French Anglicisms Saul H. Rosenthal,Saul Rosenthal,2011-06-27 We are so used to hearing about all the French words that are found in English and about how purist the French are about their language that we don t realize how many English words have migrated into French You ll be astonished by how many English words are used in French French is inundated with them Swamped with them Most are native English words but surprisingly some were originally French words which moved into English long ago evolved a different meaning and then moved back to French with the new meaning as anglicismes English words aren t always taken into French with the same spelling and usage as they have in our language For example you ll encounter le week end which has gained a hyphen and le warning which doesn t mean the warning in a general sense but specifically means the emergency lights or flashers on a car Some words are specific to certain sports like l uppercut or le football or to other activities such as playing bridge while other words which are general in English have only limited

meanings in French An example is le slice which only refers to golf and tennis and not to a slice of melon for instance Some words are so well integrated into French that the average Frenchman wouldn't be aware that they are words of English origin At the other extreme are words that that same Frenchman would recognize immediately as English words even though he uses them without reflection much as we would say ravioli and pizza are Italian words or taco and tamale are Mexican Spanish words All these words will be marked as anglicisme or mot anglais in a French dictionary like Le Petit Robert and the use of some of them would be frowned on in formal speech or writing but many are very widely used in normal casual speech You'll find it a fascinating book READ WHAT PROFESSORS AND INSTRUCTORS OF FRENCH AND OTHERS HAVE WRITTEN ABOUT EARLIER BOOKS IN THIS SERIES I think your books are wonderful You have made a fantastic contribution to the French language profession Prof Judy Baughin Raymond Walters College You have done a real service to learners of French This is important work Prof John Romeiser U of Tenn I have to say your Key Words and Expressions is just the kind of book I would have liked to have had when I was teaching myself French oh so many years ago Prof John Moran Dir Language Programs NYU If you really want to learn spoken French you need this book Key Words You'll need other books as well you'll need audio materials and you'll need live language experience But this book is a necessity reader reviewer amazon com I love the Faux Amis especially the relaxed conversational presentation Prof Norman Shapiro Wesleyan U Your little books are great Prof AG Fralin Washington and Lee U I absolutely love Faux Amis It's so well done Prof Herta Rodina Ohio U I love your books They are easy to navigate and they are extremely useful to non native French speakers Prof John Turvaville U of Tenn Perhaps the most amazing thing about this book Key Words is that it took until 2007 for anyone to think of writing it reader reviewer amazon com The books are excellent Prof Luke Bouvier U of Mass Amherst I've been perusing Key Words for the past couple of days and it's great fun What a great idea for a book Prof Herta Rodina Ohio U This Key Words is easily one of the best and most important French resources I own and I've got dozens of them It's amazing absolutely amazing how this book has improved my understanding of spoken French reader reviewer amazon com I wish Rosenthal had written Rules for the Gender of French Nouns twenty years ago when I was a student Stephen Hedge review in The French Review
