The musical score is written for voice and piano. It begins with a treble and bass clef for the voice, and a grand staff (treble and bass clefs) for the piano. The key signature is one sharp (F#) and the time signature is common time (C). The score is divided into three systems. The first system contains the first four measures. The second system contains measures 5 through 8. The third system contains measures 9 through 12. The piano part features a 'marcato' marking in the first measure of the first system. The score includes various musical notations such as notes, rests, accidentals, and dynamic markings.

Folk music is more than an idealized reminder of a simpler past. It reveals a great deal about present-day understandings of community and belonging. It celebrates the shared traditions that define a group or nation. In America, folk music from African American spirituals to English ballads and protest songs renders the imagined community more tangible and comprises a critical component of our diverse national heritage. In *I Hear America Singing*, Rachel Donaldson traces the vibrant history of the twentieth-century folk music revival from its origins in the 1930s through its end in the late 1960s. She investigates the relationship between the revival and concepts of nationalism, showing how key figures in the revival, including Pete Seeger, Alan Lomax, Moses Asch, and Ralph Rinzler, used songs to influence the ways in which Americans understood the values, the culture, and the people of their own nation. As Donaldson chronicles how cultural norms were shaped over the course of the mid-twentieth century, she underscores how various groups within the revival and their views shifted over time. *I Hear America Singing* provides a stirring account of how and why the revivalists sustained their culturally pluralist and politically democratic Americanism over this tumultuous period in American history.

After a childhood in Brooklyn, he spent many years in and around Manhattan and Washington where he witnessed troops returning from the Civil War and tended wounded soldiers in the camp hospitals. Whitman's broad humanity, his love of cities especially Manhattan, his sympathy with all conditions of people, and his visionary even prophetic sense of the reality of the American dream make him as much a poet for our time as he was for the time of the American Civil War and its aftermath. This selection of courageous and consoling poems focuses on Whitman's vision of democracy, his love of Manhattan, his sense of the future, and of the community of peoples of this earth.
