CPA,Paul D. Kimmel,2004-06-11 This new Principles of Accounting text helps students navigate their future accounting and business careers with a practical set of accounting tools and the confidence they need to use those tools effectively in making business decisions Kimmel Weygandt and Kieso motivate students by beginning with the larger picture Taking a macro to micro approach the discussion starts with real financial statements first rather than starting with the Accounting Cycle although the Accounting Cycle is thoroughly covered in Chapters 3 and 4 This innovative approach quickly establishes how a financial statement communicates the financing investing and operating activities of a business to users of accounting

information Throughout the text clearly demonstrates the importance of accounting to society and the relevance of accounting to students future careers The authors identify a finite set of tools necessary to make business decisions based on financial information the Decision Toolkit This toolkit is consistently re introduced throughout the text logically sequenced to take full advantage of the tools presented in earlier chapters and summarized in the final chapter This thorough integration of the use of financial statements for decision making makes this one of the most user oriented texts currently available Before you buy make sure you are getting the best value and all the learning tools you ll need to succeed in your course If your professor requires eGrade Plus you can purchase it now at no additional cost With this special eGrade Plus package you get the new text no highlighting no missing pages no food stains and a registration code to eGrade Plus a suite of effective learning tools to help you get a better grade All this in one convenient package eGrade Plus gives you A complete online version of the textbook Over 4 000 problems from the end of chapter problem sets and test bank 2 self assessment tests per chapter one containing end of chapter questions the other containing new content Review Tutorials 30 60 slides per chapter with audio that review key concepts One Demonstration Problem per chapter a worked out end of chapter problem that steps students through that chapter s key concepts Rapid Review reviews major equations and problem solving tips eGrade Plus is a powerful online tool that provides students with an integrated suite of teaching and learning resources and an online version of the text in one easy to use website
