Successful Leadership in the Early Years

June O'Sullivan, 2015-09-10 June O Sullivan explores the concept of leadership particularly with regards to leading Early Years centres In line with government initiatives there is growing pressure within the early years sector to create staff who can lead different types of childcare and family settings in order to address two main government targets Firstly reducing poverty among families with small children and secondly increasing educational opportunities for children from disadvantaged backgrounds in order to give them a better start in life Many say that for this to happen we need people who can lead an effective team of capable professional colleagues This is no easy task in the modern Early Years market O Sullivan acknowledges the problems and provides ideas and suggestions to address the issues facing leaders so that they are supported to lead us into a future where we can all help make a big difference for a long time

Making an Effective Bid
Ruth Chambers, Kenneth C. Calman, 2018-12-14 Many people waste a great deal of time writing bids or tenders that are not successful Even worse they may succeed in gaining funding for a project or service where the plans and budgeting are poorly thought through in relation to the implementation or application That can be a very costly mistake if the funding you gain is insufficient but you are stuck with developing the project or service Making an Effective Bid outlines everything you need to know for writing successful bids and tenders It is full of tips and advice and introduces ideas for building up contacts setting up networks organising potential collaborators and avoiding pitfalls Examples of successful and not so successful bids are included to fully illustrate the concepts With practice you should become more adept at writing bids and gaining funds that further your work and career This book is a vital guide for those in health and social care who are required to or want to make a bid or tender for resources for money work staff equipment research educational activities or a new service It will help you to develop a greater understanding of making successful bids and go on to compose a bid or tender with the essential ingredients to succeed This book is for anyone working in health and social care who is required to or wants to make a bid or tender for resources for money work people staff equipment etc or research educational activities or a new service This will include academics and health and social care personnel It will help you to develop a greater understanding of how to make a successful bid and go on to compose a bid or tender with the right ingredients to succeed So buying the book and spending time reading it should be a great investment Ruth Chambers in the Preface
