Famous Scots The Pride Of A Small Nation:

Famous Scots Forbes Macgregor, 1984 Livingstone's 'lives' Justin Livingstone, 2014-11-01 David Livingstone the missionary explorer has attracted more commentary than nearly any other Victorian hero Beginning in the years following his death he soon became the subject of a major biographical tradition Yet out of this extensive discourse no unified image of Livingstone emerges Rather he has been represented in diverse ways and in a variety of socio political contexts Until now no one has explored Livingstone's posthumous reputation in full This book meets the challenge In approaching Livingstone's complex legacy it adopts a metabiographical perspective in other words this book is a biography of biographies Rather than trying to uncover the true nature of the subject metabiography is concerned with the malleability of biographical representation It does not aim to uncover Livingstone's real identity but instead asks what has he been made to mean Crossing disciplinary boundaries Livingstone's lives will interest scholars of imperial history postcolonialism life writing travel writing and Victorian studies **Women of Scotland** Helen Susan Swift, 2023-03-08 Women of Scotland is a thematic time trip through Scottish history and the important part women have played in its past From the humble to the great Scottish women have been at the forefront and background of events Here are the fisherwomen the warriors the great writers the Jacobites the martyrs and the mill girls Without them Scotland would not have existed Join a great journey from the Dark Ages to the 21st century and learn about the women who have been the driving force behind this small yet dynamic nation *Like The Thistle Seed* Malcolm Archibald, 2021-12-08 Scotland has always given generously of her people to the world This book tells the story of some of the many hundreds of thousands of Scots who have contributed to the fabric of modern world In here are explorers and entrepreneurs settlers and soldiers politicians and missionaries traders and police officers They are a diverse lot with only two things in common they made their home in a foreign land and they hailed from Scotland The world is all the richer for the part they played *Writing a Small Nation's Past* Neil Evans, 2016-02-17 This is the first volume to examine how the history of Wales was written in a period that saw the emergence of professional historiography largely focused on the nation across Europe and in the United States It thus sets Wales in the context of recent work on national history writing in the nineteenth and twentieth centuries and more particularly offers a Welsh perspective on the ways in which history was written in small mainly stateless nations The comparative dimension is fundamental to the volume's aim highlighting what was distinctive about Welsh historical writing and showing how the Welsh experience mirrors and illuminates broader historiographical developments The book begins with an introduction that uses the concept of historical culture as a way of exploring the different strands of historiography covered in the collection providing orientation to the chapters that follow These are divided into four sections Contexts and Backgrounds Amateurs and Popularizers Creating Academic Disciplines and Comparative Perspectives All these themes are then drawn together in the conclusion to examine how far Welsh historians exemplify widespread trends in the writing of national history and

thereby point up common themes that emerge from the volume and clarify its broader significance for students of historiography

The Scottish Nation at Empire's End B. Glass, 2014-06-02 The rise and fall of the British Empire profoundly shaped the history of modern Scotland and the identity of its people From the Act of Union in 1707 to the dramatic fall of the British Empire following the Second World War Scotland's involvement in commerce missionary activity cultural dissemination emigration and political action could not be dissociated from British overseas endeavours In fact Scottish national pride and identity were closely associated with the benefits bestowed on this small nation through its access to the British Empire By examining the opinions of Scots towards the empire from numerous professional and personal backgrounds Scotland emerges as a nation inextricably linked to the British Empire Whether Scots categorized themselves as proponents opponents or victims of empire one conclusion is clear they maintained an abiding interest in the empire even as it rapidly disintegrated during the twenty year period following the Second World War In turn the end of the British Empire coincided with the rise of Scottish nationalism and calls for Scotland to extricate itself from the Union Decolonization had a major impact on Scottish political consciousness in the years that followed 1965 and the implications for the sustainability of the British state are still unfolding today

The Hero Building Johnny Rodger, 2016-03-09 Why was it that across Scotland over the last two and a half centuries architectural monuments were raised to national heroes Were hero buildings commissioned as manifestations of certain social beliefs or as a built environmental form of social advocacy And if so then how and why were social aims and intentions translated into architectural form and how effective were they A tradition of building architectural monuments to commemorate national heroes developed as a distinctive feature of the Scottish built environment As concrete manifestations of powerful social and political currents of thought and opinion these hero buildings make important statements about identity the nation and social history The book examines this architectural culture by studying a prominent selection of buildings such as the Burns monuments in Alloway Edinburgh and Kilmarnock the Edinburgh Scott Monument the Glenfinnan Monument and the Wallace Monument in Stirling They give testimony to how a variety of architectural forms and styles can be adapted through time to bear particular social messages of symbolic weight This tradition which literally allows us to dwell on important social issues of the past has been somewhat neglected in serious architectural history and heritage and indeed one of the main monuments has already been destroyed By raising awareness of this rich architectural and social heritage while analysing and interpreting the buildings in their historical context this book makes an exciting and original scholarly contribution to the current debates on identity and nationality taking place in Scotland and the wider UK

