

Understanding the Issue

- Euthanasia is not to be confused with refusing artificial life support and allowing the natural death process.
- The problem exists where some forms of assisted suicide are legal in several countries, and in the U.S., **Montana, Oregon, Texas, Washington.** -Wikipedia

Assuming No Prior Philosophical knowledge on the part of the reader examines the controversial issues of euthanasia abortion and experimentation on humans and animals as well as the right to self determination and the limits of confidentiality **Christian Ethics and Contemporary Moral Problems** Michael C. Banner,1999-09-28 This book

addresses such key ethical issues as euthanasia the environment biotechnology abortion the family sexual ethics and the distribution of health care resources Michael Banner argues that the task of Christian ethics is to understand the world and humankind in the light of the credal affirmations of the Christian faith and to explicate this understanding in its significance for human action through a critical engagement with the concerns claims and problems of other ethics He illustrates both the distinctiveness of Christian convictions in relation to the above issues and also the critical dialogue with practices based on other convictions which this sense of distinctiveness motivates but does not prevent The book s importance lies in its attempt to show the crucial difference which Christian belief makes to an understanding of these issues whilst at the same time demonstrating some of the weaknesses and confusions of certain popular approaches to them Where Do You Stand?
