

Certificate of Need in Michigan

Preserving Cost-effective, High-quality Healthcare for All

Certificate of Need (CON) is a program that ensures only needed services are developed in Michigan. CON benefits Michiganders by ensuring high-quality, accessible, cost-effective care for patients in our state.

How does CON work?

An entity (health facility, physician, group practice, etc.) proposing any of the following types of projects must obtain CON approval from MDHHS, applying the standards set by the CON Commission, to:

- > Increase in the number of licensed beds or the relocation of licensed beds from one site to another.
- > Acquire an existing health facility.
- > Begin operating a new health facility.
- > Start, replace or expand of certain medical services.

Covered entities include:

- > Hospitals.
- > Psychiatric hospitals or units.
- > Nursing home and hospital long-term care units.
- > Freestanding surgical outpatient facilities.
- > Health maintenance organizations, or HMOs (on occasion).

The entity informs MDHHS of its intent to apply for a CON and completes an application.

1

2

The MDHHS reviews the application within specific timeframes and guidelines.

The MDHHS either issues a decision on the application or it proceeds for additional review at the request of the application.

4

If further consideration is given, a final decision is issued.
