literature complete the volume Lafcadio Hearn: American Writings (LOA #190) Lafcadio Hearn, 2018-08-14 Featuring a wide range of writings from Hearn's time in America this collection is a stunning showcase of the Greek Irish author's uniquely decadent literary flair and keen eye for observation. A translator of Flaubert and Gautier, Lafcadio Hearn was the master of a gaudy and sometimes self-consciously decadent literary style but he was also a tough-minded and keenly observant reporter with an eye for the offbeat, the sensual and occasionally the gruesome. The writings of his American years collected in this Library of America volume on subjects as wide-ranging as comparative folklore, the history of musical instruments, French literary avant-gardes and New Orleans voodoo reveal an omnivorous curiosity and an always eclectic sensibility. *Some Chinese Ghosts* 1887, a stylized retelling of ancient legends foreshadows Hearn's later fascination with Asian themes. The exquisitely crafted novels *Chita* 1889 about the devastation wrought by a Louisiana hurricane and *Youma* 1890 about a slave rebellion in Martinique epitomize his writing at its most luxuriantly romantic, alert to the interactions of diverse cultures and suffused with imagistic splendor. His extraordinary travel book *Two Years in the French West Indies* 1890 presented here with the many illustrations from its first edition provides a richly impressionistic account of his long stay on Martinique and other Caribbean islands. Also included are personal letters as well as more than a dozen examples of Hearn's journalism from the 1870s and 1880s depicting vividly a raucous African American nightclub on the Cincinnati waterfront, an execution scene of Mardi Gras and the New Orleans French Quarter, an uncharted village of Filipino fishermen in a remote Louisiana bayou. LIBRARY OF AMERICA is an independent nonprofit cultural organization founded in 1979 to preserve our nation's literary heritage by publishing and keeping permanently in print America's best and most significant writing. The Library of America series includes more than 300 volumes to date, authoritative editions that average 1,000 pages in length, feature cloth covers, sewn bindings, and ribbon markers, and are printed on premium acid-free paper that will last for centuries.

Some Chinese Ghosts Lafcadio Hearn, 2019-11-25 In *Some Chinese Ghosts* Lafcadio Hearn expertly weaves a tapestry of folklore and spirituality, drawing readers into the rich and enigmatic world of Chinese supernatural beliefs. Through a series of evocative tales, Hearn explores the themes of love, loss, and the liminal spaces between life and death, employing lyrical prose that reflects both reverence and curiosity for the otherworldly. His distinctive style combines elements of Romanticism and realism, infused with intricate details of Chinese culture and philosophy that situate the collection in the broader literary context of the late 19th century, particularly the fascination with Orientalism prevalent among Western writers of the time. Lafcadio Hearn (1850-1904) was a writer and translator who dedicated much of his life to understanding and disseminating Eastern culture to a Western audience. Born in Greece and raised in the United States, his diverse background and experiences living in Japan inform his nuanced perspective on the supernatural. Hearn's immersion in Asian cultures, combined with a profound introspection into themes of existence, ultimately led him to craft this seminal work illuminating ghostly encounters that reflect the complexities of human emotions. Readers interested in a fusion of

mysticism and cultural exploration will find *Some Chinese Ghosts* an essential addition to their literary repertoire. Hearn's hauntingly beautiful narratives invite reflection on the interplay between the living and the dead, making this collection a poignant examination of what haunts the human spirit. A masterpiece of cross-cultural literature, it beckons readers to engage with the spectral and explore the boundaries of life, death, and beyond.
