Dress, Distress and Desire J. Batchelor, 2005-05-11 Dress Distress and Desire explores representations of sartorial experience in eighteenth century literature Batchelor's study brings together for the first time canonical and non canonical texts including novels conduct books and women's magazines to investigate the pressures that the growth of the fashion market placed on conceptions of female virtue and propriety It shows how dress dispelled the sentimental myth that the body acted as a moral index and enabled the women reader to resist some of sentimental literature's more prescriptive advice **Fashions in**

Fashion and Authorship Gerald Egan, 2020-02-13 Studies of fashion and literature in recent decades have focused primarily on representations of clothing and dress within literary texts But what about the author How did he dress What were her shopping practices and predilections What were his alliances with modishness stylishness fashion The essays in this book explore these and other questions as they look at authors from the eighteenth century through the postmodern and digital eras cultural producers who were also men and women of fashion Alexander Pope Hester Thrale Mary Robinson Lord Byron William Thackeray Charlotte Bronte Wilkie Collins Margaret Oliphant Virginia Woolf Rebecca West Trudi Kanter Angela Carter and Martin Margiela The essays collected here ultimately converge upon a fundamental question what happens to our notions of timeless literature when authorship itself is implicated in the transient and the temporary the cycles and materials of fashion Gerald Egan s provocative introduction to this exciting new book poses a bold question How are authorship and literature so often linked to ideas of transcendence implicated in the transient trends and stuff of fashion The thirteen chapters that follow track authorship s complex implication in the discourses and materiality

of fashion and fashionable goods from the eighteenth to the twentieth centuries Wide ranging in discipline and chronology yet forensically focused and carefully argued this book makes a striking and wonderfully original contribution to studies of authorship celebrity and material culture Dr Jennie Batchelor Professor of Eighteenth Century Studies University of Kent UK
