and the Presidency* Gary Scott Smith cast a revealing light on the role religion has played in presidential politics throughout our nation s history offering comprehensive even handed examinations of the role of religion in the lives politics and policies of eleven presidents Now in *Religion in the Oval Office* Smith takes on eleven more of our nation s most interesting and influential chief executives John Adams James Madison John Quincy Adams Andrew Jackson William McKinley Herbert Hoover Harry Truman Richard Nixon George H W Bush Bill Clinton and Barack Obama Drawing on a wide range of sources and paying close attention to historical context and America s shifting social and moral values he examines their religious beliefs commitments affiliations and practices and scrutinizes their relationships with religious leaders and communities The result is a fascinating account of the ways in which religion has helped shape the course of our history From John Quincy Adams treatment of Native Americans to Harry Truman s decision to recognize Israel to Bill Clinton s promotion of religious liberty and welfare reform to Barack Obama s policies on poverty and gay rights Smith shows how strongly our presidents religious commitments have affected policy from the earliest days of our nation to the present Together with *Faith and the Presidency* *Religion in the Oval Office* provides the most comprehensive examination of the inseparable and intriguing relationship between faith and the American presidency This book will be invaluable to anyone interested in the presidency and the role of religion in politics *An Unexpected Journey* J. Philip Wogaman, 2004-01-01 J Philip Wogaman offers candid reflections on his service as Senior Minister at Foundry United Methodist Church in Washington D C an unexpected journey that he began at the age of sixty following a full career as an ethics professor Wogaman chronicles the tasks he faced as a new pastor tasks with which every pastor deals effective and faithful preaching balancing pastoral and prophetic roles presenting the church to the pubic media dealing with prominent church members and addressing stewardship He also discusses the challenges of succeeding a long loved pastor who departed under a cloud the responsibilities of pastoring to a president and his efforts to balance the roles of a pastor against such a dramatic backdrop Identifying his own successes and mistakes Wogaman provides fresh insights on parish ministry that are sure to become guideposts for all pastors **The Age of Evangelicalism** Steven Patrick Miller, 2014 At the start of the twenty first century America was awash in a sea of evangelical talk *The Purpose Driven Life* Joel Osteen *The Left Behind* novels George W Bush Evangelicalism had become so powerful and pervasive that political scientist Alan Wolfe wrote of a sense in which we are all evangelicals now Steven P Miller offers a dramatically different perspective the Bush years he argues did not mark the pinnacle of evangelical influence but rather the beginning of its decline *The Age of Evangelicalism* chronicles the place and

