Evaluating Social Work Services And Programs:

Evaluating Social Work Services and Programs Robert W. Weinbach, 2005 Program Evaluation uses a practical reader friendly approach to demystify evaluation research clarifying evaluation's relationship to social work practice and providing the knowledge necessary to conduct it. This book assumes some familiarity with traditional research methods and basic statistics or are currently studying them. It contains all necessary definitions and brief explanations of essential research terminology and concepts. However, it relates them directly to their usage in evaluation research which is often quite different from the way they are used in traditional research. Well organized with excellent flow from chapter to chapter. Program Evaluation does not read like a research methods book making it the most accessible book on evaluation research available.

Evaluation of Social Work Services in Community Health and Medical Care Programs Robert C. Jackson, Jean Morton, 1973 *Evaluation of Social Work Services in Community Health and Medical Care Programs*, 1973 **Evaluation of Social Work Services in Community Health and Medical Care Programs, Based on the Proceedings of the 1973 Annual Institute for Public Health Social Workers** Robert C. Jackson, Jean Morton, 1977 **Program Evaluation for Social Workers** Richard M. Grinnell, Peter A. Gabor, Yvonne A. Unrau, 2012-02-15 An eminently approachable and practical introduction to case and program level evaluation techniques **Evaluation in Social Work** Yvonne A. Unrau, Peter A. Gabor, Richard M. Grinnell, 2007 This book was written for you a graduate social work student as an introduction to program evaluation. We selected and arranged its contents so it can be used in a beginning one semester social work program evaluation course, a social work administrative course or a program planning course. It is designed to prepare you to participate in evaluative activities within your social service organization. Become a beginning critical producer of the professional evaluative literature. Become a beginning consumer of the professional evaluative literature. Master more advanced evaluation courses and texts **Social Work Research and Evaluation** Richard M. Grinnell, Jr., Yvonne A. Unrau, 2010-08-26 Over thirty years of input from instructors and students have gone into this popular research methods text resulting in a refined ninth edition that is easier to read, understand and apply than ever before. Using unintimidating language and real world examples, it introduces students to the key concepts of evidence based practice that they will use throughout their professional careers. It emphasizes both quantitative and qualitative approaches to research data collection methods and data analysis, providing students with the tools they need to become evidence based practitioners *Social Work Research and Evaluation* Richard M. Grinnell, Yvonne A. Unrau, 2008 Refined with input from students and instructors who used the previous seven editions, the authors have updated, rearranged and added to the latest edition of this popular textbook. It contains six new chapters, four on evidence based practice emphasizing how important it is for students to master that concept and it lays the foundation for their understanding of it by providing a comprehensive explanation of both qualitative and quantitative research methods. This edition is more current, useful and aesthetically pleasing than ever before.

and is sure to hold its place as one of the premier textbooks for research methods courses appreciated by students and professors alike for its user friendliness and renowned for the way it helps social work programs produce professional capable social workers *Encyclopedia of Social Work* ,1965 Evaluation Practice Elizabeth DePoy,Stephen French Gilson,2012-10-12 Evaluation Practice bridges the apparent gap between practice and research to present a logical systematic model to guide all professional thinking and action within the context of everyday professional life Their framework embraces diverse theories action and sets of evidence from a range of professional and disciplinary perspectives
