**Being Parents**, *Hearing Our Prayers* Juliette J. Day, 2024-03-15 How do we hear our prayers In the words of philosopher Gemma Corradi Fiumara there can be no saying without hearing no speaking which is not an integral part of listening no speech which is not somehow received Therefore

hearing should be considered an essential aspect of participation in Christian worship. However, although almost all studies of Christian worship attend to the words spoken and sung, almost none consider how worshippers hear in the liturgical event. In *Hearing Our Prayers*, Juliette Day draws upon insights from liturgical studies, philosophy, psychology, acoustical science, and architectural studies to investigate how acts of audition occur in Christian worship. The book discusses the different listening strategies worshippers use for speech, chant, and music, as well as for silence and noise, why paying attention in church can be so difficult, and how what we hear is affected by the buildings in which worship takes place. Day concludes by identifying liturgical listening as a particular type of ritual participation and emphasizes that liturgical listening is foundational for the way in which we pray and think about God, the church, and the world. Sounds and Perception Matthew Nudds, Casey O'Callaghan, 2009-11-26. *Sounds and Perception* is a collection of original essays on auditory perception and the nature of sounds, an emerging area of interest in the philosophy of mind and perception and in the metaphysics of sensible qualities. The individual essays discuss a wide range of issues, including the nature of sound, the spatial aspects of auditory experience, hearing, silence, musical experience, and the perception of speech. A substantial introduction by the editors serves to contextualise the essays and make connections between them. This collection will serve both as an introduction to the nature of auditory perception and as the definitive resource for coverage of the main questions that constitute the philosophy of sounds and audition. The views are original, and there is substantive engagement among contributors. This collection will stimulate future research in this area. *My Name Is Monster* Katie Hale, 2019-06-06. Strikingly beautiful, Guardian Tough and tender. Joanne Harris. After the sickness has killed off her parents and the bombs have fallen on the last safe cities, Monster emerges from the Arctic vault which has kept her alive. When she washes up on the coast of Scotland, everyone she knows is dead, and she believes she is alone in an empty world. Slowly, piece by piece, she begins to rebuild a life. Until one day she finds a girl, another survivor, feral and ready to be taught all that Monster knows. But as the lonely days pass, the lessons the girl learns are not always the ones Monster means to teach. **When God is Silent** Archbishop Luis M. Martinez, 2014-08-11. When God is Silent shows you how to trust God even when He seems unresponsive and remote, even when, as in the famous incident in the Gospels, He seems to sleep while you are buffeted by the storms of life. Author Luis Martinez quotes that beautiful line from the Song of Songs: "I sleep but my heart is awake," and confirms that with Jesus this is indeed the case. His love for you never sleeps, no matter what. Martinez shows how you can make better sense of your life once you realize that God has actually been closest to you when He seemed farthest away, and once you learn why He often speaks to you only in silence. Best of all, Martinez teaches you the secret of true happiness, which you can achieve even amid the troubles that are inescapable elements of every human life. With sober realism and simple faith, this book will show you how to discover and then to take refuge in the comfort our Lord offers you, even when He seems to sleep. A powerful masterpiece. A great gem of Catholic spirituality. Fr. Benedict Groeschel. Author: Arise from Darkness. Anyone who wants to