meaning of evangelical Christianity in America since 1970 a period Miller defines as America's born again years This was a time of evangelical scares born again spectacles and battles over faith in the public square From the Jesus chic of the 1970s to the satanism panic of the 1980s the culture wars of the 1990s and the faith based vogue of the early 2000s evangelicalism expanded beyond churches and entered the mainstream in ways both subtly and obviously influential Born again Christianity permeated nearly every area of American life It was broad enough to encompass Hal Lindsey's doomsday prophecies and Marabel Morgan's sex advice Jerry Falwell and Jimmy Carter It made an unlikely convert of Bob Dylan and an unlikely president of a divorced Hollywood actor As Miller shows evangelicalism influenced not only its devotees but its many detractors religious conservatives secular liberals and just about everyone in between The Age of Evangelicalism contained multitudes it was the age of Christian hippies and the silent majority of Footloose and The Passion of the Christ of Tammy Faye Bakker the disgraced televangelist and Tammy Faye Messner the gay icon Barack Obama was as much a part of it as Billy Graham The Age of Evangelicalism tells the captivating story of how born again Christianity shaped the cultural and political climate in which millions of Americans came to terms with their times A Spiritual Life Allan Hugh Cole Jr.,2011-04-19 This revealing collection presents a selection of twenty poets prophets and preachers who share their understandings of what makes a good spiritual life They draw on their professional experiences and as important grace us with their personal thoughts The result is essentially a textbook for spirituality courses exposing readers to the spiritual lives of a wonderfully diverse group of people with a wide range of Christian experiences Every reader is sure to find a perspective with which he or she can identify **Religion, Race, and the American Presidency** Gaston Espinosa,2008-08-22 The role that race and religion play in American presidential elections is attracting national attention like never before The 2008 presidential candidates reached out to an unprecedented number of racial and religious voting constituencies including African Americans Latinos Muslims Mainline Protestants Catholics Evangelicals Jews women the non religious and more Religion Race and the American Presidency focuses on the roles of these racial and religious groups in presidential elections over the last forty years and in elections since 2000 in particular Drawing upon survey data interviews and case studies of recent presidents the contributors examine the complicated relationships between American presidents and key racial and religious groups The paperback edition features a new capstone chapter on the 2008 elections Contributions by Brian Robert Calfano David G Dalin Paul A Djupe Gaston Espinosa John C Green Melissa V Harris Lacewell Lyman A Kellstedt So Young Kim David C Leege Laura R Olson Corwin Smidt Katherine E Stenger and Adam L Warber Religion and the American Presidency Gastón Espinosa,2009 This book challenges the idea that the mixing of religion and presidential politics is a new phenomenon It explores how presidents have drawn on their religious upbringing rhetoric ideas and beliefs to promote their domestic and foreign policies to the nation This influence is evident in Washington's decision to add so help me God to the presidential oath accusations by Obama's supporters that Jefferson was an infidel Lincoln's biblical metaphors during the Civil

War and FDR's call to fight against Nazi totalitarianism on behalf of Judeo-Christian civilization. It is also apparent in Truman's support for Israel, Eisenhower's Cold War decision to add "In God We Trust" on American currency, the debate over JFK's Catholicism, Jimmy Carter's born-again Christianity, Reagan's Evil Empire speech, Clinton's public repentance, and George W. Bush's crusade against Islamic terrorists. This volume explores these issues of religion and power in the presidencies of Washington, Jefferson, Madison, Lincoln, FDR, Truman, Eisenhower, JFK, Carter, Reagan, George H. W. Bush, Clinton, and George W. Bush through scholarly interpretations, primary sources, and illustrations.

**From Midterms to Ministry** Allan Hugh Cole, 2008-07-02. The distinguished contributors to this volume—ministers, scholars, and theological educators—share personal reflections on the sometimes difficult transition from being a seminarian to becoming a minister. Based on their own life experiences, they address the two related but different worlds of theological school and ministry settings, each with its own set of expectations, values, challenges, focal points, and rewards. Multiculturalism and the Politics of Guilt Paul Edward Gottfried, 2004-01-02. *Multiculturalism and the Politics of Guilt* extends Paul Gottfried's examination of Western managerial government's growth in the last third of the twentieth century. Linking multiculturalism to a distinctive political and religious context, the book argues that welfare state democracy, unlike bourgeois liberalism, has rejected the once conventional distinction between government and civil society. Gottfried argues that the West's relentless celebrations of diversity have resulted in the downgrading of the once dominant Western culture. The moral rationale of government has become the consciousness-raising of a presumed majority population. While welfare states continue to provide entitlements and fulfill the other material programs of older welfare regimes, they have ceased to make qualitative leaps in the direction of social democracy. For the new political elite, nationalization and income redistributions have become less significant than controlling the speech and thought of democratic citizens. An escalating hostility toward the bourgeois Christian past, explicit or at least implicit in the policies undertaken by the West and urged by the media, is characteristic of what Gottfried labels an emerging therapeutic state. For Gottfried, acceptance of an intrusive political correctness has transformed the religious consciousness of Western, particularly Protestant, society. The casting of true Christianity as a religion of sensitivity only toward victims has created a precondition for extensive social engineering. Gottfried examines late twentieth-century liberal Christianity as the promoter of the politics of guilt. Metaphysical guilt has been transformed into self-abasement in relation to the suffering just identified with racial, cultural, and lifestyle minorities. Unlike earlier proponents of religious liberalism, the therapeutic statist opposes anything, including empirical knowledge, that impedes the expression of social and cultural guilt in an effort to raise the self.

