Haunting X:

Lasting Visions of X--The Haunted Artist Courtney X,2003-03-20 To know not what to expect is freedom The reviews speak and offer insight Visions shoots for a pithy insightfulness but unfortunately most of it ends up on the seat and the floor moans Ronald Dribbler of The Golden Advisor a raccoon with Down s Syndrome would be able to create a more insightful and coherent piece of work while clawing randomly at a computer keyboard raves Rob Durden of the Sarasota Insider Lasting Visions rivals his last wasted effort in futility Anonymous **Hauntings and Poltergeists** James Houran,Rense

Lange,2015-08-13 Few people can claim the distinction of experiencing first hand such occurrences as hauntings and the presence of poltergeists but countless numbers of people are fascinated by these unexplainable events Written by the world s most knowledgeable authorities in this field the essays in this work promote a better understanding of the manifestations of and various reasons for hauntings and poltergeist phenomena The experts come from such backgrounds as anthropology history philosophy psychiatry and sociology and provide sober yet highly readable in depth discussions of numerous ideas and rationalizations for hauntings and poltergeists from a critical and scientific perspective Divided into three major sections sociocultural physical and physiological and psychological perspectives this work provides an overview of each perspective and also addresses the general psychology of belief in the paranormal and how that belief relates to experiences with ghosts and poltergeists **The Alleged Haunting of B-- House** Ada Goodrich-Freer,1899 *The Haunting Fetus* Marc L.

Moskowitz,2001-05-01 The Haunting Fetus focuses on the belief in modern Taiwan that an aborted fetus can return to haunt its family Although the topic has been researched in Japan and commented on in the Taiwanese press it has not been studied systematically in relation to Taiwan in either English or Chinese This fascinating study looks at a range of topics pertaining to the belief in haunting fetuses including abortion sexuality the changing nature of familial power structures the economy and traditional and modern views of the spirit world in Taiwan and in traditional Chinese thought It addresses the mental moral and psychological aspects of abortion within the context of modernization processes and how these ramify through historical epistemologies and folk traditions The author illustrates how images of fetus ghosts are often used to manipulate women either through fear or guilt into paying exorbitant sums of money for appeasement He argues at the same time however that although appeasement can be expensive it provides important psychological comfort to women who have had abortions as well as a much needed means to project personal and familial feelings of transgression onto a safely displaced object In addition to bringing to the surface underlying tensions within a family appeasing fetus ghosts like other dealings with supernatural beings in Chinese religions allows for atonement through economic avenues The paradox in which fetus ghost appeasement simultaneously exploits and assists evinces the true complexity of the issue and of religious and gender studies as a whole **Haunting the Prairie** Michael Kleen,2010 An organized and comprehensive guide to Illinois haunted and

legendary places Haunting the prairie contains 130 mystery sites and 60 individual illustrations and maps plus a

bibliographic timeline of paranormal and folklore research in Illinois The author examines the sites and the history as well as the hobbyists and professionals who explore the strange and unusual in the state Divided among eight distinct regions and listed by county each location features a description directions and information drawn from a diverse variety of books and articles

A Logical Foundation for Potentialist Set Theory Sharon Berry,2022-02-17 In many ways set theory lies at the heart of modern mathematics and it does powerful work both philosophical and mathematical as a foundation for the subject However certain philosophical problems raise serious doubts about our acceptance of the axioms of set theory In a detailed and original reassessment of these axioms Sharon Berry uses a potentialist as opposed to actualist approach to develop a unified determinate conception of set theoretic truth that vindicates many of our intuitive expectations regarding set theory Berry further defends her approach against a number of possible objections and she shows how a notion of logical possibility that is useful in formulating Potentialist set theory connects in important ways with philosophy of language metametaphysics and philosophy of science Her book will appeal to readers with interests in the philosophy of set theory modal logic and the role of mathematics in the sciences

Hinsdale House an America Haunting Daniel Klaes,2017-12-03 In June of 2015 Dan realized a lifelong dream The infamous Hinsdale House site of the infestation and structural exorcism became available for purchase Wasting no time he made an offer that was accepted and became the owner Klaes immediately began renovations to stabilize the house which continues to this day Shortly afterward he opened the location for paranormal research and has hosted local national and international paranormal teams Recently Dan was contacted by producers from Destination America and contracted the house to be featured on the hit TV series Paranormal Lockdown featuring Nick Groff and Katrina Wiedman The Episode was the highest viewed episode of the series Such was the phenomena that after Nick left both EVP and Geobox evidence called for his return to the house Nick and Katrina later returned to film a Halloween special at the house that was featured on TLC The house was also the basis for A Haunting on Discovery Channel

