## GHOSTS OF THE GARDEN STATE

New Jersey is so rich in history, legends, and lore, it seems only natural that some of its few ghosts have chosen to hang around our fair state and make their presence known. They haunt not only our famous sites, but many other familiar places throughout the state as well.

The Garden State is well known for the paranormal activity, haunted houses, and things that go bump in the night, and in Weird NJ we are fortunate enough to get to hear of strange encounters firsthand from the people who experienced them.

We present here some of the most chilling, haunted locations where sinister and scary supernatural activity has reportedly taken place. From our great yards to our state parks, our highways to our estates, cities and even in our own homes, if a ghost you want, the Garden State's got 'em.