esteem of designated victims Equally troubling to Gottfried is the growth of an American empire that is influencing European values and fashions Europeans have begun he says to embrace the multicultural movement that originated with American liberal Protestantism's emphasis on diversity as essential for democracy He sees Europeans bringing authoritarian zeal to enforcing ideas and behavior imported from the United States Multiculturalism and the Politics of Guilt extends the arguments of the author's earlier *After Liberalism* Whether one challenges or supports Gottfried's conclusions all will profit from a careful reading of this latest diagnosis of the American condition      **Street-Smart Ethics** Clinton W. McLemore, 2003-02-28

Success as it is currently defined usually depends on winning beating the competition which often places incredible pressures on business professionals With engaging writing and a lack of jargon this book navigates executives managers and supervisors through the ethical decisions they must make every day *Street Smart Ethics* is divided into three sections a primer on ethics a collection of Proverbs based guidelines for staying out of trouble and a self test that contains true false questions and ethical brainteasers      **An Affair of State** Richard A. Posner, 2009-07-01 Posner presents a balanced and scholarly understanding of President Clinton's year of crisis which began when his affair with Monica Lewinsky was revealed in January 1998 clarifying the issues involved assessing the conduct of Independent Counsel Kenneth Starr and examining the pros and cons of impeachment      *Prison Ministry* Dennis W. Pierce, 2014-01-02 Show the incarcerated how to find forgiveness in unforgiving surroundings As the prison population in the United States increases by more than 1 000 inmates each week prison ministry programs must have a working blueprint for dealing with the shame humiliation hate and loneliness of incarceration at both the adult correctional and juvenile detention probation levels *Prison Ministry Hope Behind the Wall* demonstrates how a ministry can adapt Latin American Liberation theology to address oppression and bring prisoners into the community of Christ Author Dennis Pierce former chaplain at the Joliet Correctional Center in Illinois where the Fox Network's 2005 *Prison Break* series is filmed presents a functioning approach to forgiveness and reconciliation combining pastoral counseling Christian education Bible studies and worship to help inmates develop self esteem and an overall feeling of self worth through compassion and empathy *Prison Ministry Hope Behind the Wall* provides an alternative resource on our prison system for chaplains pastors priests and students working in theology ethics or counseling Instead of the usual descriptive narratives of inmates lives or discussions of statistical approaches this unique book combines a theological model with a viable programmatic approach to confront the oppression of incarceration and reverse its effects The book looks at the vital issues facing juveniles in the criminal justice system the transition from county jail to a correctional facility victimization rejection under stimulation homosexual rape and examines the creation of non threatening niches to address coping structures needed to move toward forgiveness and reconciliation *Prison Ministry Hope Behind the Wall* examines meeting the incarcerated defining prison's emotional ethos dealing with human breakdowns oppression in maximum security prison components of empowerment needed for prison ministry *Prison Ministry Hope*

