Final Report on the Ceylon Exhibit at the Louisiana Purchase Exposition, 1904 Stanley Bois, 1905

Great Styles of Interior Architecture, with Their Decoration and

Furniture Roger Gilman, 1924 With their decoration and furniture **Windsor-chair Making in America** Nancy Goyne Evans, 2006 The definitive work on the production of Windsor furniture from one of America's premier authorities **Mark Hampton On Decorating** Mark Hampton, 2015-10-27 When *On Decorating* was published in 1989 it immediately became a touchstone for design professionals and enthusiasts. Since then the ideas and illustrations within these pages have inspired countless room schemes, vignettes, and color palettes. Mark Hampton's expert insights into the creation of elegant rooms and his remarkably immediate voice remain just as relevant today. Posthumously celebrated by *Architectural Digest* as one of the world's twenty greatest designers of all time, Hampton regarded every design project as a collaboration. That same generosity of spirit pervades this book, offering signature principles that can easily be applied to any home. In the *Colors* section Hampton makes a convincing case for using dark green as a neutral and encourages readers not to fear painting walls red. In *Plans* he explains the keys to arranging a living room that telegraphs comfort, not just refinement. In *Materials* Hampton demonstrates how strongly patterned wallpaper can visually enlarge a small space, contrary to popular belief. Throughout this collection of essays, which were substantially expanded from his popular *House & Garden* columns, Hampton shares witty anecdotes and observations that render this education in home decoration a delight. Faithfully reproduced with his original, often emulated watercolor illustrations and with an afterword by his daughter, renowned designer Alexa Hampton, this beautiful reprint edition is a book to pore over, savor, and share. *The Illinois Agriculturist*, 1920 **Good Furniture and Decoration**, 1929 *Furniture* Judith Miller, 2005-09-19 Whether you want to identify, date, or evaluate your own pieces, *Furniture* is the only comprehensive, full-color reference guide for you. Judith Miller gives a global overview that spans the last 3,000 years of design, guaranteed to turn any amateur into a furniture buff. *Furniture* defines decorative motifs of key periods with over 3,500 photographs of every style and form. This eBook also includes profiles of influential designers, craftsmen, and key movements. **Official Catalogue** Chicago. World's Columbian Exposition, 1893, Germany. Reichskommission, Weltausstellung in Chicago, 1893, 1893 **Official record** Melbourne internat. exhib, 1882 **Good Furniture Magazine of Furnishing & Decoration**, 1921 *Furniture World and Furniture Buyer and Decorator*, 1904

Classical Savannah, 1995 By the end of the eighteenth century, classicism, which arose out of Europe's fascination with ancient Greece and Rome, had also left its mark on America. This study of the classical style in the fine and decorative arts shows the extent to which it influenced the material culture of Savannah, Georgia, from 1800 to 1840. More than 130 examples of objects owned in Savannah in this period are illustrated, described, and discussed. The objects include oil paintings and watercolors, clocks, musical instruments, jewelry, sculptures, engravings, bank notes, needlework, china, silver, brass, lighting fixtures, architectural elements, and furniture. Page Talbott presents an overview of the origins of classicism in Europe and its spread to America, emphasizing Americans' close identification of classicism with national values and ideals. Talbott also discusses the style in the context of Savannah's social life and its history as a major southern port. She covers not only the

principles methods and materials of classical design but also the manufacture distribution sale and ownership of a wide range of functional and decorative objects Classical Savannah is the companion volume to the Classical Savannah exhibition which opened in the spring of 1995 at the Telfair Museum of Art in Savannah Illustrating well over half of the items in the exhibit and including a detailed checklist of the additional seventy objects not shown in the book Classical Savannah is a valuable source for historians designers decorators collectors and anyone interested in this period of America s history
