Heart A Memoir:

Native Country of the Heart Cherrie Moraga, 2019-04-02 Written with a poet's verve This memoir's beauty is in its fierce intimacy Roy Hoffman The New York Times Book Review Native Country of the Heart A Memoir is at its core a mother daughter story The mother Elvira was hired out as a child along with her siblings by their own father to pick cotton in California's Imperial Valley The daughter Cherríe Moraga is a brilliant pioneering queer Latina feminist The story of these two women and of their people is woven together in an intimate memoir of critical reflection and deep personal revelation As a young woman Elvira left California to work as a cigarette girl in glamorous late 1920s Tijuana where a relationship with a wealthy white man taught her life lessons about power sex and opportunity As Moraga charts her mother's journey from impressionable young girl to battle tested matriarch to later on an old woman suffering under the yoke of Alzheimer's she traces her own self discovery of her gender queer body and Lesbian identity As her mother's memory fails Moraga is driven to unearth forgotten remnants of a US Mexican diaspora and an American story of cultural loss Poetically wrought and filled with insight into intergenerational trauma Native Country of the Heart is a reckoning with white American history and a piercing love letter from a fearless daughter to her mother A masterpiece of literary art Michael Nava Los Angeles Review of Books Poignant beautifully written Kirkus Reviews starred review A defiant deep and soulful book about all our mothers mother cultures motherlands and languages Julia Alvarez national bestselling author of In the Time of the Butterflies

Jefferson Davis Unconquerable Heart makes such an interpretive biography available Felicity Allen begins this monumental work with Davis s political imprisonment at the end of the Civil War and masterfully flashes back to his earlier life interweaving Davis s private life as a schoolboy a Mississippi planter a husband a father and a political leader She follows him from West Point through army service on the frontier his election to the U S House of Representatives his regimental command in the Mexican War his service as U S secretary of war and senator and his term as president of the Confederate States of America Although Davis s family is the nexus of this biography friends and enemies also play major roles Among his friends intimately met in this book are such stellar figures as Andrew Jackson John C Calhoun Zachary Taylor Franklin Pierce Albert Sidney Johnston and Robert E Lee With the use of contemporary accounts and Davis s own correspondence Jefferson Davis Unconquerable Heart casts new light upon this remarkable man thawing the icy image of Davis in many previous accounts Felicity Allen shows a strong yet gentle man a stern soldier who loved horses guns poetry and children a master of the English language with a dry wit a man of powerful feelings who held them in such tight control that he was considered cold and a home loving Mississippian who was drawn into a vortex of national events and eventual catastrophe At all times duty honor country ruled his mind Davis s Christian view of life runs like a thread throughout the book binding together his devotion to God his family and the land Jefferson Davis Unconquerable Heart brings Davis to life in a way that has never been done before The variety of his experience the breadth of his learning and the consistency of his beliefs make this historical figure eminently worth knowing

Finding Heart Horse Claire Hitchon,2013-12 Have you ever wanted something so badly it was all you could think of All you could talk about write about dream about Claire did She wanted a horse Finding Heart Horse is her journey and her search for her Heart Horse It takes her from being the girl most likely to succeed to a life on the streets of Yorkville in the late sixties As an adopted child she had no identity no history and no place where she fit Her years on the streets lead her into many dark places where she began to add more secrets and traumas to her already large collection in the wall of secrets Life changed quickly in those days from peace and love to war and violence She went along for the ride not knowing where it would lead just knowing that she had to find Heart Horse If you know anyone who may be struggling perhaps even yourself Finding Heart Horse can give you hope where you thought there was none We all have different journeys but the essence is the same We all want to be loved to belong and to be happy Everyone at some point has yearned for something so powerful that like a magnet it pulls you into the unknown Even if you weren t really sure what it was for you knew you had to pursue it Life lessons are learned spirituality discovered The reality of opposites is proven With pain comes pleasure with despair comes hope with sadness comes joy and perhaps along the way even your Heart Horse may be found
