Heart And Blood:

Heart's Blood Gail Dayton, 2025-06-25 Master conjurer Grey Carteret regains consciousness in a London gutter next to a concerned street urchin and not far from the body of a man murdered by magic. Some fool is hoping to use murder to raise a demon. Arrested for the crime, Grey must rely on the street urchin for help. But the lad turns out to be a comely lass and she wants something in exchange. Pearl Parkin, a gently reared lady struggling to survive in London's slums, sees magic as a way out of the life she finds herself trapped in. But blackmailing Grey into making her his apprentice has unexpected consequences. As they plunge into the hunt for the murderer, Pearl discovers that the things she once desperately wanted are not so important after all and that she must risk her blood, her heart, and her very life to grasp the love she needs. Genre: Go Round Reviews. Whistling Tor is a place of secrets, a mysterious wooded hill housing the crumbling fortress belonging to Anluan, a chieftain whose name is spoken throughout the region in tones of revulsion and bitterness. A curse lies over Anluan's family and his people, and the woods themselves hold a perilous force whose every whisper threatens doom. Then the young scribe Caitrin appears in Anluan's garden, admiring the rare plant known as heart's blood. Retained to sort through entangled family documents, Caitrin brings about unexpected changes in the household, casting a hopeful light against the despairing shadows. But even as Caitrin brings solace to Anluan and the promise of something more between them, he remains in thrall to the darkness surrounding Whistling Tor. To free Anluan's burdened soul, Caitrin must unravel the web of sorcery woven by his ancestors before it claims his life and their love. **1979 Report of the Interagency Technical Committee on Heart, Blood Vessel** United States. Interagency Technical Committee on Heart, Blood Vessel, Lung, and Blood Diseases and Blood Resources, 1980. *My Heart's Blood* Jacqueline Mc Elchar, 2013-09-12 Jack Boyton, only grandson of one of the few Irish peers left in Ireland, is summoned from his busy, high-profile entertainment job in Dublin to his family's sedate country estate in the tight-knit community of Milltown Donegal, where everybody knows everyone's business. When his adopted uncle becomes seriously ill, Jack soon realizes he is happiest when surrounded by family and his childhood friends TJ and Marie, who keep him grounded in the real world. As it dawns on Jack that his family should be his priority, he enlists the help of his friends to do just that, although his growing feelings for Marie complicate matters, especially when he tries to find out if she likes him as much as he does her and wonders what tension this would cause between TJ and himself. After all, Marie is TJ's twin sister. To some village life could feel stifling, but Jack knows when the chips are down, the community will look out for each other, no matter the old feuds, fights, or differences, and their help seems more worthy now that his uncle is dying. When Jack is left a daunting task from beyond the grave by his late uncle to retrieve a mythical spear and keep it from the power-hungry hands of the