Behind the Wall also includes case studies of four inmates an extensive bibliography a glossary of prison terms sample Bible studies and sermon topics The book is invaluable for anyone dealing with incarcerated youth and young adults in civilian or military correctional or juvenile detention facilities      Thumpin' It Jacques Berlinerblau,      **Faith and Fragmentation** J. Philip Wogaman,2004-01-01 In this classic reissue scholar pastor and author J Philip Wogaman addresses people who wonder whether Christian Faith makes sense in light of the sweeping changes of our age changes that have created at the same time a pluralistic world a technologically sophisticated world a dangerous world a world of great prosperity and yet great suffering What are we to make of this time we live in Can the Christian faith really provide a stable foundation Wogaman wrestles with these and other questions as he investigates the true meaning of a Christian faith with a positive understanding of religious pluralism and a rejection of fanaticism He concludes that this faith is a hopeful love that proclaims the centrality of love against selfishness and the power of hope against despair      **From the Eye of the Storm** J. Philip Wogaman,1998-01-01 According to J Philip Wogaman the drama being played out in Washington represents a struggle for the nation s soul On one side is an emphasis on repentance and forgiveness time honored themes of the nation s formative religious traditions On the other side is an emphasis on condemnation and punishment for wrongdoing The question is which represents the more appropriate path for the future of the United States This is the question Wogaman sets out to answer in this fascinating book      **People of Faith** John Arnold Schmalzbauer,2003 Over the past two decades a host of critics have accused American journalism and higher education of being indifferent even openly hostile to religious concerns These professions more than any others are said to drive a wedge between facts and values faith and knowledge the sacred and the secular However a growing number of observers are calling attention to a religious resurgence journalists are covering religion more frequently and religious scholars in academia are increasingly visible John Schmalzbauer provides a compelling investigation of the role of Catholic and evangelical Protestant beliefs in the newsroom and the classroom His interviews with forty prominent journalists and academics reveal how some people of faith seek to preserve their religious identities in purportedly secular professions What impact he asks does their Christianity have on their jobs What is the place of personal religious conviction in professional life Individuals featured include the journalists Fred Barnes Cokie Roberts Peter Steinfelds Cal Thomas and Kenneth Woodward and the scholars John DiIulio Elizabeth Fox Genovese Andrew Greeley George Marsden and Mark Noll Some of the journalists and academics with whom Schmalzbauer spoke qualified displays of personal religious belief with reminders of their own professional credibility drawing a line between advocacy and objectivity Schmalzbauer highlights the persistent tensions between the worlds of public endeavor and private belief yet he maintains there is room for faith even in professional environments that have tended to prize empiricism and detachment over expressions of personal conviction      **Christian Ethics** J. Philip Wogaman,1993-01-01 Reviews the history of Christian thought about ethics and discusses its views concerning politics economics and culture      Bill Clinton Allan Metz,2002-03-30 Bill Clinton s

administration was filled with new policies and achievements for the nation's future but those achievements were easily overshadowed by personal flaws and scandal. Despite his personal problems, Clinton captured the American public and served two terms as one of our more memorable presidents. This comprehensive bibliography on Clinton will provide students with information from his childhood, his pre-presidential career, presidency, including assessments of it, and the beginning of his post-presidential life. Key access points to this information are provided in the Table of Contents and detailed author and subject indexes. Also included is an invited essay providing an overview of the Clinton presidency and an extensive chronology of significant events.

**Moral Dilemmas** J. Philip Wogaman, 2009-03-02 How can we make decisions that are consistent with our basic values? We must first, J. Philip Wogaman says, identify basic moral presumptions that can guide our thought as we face moral dilemmas. These basic moral presumptions include equality, grace, the value of human life, the unity of humankind, preferential claims for the poor and marginalized, and the goodness of creation. The burden of proof, he argues, must be borne by decisions that are contrary to such presumptions. He pulls into the conversation difficult ethical issues such as divorce, sexuality, abortion, political choices, economic justice, affirmative action, homosexuality, nuclear disarmament, economic globalization, global warming, international security, environmental policies, and military power. In the process, he provides a smart and helpful guide to Christian ethical behavior.

**Religion Returns to the Public Square** Hugh Heclo, Wilfred M. McClay, 2003-02-28 Despite talk of a naked public square, religion has never really lost its place in American public life. As the twenty-first century opened, it was re-emerging in unexpected and paradoxical ways. Religious institutions were considered for expanded roles in welfare and education at the same time that the limits of religious pluralism, as for example in the relation of Islam to American values, became a question of urgent public concern. *Religion Returns to the Public Square: Faith and Policy in America* explores how and why religion has to be mixed up with American politics. Uncovering philosophical, historical, legal, and social roots of this relationship, these essays go beyond hot-button issues to reflect on the current interactions and future possibilities of religion and politics in America.
