Department of Printed Books, 1922 *Origins of Futuristic Fiction* Paul K. Alkon, 2010-08-01 For nearly two thousand years the future was a realm reserved for prophets poets astrologers and practitioners of deliberative rhetoric Then in 1659 the French writer Jacques Guttin published his romance *Epigone* which carried the subtitle the history of the future century Unlike the stories of space travel that were popular at the time or the tales of travel to distant earthly lands which had long been a familiar literary genre Guttin s romance described human societies displaced by time as well as by space and heroes not of his own day but of a future age Paul Alkon s *Origins of Futuristic Fiction* examines the earliest works of prose fiction set in future time the forgotten writings of the seventeenth eighteenth and nineteenth centuries that are the precursors of such well known masterpieces of the form as H G Wells s *The Time Machine* Aldous Huxley s *Brave New World* and George Orwell s *1984* The first secular story to break the imaginative barrier against tales of the future *Epigone* marked the emergence of a form unknown to classical medieval or renaissance literature Guttin s courageous displacement of narrative into future time was followed by writers such as Samuel Madden Louis Sebastien Mercier *Cousin de Granville* Mary Shelley and Emile Souvestre who wrote books with such titles as *Memoirs of the Twentieth Century* *The Year 2440* *The Last Man* and *The World As It Will Be* Most extraordinary though may be Felix Bodin s great metafictional *Le roman de l avenir* the novel of the future Both a narrative of the future and a poetics of the new genre this book identified in the previous isolated works set in future time a situation rarely encountered in literary history in which the possibility for a new form clearly existed without yet being altogether achieved In the introduction to his uncompleted novel Bodin presented his vision of the futuristic novel as a literature of realism morality and fantasy His remarkably astute attempt to define the aesthetics of a major transformation in the relation between literature and time still stands as the basis for the poetics of futuristic fiction Tracing the early literary history of what became a major form of modern fiction *Origins of Futuristic Fiction* examines the key works of the earliest writers of the genre not for what they betray of past expectations but for what they reveal about the formal problems that needed to be resolved before tales of the future could achieve their full power in the works of later novelists **Subject Index of the Modern Works Added to the Library of the British Museum in the Years ...** British

Museum,1922 **Papers from the XIIth Linguistic Symposium on Romance Languages** Philip Baldi,1984 This volume contains a selection of papers presented at the XII Linguistic Symposium on Romance Languages LSRL held in April 1982 at Penn State University These papers reflect the general state of the art in Romance Linguistics Some of the studies are theoretical papers that seek to establish general principles based on the analysis of a Romance language others apply the principles of a particular theory to the solution of a problem in some Romance language or provide data oriented descriptions of linguistic phenomena in Romance languages **Book Bulletin** Chicago Public Library,1924 The Literary Mafia Josh Lambert,2022-01-01 An investigation into the transformation of publishing in the United States from a field in which Jews were systematically excluded to one in which they became ubiquitous Readers with an interest in the industry will find plenty of insights Publishers Weekly From the very first page this book is funnier and more gripping than a book on publishing has any right to be Anyone interested in America s intellectual or Jewish history must read this and anyone looking for an engrossing story should Emily Tamkin author of *Bad Jews* In the 1960s and 1970s complaints about a Jewish literary mafia were everywhere Although a conspiracy of Jews colluding to control publishing in the United States never actually existed such accusations reflected a genuine transformation from an industry notorious for excluding Jews to one in which they arguably had become the most influential figures Josh Lambert examines the dynamics between Jewish editors and Jewish writers how Jewish women exposed the misogyny they faced from publishers and how children of literary parents have struggled with and benefited from their inheritances Drawing on interviews and tens of thousands of pages of letters and manuscripts *The Literary Mafia* offers striking new discoveries about celebrated figures such as Lionel Trilling and Gordon Lish and neglected fiction by writers including Ivan Gold Ann Birstein and Trudy Gertler In the end we learn how the success of one minority group has lessons for all who would like to see American literature become more equitable *The American Historical Review* John Franklin Jameson, Henry Eldridge Bourne, Robert Livingston Schuyler, 1918 *American Historical Review* is the oldest scholarly journal of history in the United States and the largest in the world Published by the American Historical Association it covers all areas of historical research **Papers from the XIIth Linguistic Symposium on Romance Languages, University Park, April 1-3, 1982** Philip Baldi,1984-01-01 This volume contains a selection of papers presented at the XII Linguistic Symposium on Romance Languages LSRL held in April 1982 at Penn State University These papers reflect the general state of the art in Romance Linguistics Some of the studies are theoretical papers that seek to establish general principles based on the analysis of a Romance language others apply the principles of a particular theory to the solution of a problem in some Romance language or provide data oriented descriptions of linguistic phenomena in Romance languages A Critical Bibliography of French Literature V4 18th C , **The United States Catalog** ,1924
