notes they left and the effects on those who did not share their philosophy The views of individuals under attack are also included in this balanced history Countless attacks carried out over the Philippine Islands including the sinking of the St Lo are analyzed and the Okinawa campaign is afforded particularly strong coverage with the sinking of HMAS Australia explored in detail The collective sacrifice is then summed up with reflections from survivors on both sides appraising events in a humane historical context A detailed appendices then follows featuring units formed sorties mounted ships sunk and damages inflicted
