DragonFate Novels continue the story of Deborah's dragon shape shifting heroes called the Pyr. Each book is a romance in which a dragon shifter meets his destined mate. In DragonFate, those heroines have powers of their own. Maeve's Book of Beasts is a prequel to DragonFate that introduces both Maeve's evil plan to eliminate paranormal species from the world including the Pyr and the cast of characters assembling to defeat her. In it, you'll meet Sebastian, a vampire who has escaped Maeve and is building the team to destroy her, and Sylvia, the mortal librarian he chooses to hide the ancient volume stolen from Maeve. Sebastian gets more than he expects from Sylvia; never mind that Maeve wants her book back and Sebastian's slow burn romance with Sylvia will arc over the entire series. The other slow burn romance in this series features Mel, an immortal fae who needs to find true love to break the curse placed upon her. She's haunted by her late husband Raymond who betrayed her but wants to make it right. You can read Mel and Raymond's story, a romance that doesn't end happily, and a retelling of a medieval French fairy tale in Claire Delacroix's *An Elegy for Melusine*. The DragonFate series so far: 1 Maeve's Book of Beasts, 2 Dragon's Kiss, dragon shifter Kristofer and Valkyrie Bree, 3 Dragon's Heart, dragon shifter Rhys and selkie Lila, 4 Dragon's Mate, dragon shifter Hadrian and swan maiden Rania, 5 Dragon's Wolf, dragon shifter Arach and wolf shifter Wynter. The Red Man ,1915 **The Dragon's Heart** Vivienne van Meerling, The amber light of dawn filtered through the stained glass windows of the ancient library casting prismatic shadows across the leather bound tomes that had gathered dust for centuries Seraphina Ashworth carefully turned the brittle pages of the manuscript before her her emerald eyes scanning the faded ink with growing excitement As the kingdom s youngest court scholar she had spent the better part of three years translating the cryptic texts left behind by the old mages but nothing had prepared her for what she was discovering now The prophecy spoke of a heart that beat within stone of a love that could break the most powerful of curses and of a choice that would determine the fate of two worlds Seraphina s fingers trembled as she traced the elegant script written in the ancient tongue of the dragon lords who had once ruled these lands with wisdom and fire When the moon bleeds silver and the earth trembles with sorrow she read aloud her voice barely above a whisper the last of the dragon born shall emerge from his prison of stone Only through the pure love of a mortal heart can the curse be broken but beware for such love demands the ultimate sacrifice A sudden crash of thunder made her jump though the morning sky had been clear moments before Through the tall windows she could see dark clouds gathering with unnatural speed swirling in patterns that defied the natural order The very air seemed to thicken with magic and Seraphina felt a pull deep within her chest as if something were calling to her from beyond the castle walls She had always been different from the other scholars While they buried themselves in books of history and law she was drawn to the mystical texts the forgotten lore of creatures that most

believed to be mere legends Her colleagues often whispered that she spent too much time with fantasies and not enough with facts but Seraphina knew better The magic that once flowed freely through their world had not disappeared it had merely been waiting As she gathered her things preparing to seek out the court librarian to discuss her findings a piece of parchment fluttered from between the pages of the ancient tome It was newer than the rest written in a hand she didn't recognize yet somehow felt familiar The message was brief but urgent The time has come Seek the Whispering Caves at midnight when the moon is full Your destiny awaits daughter of two worlds
