Should I be a friend or a parent to my child? Should we put our child into an international school or an alternative school? How do I talk to my child about the birds and the bees? How do I explain to my six-year-old where babies come from? What should I do if I catch my child smoking? Parenting from the word go is a roller coaster ride. It is unpredictable, and you can never be fully prepared. The fast-changing Indian social scenario has made parenting more complex. Indian parents today have to balance tradition with living in a world that is hyper-connected. Trends, fads, internet, Whatsapp, Facebook, international schools, alternative schools, baby blues, everything has to be understood, managed, and balanced. [Parenting Tips for Indian Parents](#) takes a comprehensive look at issues that arise from the time one thinks of having a baby until the time the child steps into adulthood. It helps understand the various stages of growth and development, viz. physical, emotional, cognitive development. It offers insight into practical parenting, preparing for the second child, dealing with issues of a single child, understanding intelligence and personality, besides understanding teenage and its issues. To help parents get the benefit of traditional knowledge and expertise, many traditional Indian *dadi ka nuskhaas* to cope with minor ailments and improve health, which were common knowledge once but are getting lost with time, have also been incorporated. **Toddler Discipline: The Ultimate Guide to Happy and Successful Parenting**

(Practical Discipline Strategies for Empathetic and Cooperative Parenting From Birth to Adolescence) Brandon Frates, 2011-01-01. Many parents get stressed when dealing with their child's bad behaviors, and they often wonder how they could have managed the situation in a better, more positive way. Toddler discipline teaches you how to discipline your child while remaining calm, even when dealing with a screaming child or one that is having a wild temper tantrum. If you find yourself feeling guilty for yelling at your child or rewarding bad behaviors by bargaining with your toddler, you're in for a positive treat with this book. It will teach you a number of different strategies that will make you a positive disciplining expert. You will introduce Montessori principles and activities into your home, no need for fancy furniture or activity books. With this book, you can make the most out of what you have. Raise a team player, learn the key tactics that experts use to raise a highly engaged and cooperative child. Create a calm and stimulating home, learn the secrets to cultivating an ideal and safe space for your child the Montessori way. Boost creative thinking, help your child's imagination come alive using Montessori activities that have been proven, time and again. And so much more. Toddlerhood is a difficult and overwhelming time for both you and your child. It's a time where change is inevitable, and it can be challenging as a parent to know what strategies to implement during these crucial and formative years. You want the best for your child, and while parenting isn't always a straight line,

there are some approaches you can take which have been proven to work time and time again These strategies are all found right here within these essential pages **Burns' Pediatric Primary Care E-Book** Dawn Lee Garzon,Nancy Barber Starr,Margaret A.
