

A landscape photograph showing a dirt path winding through a dense field of red-leaved shrubs or trees. In the background, there are dark, silhouetted hills under a grey, overcast sky. The overall mood is somber and contemplative.

Do the gods light this fire in
our hearts or does each man's
mad desire become his god?

Hearts For The Gods

Hearts For The Gods:

Hearts on Fire Anita Grimsbo,2010-09 Do you hunger for reality Are you fed up with religion with church with liars with fake and pretenders Are you yourself fake or a real person Do you believe in a God that is real or not Who is Jesus for you a nice teaching or a good man only I tell you one thing If God is not real forget about Him If Jesus is just a nice teaching drop it If you find any comfort in your religion also the christian one I warn you about reading my book it could damage your religion forever BUT if you are a brave person that desire to rethink your life and your faith And if you hunger for knowing the one who created you then I wrote this book for YOU Weighing Hearts Stuart Lasine,2012-10-18 Issues involving character

have been the object of increasing interest and debate in recent years Social psychologists attempt to determine the role of character as a cause of human behavior moral philosophers explore the significance of character for understanding ethics and virtue and literary scholars investigate the depiction of character in narrative Weighing Hearts represents the first serious attempt to integrate all these approaches in order to gain a deeper and more precise understanding of how readers evaluate characters in biblical narrative While the primary focus is on the Hebrew Bible the author also includes several comparative analyses involving other ancient and modern literary works Weighing Hearts also shows how biblical historians and redaction critics can make their analyses more precise and nuanced by taking into account what psychology has learned about the consistency of character and the attribution errors people make when evaluating others **Hearts for the Gods**
