*Heartache Spoken Here* Stephen Walsh, 1997      **Playlets** George Bernard Shaw, 2021 These highbrows must remember that there is a demand for little things as well as for big things George Bernard Shaw was one of the leading playwrights and public intellectuals of the nineteenth and twentieth centuries He helped propel drama towards the unexpected into a realm where it might shock audiences into new viewpoints and into fresh understandings of society Throughout his long writing career Shaw wrote short plays ranging in length from 1000 word puppet play *Shakes Versus Shav* to the 12 000 word suffragette comedy *Press Cuttings* These plays can be taken to illuminate Shaw s life and legacy from ideas about war and patriotism in *O Flaherty V C* to censorship in *The Shewing up of Blanco Posset* Surveying Shaw s entire career of writing short dramas focusing especially on those years when his work in the form was particularly prolific around 1909 and during the First World War this collection places Shaw s short plays broadly into four key areas farces historical sketches war dramas and Shakespearean shorts For each of these areas the volume explores Shaw s aesthetic and thematic concerns the precise historical and generic contexts in which the works were written the major criticism and scholarship that has subsequently emerged and the most notable stage and screen productions This collection reveals how a playwright often criticized for being too wordy was actually a master of the short form      **Voices Of The Old Firm** Stephen

Walsh, 2012-12-07 This revised and updated edition of *Voices of the Old Firm* tells the story of Rangers and Celtic in the words of those who can say I was there By interviewing players managers but above all supporters of the two great clubs Stephen Walsh has built up a unique portrait of sixty years of football in the city Full of evocative social and historical detail the book surveys all the great moments since the war the ups and downs the triumphs and disasters What was it like to be in Lisbon for Celtic s epic 1967 European Cup victory or in Barcelona for Rangers European triumph of 1972 The different voices which describe these and many other key events include some of the greatest players ever to pull on a green or a blue jersey and they have vivid tales to tell of encounters on the field But the book also hears the voices of those who have spent their time standing on the terraces or sitting in the stands cheering on their heroes Ordinary supporters tell of their adventures at home and abroad while following their clubs with sometimes ridiculous levels of devotion In their own words they tell of great games of football but they also describe the fabric of the fan s life the buses the songs the drink the clothes the bigotry and the passionate emotion which marks Glasgow out from almost all other footballing cities This classic oral history has been brought fully up to date with the addition of new material reflecting the way the teams have come to dominate the Scottish football scene in the last ten years Highlights include Celtic s pilgrimage to Seville for the UEFA Cup final and Rangers unforgettable championship win of 2005      Popular Music and Automobiles Mark Duffett, Beate Peter, 2020-01-09 Particularly since the 1950s cars and popular music have been constantly associated As complementary goods and intertwined technologies their relationship has become part of a widely shared experience one that connects

**Nothing's Bad Luck** C. M. Kushins,2019-05-07 Biography of legendary singer songwriter Warren Zevon spanning his nomadic youth and early recording career to his substance abuse final album and posthumous Grammy Awards As is the case with so many musicians the life of Warren Zevon was blessed with talent and opportunity yet also beset by tragedy and setbacks Raised mostly by his mother with an occasional cameo from his gangster father Warren had an affinity and talent for music at an early age Taking to the piano and guitar almost instantly he began imitating and soon creating songs at every opportunity After an impromptu performance in the right place at the right time a record deal landed on the lap of a teenager who was eager to set out on his own and make a name for himself But of course where fame is concerned things are never quite so simple Drawing on original interviews with those closest to Zevon

including Crystal Zevon Jackson Browne Mitch Albom Danny Goldberg Barney Hoskyns and Merle Ginsberg Nothing s Bad Luck tells the story of one of rock s greatest talents Journalist C M Kushins not only examines Zevon s troubled personal life and sophisticated ever changing musical style but emphasizes the moments in which the two are inseparable and ultimately paints Zevon as a hot headed literary compelling musical genius worthy of the same tier as that of Bob Dylan and Neil Young In Nothing s Bad Luck Kushins at last gives Warren Zevon the serious in depth biographical treatment he deserves making the life of this complex subject accessible to fans old and new for the very first time      **Reconsider Me [Suncoast Society]**
