S. Johnson,2021-12-02 What about the Order I hesitated to ask knowing Amir had painful memories of his own I wanted to be free before Lady Penelope pointed out that this is the opposite

of what I wanted I can't help but feel she is right. Wanting to be free is not a sin in itself. Amir told me softly, "Only when that is everything and held to the highest priority is it so. We are loyal to the truth, Eleanora, but the truth is complicated and freedom can be painful." Prague 1871. Despite the many demands that come with being a member of the Order of the Crystal Daggers, Eleanora Svobodov has plenty of reasons to celebrate. With Lumiere's capture and Lady Penelope's reluctant acceptance of Ferdy, not even Ben's painful ire can completely diminish her joy. But just as the future begins to look bright, the past catches up to Eleanora and the other members of the Order. For as they investigate Karl's disappearance, Eleanora learns the shocking secret about her mother's final mission and Lady Penelope's treachery while the Emperor risks his life and heads to Bohemia for a special tripartite council. Can Eleanora and the Order find a way to save the kingdom? And even if they do, will they be able to survive a new betrayal from among their ranks? Full of surprising twists and turns, *Heart of Hope* and *Fear* is the final book in *The Order of the Crystal Daggers*, a historical romance spy trilogy from C. S. Johnson. **Orchard of Hope (The Heart of Hollyhill Book #2)** Ann H. Gabhart, 2007-03-01. It is 1964 and 14-year-old Jocie Brooke is about to have an unforgettable summer. Her father has found a new love, her hippie sister is about to have a baby, and her aunt is finally pleasurable to live with. But when a black family from Chicago moves into the quiet hamlet of Holly County, Kentucky, Jocie finds herself befriending a boy that some townspeople shun. Due to the unspoken racial lines in this southern town, the presence of these newcomers sparks a smoldering fire of unrest that will change Holly County and Jocie forever. *Orchard of Hope*, the riveting sequel to *The Scent of Lilacs*, takes readers along to experience unexpected love, fear, forgiveness, new life, and a deeper understanding of the value of each individual's story. *Hope as the Heart of Feelings* Harshwardhan Soni, 2024-12-30. About This Book: *Hope as the Heart of Feelings*. Hope is the emotion at the very center of human experience, a quiet yet powerful presence that directs our emotions, informs our choices, and lights the way forward at life's darkest hour. *Hope as the Heart of Feelings* delves deep into hope, its part in our emotional lives, our relations to others, and the relations of ourselves and others within society. Drawing on the timeless wisdom of philosophy, the rigor of psychology, and the nuances of lived experience, this book presents an intricate tapestry of insights into one of humanity's most essential and mysterious emotions. The book, written across 14 comprehensive chapters, explores the many faces of hope, its interaction with emotions, and the transformative powers of hope during times of despair and renewal. From the exploration of hope's fundamental essence, the book moves through historical roots in philosophical thought, its impact on personal relationships, and its role as a catalyst for societal and cultural change. The text navigates the duality of hope: its ability to inspire and uplift, but also to disappoint when expectations go unmet. It shines light on how hope impacts human behavior, shapes our motivations, and sustains our dreams even amid adversity. With deep philosophical inquiry and relatable examples, the book addresses universal themes such as the crisis of hopelessness, the importance of emotional resilience, and the ways in which hope provides purpose and meaning in life. With the aspect of global perspectives, *Hope as the Heart of Feelings* draws on various

cultural and understanding sources of hope from Eastern spirituality to Western thought and collective societies Then in relation to such modern challenges as professional loss or even global catastrophe the book considers a role that hope can be given to them and supplies practical ways to help support and restore hope in all people This book is more than just a study on hope It is an invitation to engage with it see it as a companion in our struggles a beacon in the darkest of times and a foundation to look towards a brighter future Whether you are someone searching for inspiration a philosophy and psychology student or merely a person looking to connect again with the might of hope this book serves as a guide on understanding harnessing and cherishing hope as the heart of all feelings GOD'S HEART . . .
