Hawaiian Language And Hawaiian English Dictionary A Complete Grammar:

The Hawaiian Language and Hawaiian-English Dictionary Henry Pratt Judd, 1977 Hawaiian Grammar Samuel H. Elbert, Mary Kawena Pukui, 2021-05-25 Without question this is the definitive grammar of the Hawaiian language. Indeed it is the first attempt at a comprehensive treatment of the subject since W D Alexander published his concise Short Synopsis of the Most Essential Points in Hawaiian Grammar in 1864. This grammar is intended as a companion to the Hawaiian Dictionary by the same authors. The grammar was written with every student of the Hawaiian language in mind from the casual interested layperson to the professional linguist and grammarian. Although it was obviously impossible to avoid technical terms their use was kept to a minimum and a glossary is included for those who need its help. Each point of grammar is illustrated with examples many from Hawaiian language literature.

Endangered Languages of the Caucasus and Beyond, 2016-11-01 According to UNESCO it is believed that at least half of the nearly 7 000 languages spoken around the world will cease to be used within the next 100 years. If this issue is neglected people will lose not only their cultural heritage but also invaluable understandings about the history of all humankind. *Endangered Languages of the Caucasus and Beyond* includes the manuscripts of 19 papers that were presented at the 1st International CUA Conference on Endangered Languages organized by the Caucasus University Association CUA at Ardahan Turkey on 13 to 16 October 2014. The articles address issues such as the state of the field of documentation, conservation and revitalization of endangered languages with special reference to the endangered languages in the Caucasus region and beyond.
