

Hawaii's Monarchy Kings And Queen

Shirley Hune, Gail M. Nomura

Hawaii's Monarchy Kings And Queen:

Those Kings and Queens of Old Hawaii Paul Bailey, 1975 **The Hawaiian Kingdom—Volume 1** Ralph S. Kuykendall, 1947-01-01 The colorful history of the Hawaiian Islands since their discovery in 1778 by the great British navigator Captain James Cook falls naturally into three periods During the first Hawaii was a monarchy ruled by native kings and queens Then came the perilous transition period when new leaders after failing to secure annexation to the United States set up a miniature republic The third period began in 1898 when Hawaii by annexation became American territory The Hawaiian Kingdom by Ralph S Kuykendall is the detailed story of the island monarchy In the first volume Foundation and Transformation the author gives a brief sketch of old Hawaii before the coming of the Europeans based on the known and accepted accounts of this early period He then shows how the arrival of sea rovers traders soldiers of fortune whalers scoundrels missionaries and statesmen transformed the native kingdom and how the foundations of modern Hawaii were laid In the second volume Twenty Critical Years the author deals with the middle period of the kingdom's history when Hawaii was trying to insure her independence while world powers maneuvered for dominance in the Pacific It was an important period with distinct and well marked characteristics but the noteworthy changes and advances which occurred have received less attention from students of history than they deserve Much of the material is taken from manuscript sources and appears in print for the first time in the second volume The third and final volume of this distinguished trilogy The Kalakaua Dynasty covers the colorful reign of King Kalakaua the Merry Monarch and the brief and tragic rule of his successor Queen Liliuokalani This volume is enlivened by such controversial personages as Claus Spreckels Walter Murray Gibson and Celso Caesar Moreno Through it runs the thread of the reciprocity treaty with the United States its stimulating effect upon the island economy and the far reaching consequences of immigration from the Orient to supply plantation labor The trilogy closes with the events leading to the downfall of the Hawaiian monarchy and the establishment of the Provisional Government in 1893 , **The Arts of Kingship** Stacy L. Kamehiro, 2009-07-27 The Arts of Kingship offers a sustained and detailed account of Hawaiian public art and architecture during the reign of David Kalakaua the nativist and cosmopolitan ruler of the Hawaiian Kingdom from 1874 to 1891 Stacy Kamehiro provides visual and historical analysis of Kalakaua's coronation and regalia the King Kamehameha Statue Iolani Palace and the Hawaiian National Museum drawing them together in a common historical political and cultural frame Each articulated Hawaiian national identities and navigated the turbulence of colonialism in distinctive ways and has endured as a key cultural symbol These cultural projects were part of the monarchy's concerted effort to promote a national culture in the face of colonial pressures internal political divisions and declining social conditions for Native Hawaiians which in combination posed serious threats to the survival of the nation The Kalakaua leadership endorsed images that boosted international relations and appeased foreign agitators in the kingdom while addressing indigenous political cleavages Kamehiro interprets the images spaces and institutions as

articulations of the complex cultural entanglements and creative engagement with international communities that occur with prolonged colonial contact Nineteenth century Hawaiian sovereigns celebrated Native tradition history and modernity by intertwining indigenous conceptions of superior chiefly leadership with the apparatus and symbols of Asian American and European rule The resulting symbolic forms speak to cultural intersections and historical processes claims about distinctiveness and commonality and the power of objects institutions and public display to create meaning and enable action The Arts of Kingship pursues questions regarding the nature of cultural exchange how precolonial visual culture engaged and shaped colonial contexts and how colonial art informs postcolonial visualities and identities It will be welcomed by readers with a general and scholarly interest in Hawaiian history and art As it contributes to discussions about colonial cultures nationalism and globalization this interdisciplinary work will appeal to art and architectural historians as well as those studying Pacific history cultural and museum studies and anthropology **Hawaii's Monarchy** Gwenfread Elaine

Allen,1978 *The Queen and I* Sydney L. Iaukea,2012 *The Queen and I* will be a very important contribution to historical and political literature on early twentieth century Hawai i But through its intensely personal narrative it could have an even greater impact on the way people look at history Sydney Iaukea weaves archival information into a story about a well known historical figure while demonstrating the impact of these archival voices on herself In this way she binds herself to her ancestor and allows him to speak through her showing how an ancient value can be a new methodology for Native writers in indigenous studies Jonathan Kay Kamakawiwo ole Osorio author of *Dismembering Lahui A History of the Hawaiian Nation to 1887* Raised in Maui s housing projects Sydney Iaukea discovers as an adult that she is the direct descendent of Curtis P Iaukea a prominent statesman and trusted adviser to Queen Lili uokalani the Hawaiian Kingdom s last ruling monarch In this courageous work she documents her dual quest to recover her lost lineage and her ancestor s historical importance Revealing the continuity between public and private personal and historical Sydney Iaukea s compelling narrative brings her readers face to face with Lili uokalani during the tragic days of her overthrow Mary Palevsky author of *Atomic Fragments A Daughter s Questions* For those of us born and raised in Hawai i Sydney Iaukea s work sheds light on a period of time about which we still know too little the overthrow of Hawai i s sovereign government and its forcible annexation to the U S This is a compelling narrative driven by the mystery of a girl growing up poor unaware of her distinguished lineage How could this disconnect have occurred Through the exploration of memories embedded in the landscape Iaukea ultimately links displacement dispossession and familial strife to Hawai i s troubled history with the U S Iaukea is to be commended for her honest and open heart Matthew M Hamabata Executive Director The Kohala Center *The Army Lawyer* ,2014-08

Victoria Ward and the Gilded Age of the Hawaiian Kingdom Joy Ogawa,2024-01-05 1889 Iolani Palace O ahu The majestic Hawaiian Kingdom teeters on the brink of oblivion At its heart stands Victoria Ward a woman of royal Hawaiian blood bound by her lineage and duty Armed with vast lands ancient cultural rituals and the unwavering loyalty of her villagers she

becomes the beacon of hope for a nation under threat But as the sands of time flow will Victoria s efforts prove enough to salvage the once glorious realm she cherishes Her legacy echoes through generations influencing descendants who remain fiercely devoted to their roots Decades later an invaluable treasure left behind by Victoria is discovered by her kin Could this discovery be the key to resurrecting the splendor of the Gilded Age of the Hawaiian Kingdom Join the journey across eras where history and destiny intertwine and the past might just shape the future