Scottish Pride Heather Duncan, 2004 Scottish Pride is a compendium of 101 reasons the Scots have to be proud of their heritage From the cuisine of the highlands to actors Sean Connery and artists John Duncan Fergusson to bagpipers golf courses kilts and Scotch Whiskey this book is a unique tribute to a fine and accomplished people Included here are profiles of great Scots like Alexander Hamilton and Scottish heroes like Robert the Bruce From royalty

Mary Stuart to rock stars Rod Stewart to politicians David Hume these are the luminaries who have changed the face of history

William Robertson and the Expansion of Empire Stewart J. Brown, Stewart Jay Brown, 2008-04-24 This is an exploration of William Robertson a leading figure in the eighteenth century Enlightenment

Scottish Economic & Social History, 1986

The Scottish Empire Michael Fry, 2002-02-01 This new edition of Michael Fry's remarkable book charts the involvement of the Scots in the British empire from its earliest days to the end of the twentieth century It is a tale of dramatic extremes and craggy characters and of a huge range of concerns from education evangelism and philanthropy to spying swindling and drug running Stories of Scottish regiments on the rampage cannibalism and other atrocities are contrasted with the deeds of heroic pioneers such as David Livingstone and Mary Slessor Above all it tells how the British empire came to be dominated and run by the Scots and how it truly became a Scottish empire As the empire transformed Scotland beyond recognition so was the Empire shaped by the Scots a remarkable achievement from the population of so small a country which was itself neither nation nor fully province neither fully colonizer nor fully colonized Michael Fry's energetic and colourful account is one of the classics of modern Scottish history

Unionism in the United Kingdom, 1918-1974 P. Ward, 2005-03-01 This book examines the range and complexity of unionist political identities ideas and beliefs in the non English parts of the United Kingdom in the mid twentieth century It discusses the careers of eight politicians from Scotland Wales and Northern Ireland and uncovers the varieties of unionism that held the multi national UK together Challenging the idea that Britain was in the process of breaking up it argues that the Union provided a focus for loyalty in the United Kingdom that contributed to the continuing formation of identities of Britishness

Bibliography of Scotland, 1985

The North British Review, 1852

Blackwood's Edinburgh Magazine, 1863

The New Review, 1893

Unconventional Warfare from Antiquity to the Present Day Brian Hughes, Fergus Robson, 2017-07-03 This volume addresses the problem of small irregular and unconventional war across time and around the globe The use of non uniformed and often civilian combatants with tactics eschewing pitched battles is the most common form of warfare throughout history and comes in many forms The collection works back in time beginning with the Long War in present day Afghanistan and concluding with warfare in classical Greece Along the way it engages with conflicts as diverse as the American Civil War and regional rebellion in Tudor England Each case study provides unique insights into the practices experiences and discourses that have shaped this ubiquitous type of conflict Readers interested in rebellion and repression cultural and tactical interpretations of conflict civilian strategies in wartime the supposed western way of war and the ways in which participants have framed and related their actions across a variety of spheres will find much of interest in these pages

Scottish Theatre Since the Seventies Randall Stevenson, 2019-08-07 No detailed description available for Scottish Theatre Since the Seventies

The Long Shadow David Reynolds, 2013-11-07 In Britain we have lost touch with the Great War Our overriding sense now is of a meaningless futile bloodbath in the mud of Flanders of young men whose lives were cut off in

their prime for no evident purpose But by reducing the conflict to personal tragedies however moving we have lost the big picture the history has been distilled into poetry In *The Long Shadow* critically acclaimed author David Reynolds seeks to redress the balance by exploring the true impact of 1914-18 on the 20th century Some of the Great War's legacies were negative and pernicious but others proved transformative in a positive sense Exploring big themes such as democracy and empire nationalism and capitalism and re-examining the differing impacts of the War on Britain Ireland and the United States *The Long Shadow* throws light on the whole of the last century and demonstrates that 1914-18 is a conflict that Britain more than any other nation is still struggling to comprehend Stunningly broad in its historical perspective *The Long Shadow* is a magisterial and seismic re-presentation of the Great War *A New England?* G. R. Searle, 2005 G. R. Searle's narrative history breaks conventional chronological barriers to carry the reader from England in 1886 the apogee of the Victorian era with the nation poised to celebrate the empress queen's golden jubilee to 1918 as the war to end all wars drew to a close

Right here, we have countless book **Famous Scots The Pride Of A Small Nation** and collections to check out. We additionally have enough money variant types and as a consequence type of the books to browse. The normal book, fiction, history, novel, scientific research, as well as various further sorts of books are readily understandable here.