Booktalking Nonfiction Jennifer Bromann-Bender,2013-12-20 Booktalking Nonfiction 200 Sure Fire Winners for Middle and High School Readers will provide an introduction to selecting and writing booktalks for nonfiction books with a focus on unique informational texts and biographies and autobiographies A booktalk is a summary of a book presented in a way that would interest someone in reading the book described Why non fiction Because the Common Core Standards Initiative which most states have adopted requires that 70% of the materials students read be from the category of informational texts it is especially important to focus on nonfiction when sharing books with students Here s everything you need to do just that Chapters cover selecting

writing preparing and presenting booktalks special tips for high interest low level books and using non fiction in the library and the classroom Two hundred ready to present booktalks arranged by genre are also included Genres include animals famous people sports crime and serial killers movies and television religion war history and the supernatural **The Gaze of the X-Ray** Shahram Khosravi,2024-01-05 Since its invention in the late nineteenth century the penetrating gaze of the X ray has changed our vision of the inside of the human body After we started to see inside ourselves the relationship between ourselves and our bodies changed forever As a progression in medical science X ray technology was fashioned to maintain and save life However as the contributors to this volume show it has been a device of ruination as well They visualise the traces and the pattern of violence practised by the states racial capitalism colonial racism and sexism By juxtaposing different cases across time and space this collection demonstrates a set of relations between civilization and ruination

Rising Elizabeth Rush,2018-06-12 A Pulitzer Prize Finalist this powerful elegy for our disappearing coast captures nature with precise words that almost amount to poetry The New York Times Hailed as the book on climate change and sea levels that was missing Chicago Tribune Rising is both a highly original work of lyric reportage and a haunting meditation on how to let go of the places we love With every record breaking hurricane it grows clearer that climate change is neither imagined nor distant and that rising seas are transforming the coastline of the United States in irrevocable ways In Rising Elizabeth Rush guides readers through these dramatic changes from the Gulf Coast to Miami and from New York City to the Bay Area For many of the plants animals and humans in these places the options are stark retreat or perish Rush sheds light on the unfolding crises through firsthand testimonials a Staten Islander who lost her father during Sandy the remaining holdouts of a Native American community on a drowning Isle de Jean Charles a neighborhood in Pensacola settled by escaped slaves hundreds of years ago woven together with profiles of wildlife biologists activists and other members of these vulnerable communities A Guardian Publishers Weekly and Library Journal Best Book Of 2018 Winner of the National Outdoor Book Award A Chicago Tribune Top Ten Book of 2018 *Snapshots of the Soul* Molly Thomasy Blasing,2021-07-15 Snapshots of the Soul considers how photography has shaped Russian poetry from the early twentieth century to the present day Drawing on theories of the lyric and the elegy the social history of technology and little known archival materials Molly Thomasy Blasing offers close readings of poems by Boris Pasternak Marina Tsvetaeva Joseph Brodsky and Bella Akhmadulina as well as by the late and post Soviet poets Andrei Sen Sen kov Arkadii Dragomoshchenko and Kirill Medvedev to understand their fascination with the visual language representational power and metaphorical possibilities offered by the camera and the photographic image Within the context of long standing anxieties about the threat that visual media pose to literary culture Blasing finds that these poets were attracted to the affinities and tensions that exist between the lyric or elegy and the snapshot Snapshots of the Soul reveals that at the core of each poet s approach to writing the photograph is the urge to demonstrate the superior ability of poetic language to capture and convey human experience Open Access edition funded by

Sawyer,2018-10-15 This book is a timely intervention in the areas of philosophy history and literature As an exploration of the modern political order and its racial genealogy it emerges at a moment when scholars and activists alike are wrestling with how to understand subject formation from the perspective of the subordinated rather than from dominant social and philosophical modes of thought For Sawyer studying the formation of racialized subjects requires a new imagining of marginalized subjects Black subjectivity is not viewed from the static imaginings of social death alienation ongoing abjection or as a confrontation with the treat of oblivion Sawyer innovates the term fractured temporality conceptualizing Black subjects as moving within and across temporalities in transition incorporated yet excluded marked with the social death of Atlantic slavery and the emergent political orders it etched and still capable of exerting revolutionary force that acts upon against and through racial oppression *Centering Borders in Latin American and South Asian Contexts* Debaroti Chakraborty,Debra A. Castillo,Kavita Panjabi,2022-07-18 This book presents inter disciplinary research on contemporary borders with contributions from scholars and cultural practitioners located in different contexts in the Americas and South Asia There has been significant sociological work on borders however there is a relative dearth of humanities research on contemporary border realities particularly in South Asia This volume introduces frameworks of critical insights and knowledge on border narratives and cultural productions It addresses and goes beyond the impact of the partition in South Asia to train a unique comparative and aesthetic lens on borders and borderlands in relation to Latin America and the U S A through oral narratives photographs objects films theatre journals and songs It maps border perspectives and their reception in a framework of cultural politics It revolves around themes such as violence and modes of survival women s narratives of

migration trafficking and incarceration abduction of children vulnerability as experience rationalities of mass killings and proliferation of countercultures to map border perspectives in a framework of cultural politics First of its kind the volume will be useful to scholars and researchers of comparative literary and cultural studies South Asian studies Latin American studies border studies arts and aesthetics visual studies sociology comparative politics international relations and peace and conflict resolution studies
