For some it comes out of nowhere and for others it seems as though it has always been. Seemingly from darkness a light turns on and all that was once confusing becomes clear and all that was once hidden is revealed. Some call this enlightenment. Some call this a revelation. Some call this peace. I call it an awareness of the heart. The following passages were written between late 2002 until 2010. Inspired by those around me including loved ones, family, friends and strangers and by the happenings of the world we share, my heart was poured onto paper. Though these words were written by my hand and sometimes spoken by my tongue, there is nothing unique about them for the stirring in me is also in you. So whether you choose to read the following passages in order, read it backwards or randomly, allow yourself to pick a page, don't follow me. Instead, take a journey into your own heart and see where it takes you. Throughout these pages you will find references to God, Allah, Great Spirit, The Divine, Elohim, Yahweh, Jehovah, He who has no name and a myriad of other beliefs. Though our words and our thoughts may differ, today allow yourself to read with an open

mind an open heart and an open spirit Let your heart inspire you Let God work through you by being you **Enlightened Love** Dr. Diaz, Enlightened love is a unique approach to relationships and dating Based on the scientific study of psycho social interactions attachment styles and enlightenment philosophies Published by Lumbre Inc a non profit organization dedicated to teaching the practical application of enlightenment philosophies *The Road from Paradise* Stjepan Gabriel Me_trovi_,1993-01-01 The 1989 fall of communism in Eastern Europe occurred in a period when Western intellectuals were involved in a confusing discourse on a number of other dramatic endings the end of modernity the end of the century even the possible end of sociology Against this backdrop the authors focus on continuities based on the habits of the heart of those who threw off communism in Eastern Europe contrasting them with Western modes of thought Their cultural explanation draws on theories of Tocqueville Durkheim and others to examine positive as well as negative aspects of the nations that survived communism While focusing on the Balkans they also make cautious prognoses for the rest of Eastern Europe

Journey Thru Love Alexis Pettway,2014-04-10 Funny thing about Love is that we rarely see it coming especially for the first time It sidelines our hearts and repositions our minds The journey of falling in love is a road we all travel and discover the happiness the pain the countless emotions that unravel Journey Thru Love takes you down my path of falling in love for the first time As odd as the journey was I hold it dear because it was mine Peer deep into my sea of emotions in a time when I was drowning in love not knowing if Id ever see the surface above So open your heart and your mind and travel this road with me As I pour out my heart and soul for you to see And in every line every poem my heart and soul is what youll see
