**How to Profit from Prophets** Maurice A. Fetty, 1998 Prophets have not done well in history at least not by ordinary standards Elijah seemed to be the only one in Israel resisting Baalism Amos was told to keep silent and go back where he came from Jeremiah was scorned and imprisoned John the Baptist was beheaded and Jesus the greatest of them all was crucified By ordinary standards the prophets have not done well because as Jesus said we ignore or kill the messengers of God And yet it is the extraordinary standards of the prophets that intrigue us inspire us and stimulate our minds and consciences to God s ways and thoughts Because of their extraordinary standards the prophets continue to shape us and history In this challenging Advent Christmas book Maurice A Fetty reminds us again how it is important to profit from prophets Maurice A Fetty is Senior Minister of the Congregational Church of Manhasset United Church of Christ in Manhasset New York He has also served churches in Grand Rapids Michigan Minneapolis East Harlem and Brooklyn Fetty holds the Master of Sacred Theology Degree from Union Theological Seminary and the Master of Arts Degree from Christian Theological Seminary In addition to numerous articles he has authored several books including Putting Your Life On The Line Sex Love And Marriage and The Divine Advocacy **Your Sons and Daughters Shall Prophecy** Ernest B.

**The prophet's mantle, scenes from the life of Elisha** James Murray (of Old Cumnock.),1870      **Interpreting al-Tha'labi's Tales of the Prophets** Marianna Klar,2009-09-10 Al Tha labi was a renowned Qur'anic scholar of the fifth eleventh century and his *Ara al majalis* is arguably the finest and most widely consulted example of the Islamic *qisas al anbiya* genre Drawing on primary Arabic sources Klar applies modern critical methods in order to explore the nature of al Tha labi's *Ara al majalis* within its historical and literary context and thereby produces a compelling examination of the stories of Noah Job Saul and David as portrayed in the key historiographical and folkloric texts of the medieval Islamic period Via a close analysis of the relevant narratives the book considers a number of universal aspects of the human condition as they are displayed in these tales from first a religious then a familial and finally a social perspective Touching upon the benefits and limitations of the application of biblical studies and literary motifs to Islamic materials the book investigates the possibilities of interpretation raised by a primarily psychoanalytical reading of the tales of the four individuals in question As such this text will be of great interest to scholars of the biblical prophets Qur'anic studies Islamic historiography folklore and literary criticism      *Deuteronomy for the Church* M. Eugene Boring,2022-06-21 Justice only justice is Deuteronomy's terse summary of what Yahweh requires of the people of God What Deuteronomy reveals is that the competence to be God's people to know God and to do God's will comes only through hearing the transforming Word of God in Scripture Deuteronomy sets the scene for hearing God's Word in the wilderness as Moses addresses a new generation of all Israel The people of God are no longer in Egypt nor yet in Canaan Moses warns them against allowing the past to control them and attempts to equip them to live faithfully in the new situation in which they find themselves Deuteronomy's core theology expressed in the Shema Hear O Israel The Lord is our God the Lord alone forms the structure of the book What does it mean to hear Who is all Israel And how does the identity of the one Lord shape ethics To hear the biblical text does not mean passive listening Hearing means engaging the story of God's Word with our own story The book explores the three levels of hearing in Deuteronomy hearing the story in the text its narrative world hearing the story behind the text what really happened and hearing the story of the text how the original preaching and teaching became a canonical book that comes to us already translated with a rich history of interpretation in which contemporary readers stand Deuteronomy for the Church reminds us that Christian believers are included in all Israel that in reading Deuteronomy we are not merely spectators overhearing

what was once said to other people but that we are addressed as on stage participants in the story with the responsibility to discern and improvise what God requires of us in our time and place Discerning the will of God means deepening our understanding of God's own revelation of the divine character and purpose in history This responsibility is illuminated by New Testament examples that interpret Deuteronomy in light of God's definitive self-revelation in Christ The Message of the New Testament Mark Dever, 2005 Dever's expository overview covers the entire New Testament with a focus on the fulfillment of God's Old Testament promises The Schools of the Prophets Charles Wheatly, 1740 **The Blood of the Prophets** Matthias F. Cowley, 1902 *How to Preach the Prophets for All Their Worth* Andrew G. M. Hamilton, 2022-05-24

The Old Testament prophetic books play a key role in revealing God's plan of salvation They occupy a significant portion of the biblical canon similar in size to the entire New Testament Yet most believers stay clear of this part of Scripture They avoid traveling through this forest of oracles and visions Many preachers also struggle to navigate this unfamiliar territory Preachers feel much more at ease unpacking the intricate arguments of the Pauline epistles or following the thrilling adventures of biblical narratives rather than exploring the prophetic books The church however needs to hear and respond to the beauty, depth and relevance of the prophetic message This book not only provides convincing reasons for preaching the prophets today but also offers concrete guidelines to empower preachers, small group leaders, youth workers etc to communicate the message of the prophets with hermeneutical precision, theological depth, genre sensitivity and pastoral pulse This book motivates and equips preachers to travel with confidence through this uncharted territory and to help God's people enjoy the scenery of this part of God's word A Biblicist View of Law and Gospel Lester L. Stephenson, 2017-06-09

Paul told the Romans the Law is holy and the commandment is holy and righteous and good Yet four times in three epistles he wrote We are not under law but under grace Christians read these seemingly conflicting statements and are easily confused They wonder if anyone can understand how the law and the Old Testament relates to their faith Some take the easy way out and all but ignore the Old Testament calling it legalism They prefer to concentrate on and enjoy the magnificent grace of God that comes with salvation This limits their understanding of the Scriptures and indeed restricts spiritual growth Confusion further abounds because just about every denomination has a different interpretation of the law and the relationship between the testaments Lester Stephenson proposes a different approach rooted in Jesus' words in Matthew 5:17-18 Do not think that I came to abolish the Law or the Prophets; I did not come to abolish but to fulfill For truly I say to you until heaven and earth pass away not the smallest letter or stroke shall pass from the Law until all is accomplished Those two verses call for Christians to look anew at the law and the rest of the Old Testament Not one part of the law or what the prophets wrote will pass away until Jesus has completely fulfilled it Stephenson stresses that Christians must recognize the importance of the Bible that Jesus and the apostles used Each time Jesus and the apostles used the phrase 'it is written' they were using an Old Testament passage to illustrate a New Testament principle In A Biblicist View of Law and Gospel

Stephenson advocates a biblicist view based on careful Bible study to explain how Christians are to view the law and the way the testaments fit together as an inspired whole      *The Englishman's Hebrew and Chaldee Concordance of the Old Testament* George V. Wigram,1860      The Life and Religion of Mohammed as Contained in the Sheeãh Traditions of the Hyât-ul-kuloob Muḥammad Bâqir ibn Muḥammad Taqī Majlisī,1850      **The Life and Religion of Mohammed, as Contained in the Sheeah Traditions of the Hyât-ul-Koloob** Muḥammad Bâqir ibn Muḥammad Taqī Majlisī,1850
