Farmer And The Witch:

The Farmer and the Witch Ida DeLage,1991 The Old Witch does her best to put a farmer under her spell but the brave farmer and his wife are too smart for her **The Witch of the Monongahela** Thomas White,2021-04-13 A look at the folklore surrounding the legendary Pennsylvanian witch and the facts behind them In the ancient hills and misty hollows of Fayette County Pennsylvania generations of locals have passed down stories of a woman with mysterious magical powers People came from near and far to seek healing and protection through her strange rituals Some even believed she could fly Named Moll Derry and nicknamed the Witch of the Monongahela her legend has been documented by writers and folklorists for more than two hundred years She is intertwined in many regional tales such as the Lost Children of the Alleghenies and Polly Williams and the White Rocks Author Thomas White separates fact from fiction in the many versions of Moll Derry and recounts Western Pennsylvania s folk magic history along the way **The Robber with a Witch's Head** Jack Zipes,2005-07-08 The Robber with the Witch s Head presents almost fifty new stories about demons and clever maidens and princes Bursting with life this is a storyteller s dream full of adventure and magic translated by Jack Zipes Old Farmer and His Almanack George Lyman Kittredge,1904 **The Farmers' Register** Edmund Ruffin,1840 **The Witch's Kiss** Tricia Schneider,2015-02-18 Marianne Grey is a ghost But she s not dead Cursed by a necromancer Marianne searches for the elusive spell needed to merge her spirit with her physical body She s not alone in her search Her neighbor and best friend Sage Merriweather has vowed to help her break the curse Sage suffers from his own demons Literally After surviving a horrific attack a demon has bonded with him mutating Sage s magic so he can only conjure fire Until he can break the bond he is a danger to everyone near him including those he loves From the glittering ballrooms of London to eerily dark graveyards Marianne and Sage battle forces of evil destined to claim their souls for eternity Though their newfound love for each other may be the toughest battle of all Farmer's Weekly ,1927 **Gobbolino the Witch's Cat** Ursula Moray Williams,2017-01-26 No one could mistake Gobbolino for a simple kitchen cat with his sparky whiskers and magic tricks but that s just what the witch s kitten wants to be Instead of learning how to turn mice into toads for the witch s brew Gobbolino sets out on an adventure to find a family and a home of his own Reissued for its seventy fifth anniversary with illustrations by the award winning Catherine Rayner this classic tale has been loved by generations of children Witchcraft and Gender in Early Modern Society Raisa Maria Toivo,2016-12-05 How could a woman be three times accused of witchcraft and go on running a successful farmstead Why would men use a frying pan for cattle magic Why did witches keep talking about the children What kind of a relation did Finnish witches have with authority and power These are among the questions Raisa Maria Toivo addresses in this study as she explores the gender implications of the complex system of household management and public representation in which seventeenth century Finnish women and men negotiated their positions From specific case studies Toivo broadens her narrative to include historiographical discussion on the history of witchcraft on women s and

gender history and on early modern social history shedding new light on each theme Toivo contributes to the on going discussion in the European historiography about whether the early modern period witnessed an improvement decline or simply alteration in the conditions of oppression of women within patriarchal households by using a multidimensional set of roles that could be adopted by women Finally she demonstrates convincingly that members of the solid peasant class were not only subject of the newly forming states but also avid users of the court system which they manipulated and put to work in the interests of their own individual household and collective affairs
