**Faraway Places** Albert Trajstman, 2019-02-01 Faraway Places is a collection of three novellas that goes to dark and dingy places that the faint hearted might wish are truly faraway But are they Not when you take a crazed trip with an odd ball who dreams of a faraway place while all the while he is on a slow burn to insanity Maybe he can solve the problem of living in a caravan alongside a garbage tip with a foul mouthed significant other and a companion dog That s not an easy problem to solve when you lack initiative Perhaps the frozen wastelands of pre revolutionary Russia are a change of location but still you ll find that it s that kind of faraway place where many bizarre things could be possible dogheaded people might exist a nasty con man can become a tsar and if you want to save your skin there are people you should avoid If that s not enough then waiting to be solved is the provenance of two mysterious trunks and their contents in the basement of St Petersburg s Hermitage Finally a misconception about a killing on an isolated farm in a British colony in 1815 leads to disastrous consequences Decent men can commit abominable acts and criminals can be decent In this faraway place it s brutal times all round brutal times for the original native inhabitants for settlers and their women and for the convicts and child convicts A gripping read
