How Far Does Love Go Joseph Sanpietro, 2009-09-08 You have heard that when someone wants to break up they say the grass is greener on the other side meaning it must be better But I say the grass might be greener on the other side Maybe even in your mind it will be better But grass is only grass Some are greener Some has the color of even yellow in it And some looks like it is even blue But just remember this to all of you out there who think it will be better no matter what the color of the grass it is still grass and will always taste like grass As I looked back on my last marriage I tried to do all I could to get it to work But when you know you did all the right things for your mate and your children and all they can think of are themselves well you know they are not going to do the right thing You know it is time just to let them go and do the best you can to move on If you hold on to something bad as I tried to do it will hurt you and the ones you love My children hate their mom now and I can't stand thinking of all the wrong she did to all of us But I will not let her turn us into a mold that will cover us in hate My children are happy with me and for now that's all they need No matter what I have gone through in my marriages a lot has been taken from me but one thing they could not take is the joy I have kept in my heart for Jesus **This Is the Truth, as Far as I Know** Jan Hornung, 2000-10 No matter your age or where you live you'll find yourself rolling on the floor in hysterics at this hilariously funny look at life in the South life in the military and life of a southerner living in Germany Go to the Bubba Fest in South Carolina learn about the wurst of all wieners and do the Doggy Dance of Joy Find out if you have vacaphobia how to tell if you're nekkid and lessons on marriage from your dog and helicopters You'll be busier than a mosquito in a nudist colony reading short stories such as Armadillo and Red Wine Eat Crackers and Whistle Your National Anthem My dog is From the Planet Uranus and Hoodoo Doorknobs and Automobiles The author Jan Hornung is an awarding winning humor columnist and author of If A Frog Had Wings Helicopter Tales *This Far by Faith* Judith

The Church, The Far Right, and The Claim to Christianity Helen Paynter,2024-08-30 In recent years far right organisations have invaded mosques across the UK with army issued Bibles declaring their actions a Christian crusade Others have paraded large crosses through Muslim majority areas and invaded migrant hotels harassing residents in their so called crusade Far right appeals to clean up society and restore Christian Britain can be quite attractive to some Christians However what they may fail to appreciate is that this rhetoric may be cynically employed by those whose allegiance and values are quite contrary to Christian ones Despite all this the response from official church sources in the UK has been notably subdued and resources to help churches address hate crimes or racial tensions are scarce This book aims to fill that void Bringing together insights from theologians church practitioners and leading experts this volume examines the church's response to the rise of far right thinking in UK society and explores how it can respond more effectively With a foreword by David Gushee this book offers critical and constructive perspectives for the church to confront these challenges
